FOIA# 2017-00948

Mr. Russ Kick  
P.O. Box 36914  
Tucson, AZ 85740

Dear Mr. Russ Kick:

This letter is the final response to your Freedom of Information Act (FOIA) request, dated August 2, 2017. The tracking number is 2017-00948. In your letter, you asked for the following:

"I hereby request the detailed, hour-by-hour calendar/schedule for the Director or Acting Director, from January 1, 2017, to June 30, 2017."

In our search for responsive documents, we have located the enclosed material. We are providing 132 pages. Of these, approximately 123 pages are being withheld in part.

Exemption 5 allows an agency to withhold "inter-agency or intra-agency memorandums or letters which would not be available by law to a party... in litigation with the agency." 5 U.S.C. § 552 (b) (5); see *Nat'l Labor Relations Bd. v. Sears Roebuck & Co.*, 421 U.S. 132, 149 (1975). Exemption 5 therefore incorporates the privileges that protect materials from discovery in litigation, including the deliberative process, attorney work-product, attorney-client, and commercial information privileges.

The materials that have been withheld under the deliberative process privilege of Exemption 5 are both pre-decisional and deliberative. They do not contain or represent formal or informal agency policies or decisions. They are the result of frank and open discussions among employees of the Department of the Interior. Their contents have been held confidential by all parties and public dissemination of this information would have a chilling effect on the agency's deliberative processes; expose the agency's decision-making process in such a way as to discourage candid discussion within the agency, and thereby undermine its ability to perform its mandated functions.
