Agency or Establishment General Records Schedules (National Archives and Records Administration)

Record Group / Scheduling Group General Records Schedules

Records Schedule applies to Government-wide

Schedule Subject General Records Schedule 6.3: Information Technology Records

Internal agency concurrences will be provided No

Background Information

This schedule covers records about Federal agency Information Technology (IT) program planning, which includes designing and operating major IT management processes; acquiring and managing IT capital investments; monitoring IT program performance; and developing and maintaining an agency’s IT architecture.

This schedule does not include records of the Office of Management and Budget (OMB) documenting OMB’s oversight role relating to Government-wide information resources management and IT spending. These records are scheduled by an OMB-specific schedule.

Related records are covered elsewhere in the GRS. IT records are covered in GRS 3.1, General Technology Management, and 3.2, Information Systems Security Records.
