1	<p><b>Link and Learn Taxes System Data</b></p> <p>Disposition Authority Number      <b>DAA-0058-2017-0003-0001</b></p> <p>The Link &amp; Learn Taxes system is a learning tool used by IRS partners. It also has a certification instrument (test) which the user/volunteer takes to demonstrate their proficiency in providing tax return preparation assistance to taxpayers. System users must register with the system by creating user-name, password, and e-mail address. This information is then used by the user when logging into the system and kept in their account information. The registry would be valid for a single tax year. Volunteers who are certified through the Link and Learn certification instrument will have the data accumulated and available to the affiliated volunteer organization, and a listing will be available by Area and Territory. Each Territory can obtain a report of the volunteers in their Territory who have been certified through testing. The testing instrument and volunteer registry update only need to be maintained for one tax year. Due to changing tax laws, forms, and volunteers; users need to re-certify every year by passing the certification instrument.</p> <p>Final Disposition                      <b>Temporary</b></p> <p>Item Status                                <b>Pending</b></p> <p>Is this item media neutral?            <b>Yes</b></p> <p>Do any of the records covered by this item currently exist in electronic format(s) other than e-mail and word processing?      <b>Yes</b></p> <p>Do any of the records covered by this item exist as structured electronic data?                              <b>Yes</b></p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: left;">Manual Citation</th> <th style="text-align: left;">Manual Title</th> </tr> </thead> <tbody> <tr> <td><b>RCS 29, Item 448</b></td> <td><b>IRS RCS for Tax Administration- Wage and Investment</b></td> </tr> </tbody> </table> <p>Disposition Instruction</p> <p>Cutoff Instruction                        <b>Cutoff data at the end of the calendar year</b></p> <p>Retention Period                         <b>Destroy 1 year(s) after cutoff</b></p> <p>Additional Information</p> <p>GAO Approval                              <b>Required and Received</b></p>	Manual Citation	Manual Title	<b>RCS 29, Item 448</b>	<b>IRS RCS for Tax Administration- Wage and Investment</b>
