INTRODUCTION

Schedule Overview

Rural Forestry Assistance

Additional Background Information

The United States Forest Service is authorized to provide financial, technical and related assistance to State Foresters to accomplish management and use of forest resources on non-Federal forest lands and to provide guidance in conforming with Federal environmental laws and regulations. Publications are issued giving guidelines on program objectives.

Overall Recommendation

I recommend approval of the attached schedule.

APPRAISAL

Item 0001: Rural Forestry Assistance Program Administration

Proposed Disposition: Temporary

Appropriateness of Proposed Disposition: Appropriate

Appraisal Justification:

- * Previously approved as temporary. (N1-095-10-004 / 284; N1-095-10-004 / 285;)
- * Has little or no research value. The records are administrative in nature and do not warrant permanent retention once the business needs of the agency have been met.
- * Does not document significant actions of Federal officials.

Adequacy of Proposed Retention Period: Adequate from the standpoint of legal rights and accountability

Media Neutrality: Approved
