## INTRODUCTION

### Schedule Overview

State and Private Forestry Program Administration

### Additional Background Information

The Forest Service is authorized to provide financial, technical and related assistance to State Foresters or equivalent State officials to accomplish management and use of forest resources on non-Federal forest lands.

### Overall Recommendation

I recommend approval of the attached schedule.

## APPRAISAL

### Item 0001: State and Private Forestry Program Administration

**Proposed Disposition:** Temporary

**Appropriateness of Proposed Disposition:** Appropriate

#### Appraisal Justification:

- \* Previously approved as temporary. (N1-095-10-002 / 139; N1-095-10-002 / 141)
- \* Has little or no research value. The records are administrative in nature and do not warrant permanent retention once the business needs of the agency have been met.
- \* Does not document significant actions of Federal officials.

**Adequacy of Proposed Retention Period:** Adequate from the standpoint of legal rights and accountability

**Media Neutrality:** Approved
