## INTRODUCTION

### Schedule Overview

Rights-of-Way General Program Administration

### Administrative History

The schedule covers program administration records related to the granting of rights-of-way for roads and trails across National Forest System lands and interests in lands.

### Overall Recommendation

I recommend approval of the attached schedule.

## APPRAISAL

### Item 0001: Rights-of-Way General Program Administration

Program administrative records and correspondence related to rights-of-way acquisition program. Records also include unconsummated (discontinued/dropped) cases that were not conveyed. Rights-of-way permanent easement case files remain scheduled by N1-95-10-10, item 49 and Rights-of-Way term easements and permits remain scheduled by N1-95-10-10, item 51.

**Proposed Disposition:** Temporary.

**Appropriateness of Proposed Disposition:** Appropriate.

### Appraisal Justification:

\*Has little or no research value.

\*Does not document significant actions of Federal officials.

\*Previously proposed as temporary. General records, Rights-of-Way, N1-095-10-10/50 and Unconsummated Case Files, N1-095-10-10/52.

**Adequacy of Proposed Retention Period(s):** Adequate from the standpoint of legal rights and accountability.

**Media Neutrality:** Approved.
