INTRODUCTION

Schedule Overview

Rural Development

Additional Background Information

The Rural Development program responds to and supports state and local requests and concerns for solutions to problems in rural areas. They seek opportunities to develop forest based enterprises and forest resources that contribute to rural growth. All programs shall contribute and lend support to other public and private agency efforts to provide public services, income, jobs, and amenities in rural areas through planning, resource management, economic development, and manpower programs.

Overall Recommendation

I recommend approval of the attached schedule.

APPRAISAL

Item 0001: Rural Development Program Administration and Reports

Proposed Disposition: Temporary

Appropriateness of Proposed Disposition: Appropriate

Appraisal Justification:

- * Previously approved as temporary. (N1-095-10-004 / 311; N1-095-10-006 / 64)
- * Has little or no research value. The records are administrative in nature and do not warrant permanent retention once the business needs of the agency have been met.
- * Does not document significant actions of Federal officials.

Adequacy of Proposed Retention Period: Adequate from the standpoint of legal rights and accountability

Media Neutrality: Approved
