TO:  Mr. W. C. Sullivan

FROM: G. C. Moore

DATE: 3/4/69

SUBJECT: NATIONAL YOUTH ALLIANCE (NYA)
RACIAL MATTERS - WHITE HATE GROUPS

This is to advise of allegations made that captioned group, a newly formed anticomunist organization, will use violence, if necessary, to combat disruptions on college campuses and to advise that this matter will be followed closely.

BACKGROUND:

We have received information that the NYA, whose headquarters are in Washington, D.C., was recently formed by youthful conservatives as an aftermath of the George Wallace Presidential campaign and looking toward the backing of a conservative candidate in 1972. At a recent meeting of this group in New York, the aims and purposes were stated as "the opposing of the use of drugs on college campuses; the neutralization of black power; the preserving of western civilization and the expulsion of communists from college campuses."

In view of the possibility that violence could take place as a result of the activities of this organization, instructions are being furnished pertinent offices to discretely follow the activities of the group until this matter is resolved. Based on available information, Bureau indices fail to disclose that any of the national officers are members of known white hate groups. Information developed is being furnished pertinent military agencies, Secret Service, the Civil Rights Division, Criminal Division and Internal Security Division of the Department.

ACTION:

None. For information.
In view of the above, the activities of this organization will be followed until such time as a determination is made as to whether it fits the criteria for investigation of white hate groups. WFO should assume origin in this matter and follow the activities on a discreet basis. Any inquiry in this matter should be of established sources only. All information developed should be furnished in form suitable for dissemination, including a determination as to whether this group fits the criteria set forth in Section 122A of the Manual of Instructions as it pertains to the investigation of Klan and white hate groups.

NOTE: We have received information that captioned group, a recently formed militant anticomunist right wing organization, allegedly intends to use violence to combat Students for a Democratic Society. We are calling for a discreet inquiry and determination as to whether the group warrants investigation as a white hate group.

Dear Sirs:

I would appreciate it very much if you would give me some information concerning an organization called The National Youth Alliance. The address given for this organization is 130 Third Street, S.E. Washington, D.C.

Some of the young people here have expressed an interest in this movement and would like to know if it is on your list of subversive organizations. To my knowledge it is an organization which has been recently created.

I would appreciate it if you would forward the above information to me.

Dear Sirs;

I was once the [redacted]. I joined the organization early in the month of February. We at Bowling Green decided we wanted to build a truly active Conservative organization. But last week I resigned, when both the NYA chairman told me Nazis had gained control of the group and since I read Drew Pearson's article about N.Y.A. For 3 months we here at B.G. had absolutely no knowledge of Nazis ever in the group. But now we find they had been infiltrates in the group as early as Jan 25th and by March 24th had gained control.

We see that we were dupes of a rightest conspiracy. I would like to recmind you we never knew of any Nazi gains until April 21. I am personally quite upset. We have dissolved the chapter and I have resigned. But I feel it was necessary to write you a letter explaining that we knew nothing about the neo-nazi control - I personally was looking forward to a government position or maybe even politics. But now with this fantastic plot discovered, I feel I am marked. We here of the NYA thought that our greatest enemy was Communism, but then we looked around and saw Nazism gaining control of us. At no time, though were we under the control of the national. We followed their 4 point program, but that was it. According to Drew Pearson since March 24 the NYA has been controlled by Nazis. I received no letter telling me this and in fact personally talked to both [redacted] and said absolutely nothing about Nazis gaining control or anything else.

We know now that we were made fools of. I am asking you if this will make any difference if I attempt to join government service, military or go into politics. I fell I had to write and explain
exactly what I knew and what I did. I would greatly appreciate a answer.

AU Rally

New Group Vows SDS Battle

A newly formed student group, the National Youth Alliance, yesterday pledged here in accord with university campuses against Students for a Democratic Society and black power advocates.

Louis T. Byers, who said he was a former John Birch Society coordinator, told a press conference that the group was drawing members from the ranks of the Youth for Wallace movement. He said the Youth Alliance would seek SDS members from occupied buildings and would intervene physically if black power groups sought to block class attendance.

Earlier, a short rally by the New AU, a coalition of student groups, to protest a restraining order against campus disorder attracted less than 100 listeners. However, New AU spokesman Alex Alley drew the most attention when he repeated what had been rumored for several days— the possible eviction of Jerry Rubin and fellow Yippies for a mask-in at the college quad.

And last night at American University there was a brief scuffle when supporters sought to prevent hecklers from interrupting conservative editor William F. Buckley Jr.'s speech. After student body president Luis Simmons restored order, Mr. Buckley, unsuccessful candidate for New York City mayor, argued that SDS should be confronted by other viewpoints on campus.

Meanwhile, two class boycotts at Howard University continued without signs of a letup.

The sociology and anthropology students, who occupied the department offices Monday, moved into the temporary office of department chairman O. Franklin Edwards yesterday. Graduate students in Howard's School of Social Work also maintained their strike.

Both groups are seeking more courses about poverty in the ghetto, more black professors and an equal voice in decision-making.

Re: [Redacted]

I doubt very seriously that [Redacted] has any information of substance. It is also doubtful that the above-mentioned calls represent matters within FBI jurisdiction. Nevertheless, I recall quite vividly the calls that [Redacted] made to us in the recent [Redacted] case wherein we immediately referred the matter to the Department of Justice and the Department took no action for a long time.

In the present circumstances it appears quite obvious that we want to be in a position of stating that the FBI is investigating the alleged Nazi organization [Redacted].

Considering the facts, I recommend that we have the young men in question interviewed for record purposes. During these interviews they should be questioned as to whether or not they have any information concerning possible extortion matters and any facts regarding possible subversive organizations wherein investigation would come within FBI jurisdiction. We then can go on record with a letter to the Department following the interviews.

ACTIONS:

It is suggested this memorandum be forwarded to the General Investigative Division for appropriate action.

Re: National Youth Alliance

For information concerning the National Youth Alliance, refer to Bureau letter, May 5, 1969, to Washington Field, with copy to New York Office, captioned "National Youth Alliance (NYA), Racial Matters - White Hate Groups."

The New York and Washington Field Offices should arrange immediate interviews with the above-named individuals to determine if they have any information concerning possible extortion matters or any facts regarding subversive organizations wherein investigation would be within our jurisdiction. Results of interviews should be submitted by letterhead memorandum and no investigation, other than the initial interview, should be conducted without specific instruction from the Bureau.

NOTE: This is based on memorandum Mr. DeLoach to Mr. Tolson, dated 5-1-69. Data concerning the National Youth Alliance is contained in 157-12589. This organization, headquartered in Washington, D. C., allegedly has as its aims and purposes "the opposing of the use of drugs on college campuses; the neutralization of Black Power; the preserving of Western civilization; and the expulsion of communists from college campuses." Bureau letter dated March 5, 1969, instructed activities of the National Youth Alliance be followed through established sources only.

The Liberty Lobby, mentioned in referenced memorandum, has never been investigated by the FBI, and it is self-described as "a pressure group for patriotism—the only lobby registered with Congress which is wholly dedicated to the advancement of governmental policies based on our Constitution and conservative principles." Enclosed for the Bureau, Baltimore, New York and Alexandria, are nine, two, two and two copies, respectively, of an LRM captioned, "National Youth Alliance." Information copies being furnished to Chicago, Pittsburgh, Salt Lake, Los Angeles, San Francisco, Atlanta, New Orleans and Detroit.

The interview of [redacted] set out in enclosed LRM was conducted by SAs [redacted] and [redacted]. WFO is attempting to secure copies of this publication through established sources.

A review of WFO files, with respect to Liberty Lobby and [redacted] and related matters, showed that the information relating to alleged Nazi or fascist sympathies on part of [redacted] and with respect to the book, "Imperium," is not new information and has been furnished to the Bureau previously by WFO and San Francisco (re San Francisco airtel, 5/6/63, captioned, "The Moontide Press, P.O. Box 713, Sausalito, California, Research (Crime Records)," enclosing an LRM dated 5/6/63, captioned "Imperium."

Also, it would appear that [redacted] differed with [redacted] and Liberty Lobby largely for personal reasons, rather than "philosophically."
In view of the above, it is not believed that an active investigation of the NTA should be conducted at this time. Possible embarrassment to the Bureau could occur in active investigation of this matter at this time through efforts of [redacted] or [redacted] and [redacted] by attempts to use an FBI investigation to achieve publicity. However, WFO will continue to follow activities of Liberty Lobby, [redacted] and "Statecraft," as they relate to this matter through established sources.

Local dissemination being made to Secret Service and to military intelligence agencies.
The SDS is described in the appendix.

The Friday, May 2, 1969, edition of "The Washington Post," page D-15, contained an article written by Jack Anderson and Drew Pearson entitled, "Campus Extremists Worry Nixon," which referred in part to the NYA. This article noted that John Acord, Dennis McMahon and Louis Andrews had been forced out of the NYA by Carto, and that Pat Tifer, a Wayne University student, had been elected to head NYA.

According to this article, Tifer wrote a letter to Carto stating that his election to NYA clearly showed that NYA would not accept a "Philosophy of Nazism." Also, Tifer stated that he was ordering a halt to the distribution of the book, "Imperium." This article concluded by noting that Carto had "his stooges" in NYA send Tifer a telegram declaring that Tifer had been ousted.
A source advised that on October 26-27, 1963, a
conference of members of the Communist Party, USA (CPUSA),
including national functionaries, met in Chicago, Illinois,
for the purpose of setting in motion forces for the
establishment of a new national Marxist-oriented youth
organization which would hunt for the most peaceful
transition to socialism. The delegates were told that it
would be reasonable to assume that the young socialists
attracted into this new organization would eventually pass
into the CP itself.

A second source has advised that the founding
convention for the new youth organization was held from
June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco,
California, at which time the name W.E.B. DuBois Clubs of
America (DCA) was adopted. Approximately 500 delegates from
throughout the United States attended this convention.

The second source advised in September, 1966, that
Mike Zagarell, CPUSA Youth Director, stated that in Negro
communities the Party still supported the plan to build "left"
socialist centers and to solidify the Party base through the
DCA. This source also advised in September, 1966, that
Daniel Rubin, CPUSA National Organizational Secretary, stated
the Party believes the DCA should have a working class outlook
and be a mass organization favorable to socialism, socialist
countries and Marxism, and in April, 1967, Gus Hall, CPUSA
General Secretary, indicated that the DCA primary emphasis
should be on developing mass resistance to the draft.

A third source advised in September, 1967, that
Jarvis Tyner was elected Chairman of the DCA on September 10,
1967, near the conclusion of the Third National Convention of
the DCA held in New York, New York, from September 8-10, 1967.

A fourth source advised on July 26, 1968, that Jarvis
Tyner continues in his position as Chairman of the DCA.

This fourth source also advised on July 26, 1968, that
Jarvis Tyner is a member of the National Committee of the CPUSA.

This fourth source further advised on July 26, 1968,
that the headquarters of the DCA is located at 34 West 17th
Street, New York, New York.
APPENDIX

INDIANA UNIVERSITY COMMITTEE TO END THE WAR IN VIETNAM (IUCEWV)

A source advised on June 9, 1967 that the Indiana University Committee to End the War in Vietnam (IUCEWV) was officially registered as a campus organization at Indiana University with fifteen members on March 17, 1966 by Stephen Michael Cagan, a graduate student of Indiana University. The source stated that the constitution of this Committee filed with the University stated, "We shall be represented on the National Coordinating Committee to End the War in Vietnam (IUCEWV) and shall work with any organizations or individuals sharing our goals. Excepting the National Coordinating Committee to End the War in Vietnam, we have no connection with any previously constituted political, religious, educational, or social group."

A second source advised on July 10, 1967 that Stephen Michael Cagan was the organizer and secretary of the Indiana University Chapter of the W. E. B. Du Bois Clubs of America (IU DCA), when registered at Indiana University on February 7, 1966. Cagan subsequently left his position as secretary of the IU DCA in order to organize the IU CEWV. Cagan stated that IU CEWV will be used as a "front organization" for the IUCECA for the purpose of holding demonstrations without organizational involvement of this organization. Activity continues at the present time.

The second source advised on September 20, 1967 that Cagan left IU in August, 1967 and Russell Lloyd Block was elected chairman of the IU CEWV on September 19, 1967. Block was assisted by Mark Eldon Ritchey as a full-time worker for the IU CEWV.

The second source advised on July 24, 1968 that Block and Ritchey had become interested in the Young Socialist Alliance (YSA) and the Socialist Workers Party (SWP). Block and Ritchey swung the influence of the IU CEWV from the W. E. B. Du Bois Clubs of America and the Communist Party, USA, over to the Trotskyite influence of the YSA and the SWP in the second semester of the 1967-68 academic year at IU. Even though new officers were elected on February 6, 1968, Block and Ritchey still run the IU CEWV from "behind the scenes."

INDIANA UNIVERSITY CHAPTER W. E. B.
DU BOIS CLUBS OF AMERICA (IU-DCA)

A source advised on April 11, 1966 that the Indiana
University Chapter, W. E. B. Du Bois Clubs of American (IU-DCA),
was officially registered at Indiana University on February 7,
1966 with fifteen members.

Source advised that Gaylord King, Chairman, on
February 1, 1966, made application for registration, at which
time he made available an official written statement to the
Director of Student Activities, Indiana University, as follows:

"The Indiana University Chapter is a full chapter affiliate
of the national organization — the W. E. B. Du Bois Clubs of
America. We can initiate our own action or decide not to
carry out a particular action project of the national, but are
bound by national policy. Statements of the National Executive
Committee are also statements of policy for us."

The above source further advised that although
Gaylord King, Chairman, applied for University recognition
of the IU-DCA, Stephen Cagan was actually the organizer and
secretary of this group. Cagan subsequently resigned this
position from the IU-DCA in order to organize the Indiana
University Committee to End the War in Vietnam.

A second source advised on May 3, 1966 that the
IU-DCA sponsored the appearance at Indiana University on March
10, 1963, of Hugo Sterling Fowler, National Chairman of the
W. E. B. Du Bois Clubs of America. In addition, this group
sponsored the appearance of Herbert Aptheker, Leading CP
functionary and CP theorician, at Indiana University on

This second source advised on February 20, 1968
that the IU-DCA had no significant organizational activity
at Indiana University and became defunct at Indiana University
on February 11, 1963.

A third source advised on April 23, 1968 that the
IU-DCA became defunct at Indiana University on February 11,
1963 and the former leaders of the IU-DCA joined the Communist
Party, USA and formed a CP Club at Indiana University on
April 23, 1963.
APPENDIX

A third source advised on December 12, 1967 that Ritchey and Block both said that they would actively support the campaign of the SWP during the 1968 Presidential campaign. This source further advised on March 13, 1968 that Russell Lloyd Block joined the YSA as a member-at-large at IU.

STUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam, and to "radically transform" the university community, and provide for its complete control by students. Gus Hall, General Secretary, Communist Party, USA, when interviewed by a representative of United Press International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us." At the June, 1965, SDS National Convention, an anticommunist proviso was removed from the SDS constitution. In the October 7, 1966, issue of "New Left Notes," the official publication of SDS, an SDS spokesman stated that there are some communists in SDS and they are welcome. The national headquarters of this organization as of July 24, 1968, was located in Room 206, 1608 West Madison Street, Chicago, Illinois.

For the information of offices not receiving all communications in this matter, the following is noted.

At that time, LHC and New York were instructed to follow the activities of this group on a discreet basis in an effort to determine whether violence was being planned. Inquiries were to be limited to established sources.

Since February, there has been no information indicating that the group has precipitated violence on college campuses. The organization has been the subject of considerable publicity.

All offices receiving this communication should remain alert for any information indicating that the NYA is in fact a neo-Nazi group which would qualify for investigation.

Information concerning this group should be from public and established sources only and no active investigation conducted without specific Bureau authority. Any information received concerning Nazi-type activities or information indicating student agitation should be furnished the Bureau and WFO in form suitable for dissemination.

NOTE:

The NYA is the successor organization to the "Youth for Wallace" (YFW), a group of students active during the presidential campaign of George Wallace. Membership has been estimated at anywhere from 1,000 to 10,000. This matter was originally looked into in view of allegations that this right-wing group intended to motivate violence on campuses. No active investigation was conducted and no incidents of violence or reaction to violence by leftists noted.

We have never received information that he is a believer in Nazi dogma. He has been extremely active in right-wing causes for many years and has been attacked by him many times. It is not felt that active investigation should be conducted at this time in view of the lack of corroborating information that the NYA is in fact a violence-prone neo-Nazi group. We are, therefore, instructing offices possessing chapters within their territories to remain alert for any information indicating such activities, but to conduct no investigation concerning the group without prior Bureau authority. These instructions are a continuation of previously issued instructions.

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADDOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADDOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 23, 1966, that JAMES H. MADDOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.
NATIONAL RENAISSANCE PARTY

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

The Student Right: Racist, Martial, Insular

By Paul W. Valentine
Washington Post Staff Writer

Behind the perpetually locked door of a Connecticut Avenue office sits a large affable man who is organizing to meet campus violence with counter-violence.

His offensive is rooted in a complex philosophy, promulgated by a number of contemporary rightist authors, that "Western civilization is imperiled and must be preserved from alien influence. That means mostly Jews, Negroes and other non-northern European minorities.

"On the campus, there's too much education and not enough action," summarizes Louis T. Byers, 37, energetic organizer of the 2,000-strong National Youth Alliance, a post-election holdover of the Youth for Wallace movement.

Byers' plan: to mobilize cadres of rightist students to crush radical left actions such as the seizure of buildings. This will be done first by applying pressure on college administrations, alumni and pressure groups to stop the action. If that fails, the cadres will physically intervene themselves.

The cadres will be trained in the "martial arts," he says, meaning karate, judo, wrestling and boxing.

"We intend to be a permanent force on the American scene," Byers said in an interview. He envisions not only a continuous NYA surveillance of campus life but also a network of public relations programs, electioneering and "white studies" curriculums at major universities.

Courses in white studies will include, he says, genetics, eugenics, ethnology, biology and anthropology.

"The purpose of these will be to demonstrate the nature of mankind," he says.

FRANCIS PARKER YOCCY
"cultural imperative"

"The equality myth will be exploded forever."

Byers' inspiration: the 619-page book "Imperium," by Francis Parker Yockey, a philosophical treatise excoriating the virtues of Western civilization, particularly as manifested in northern Europe. It defines Jews, Negroes, Indians and other assorted minorities as "parasites and "distorters" in the Western body and calls for fulfillment of the West's "cultural imperative" to remain pure, separate and dominant.

"Imperium is a great book," says Byers. "I read it once a year."

The philosophy of the hard right appears different from that of the conventional conservative right in three fundamental ways:

* It is overtly and unashamedly racist.
* It believes in centralized authoritarism, not laissez faire.
* It disapproves of involvement in foreign wars or territorial expansion, especially when they result in racial or ethnic admixtures between the conquerers and the vanquished.

**Adult Advisers**

Byers also handpicked a five-member adult advisory board to lend YMCA stature. Byers calls the members “hard-core patriots.”

The anti-defamation League of B'nai B'rith and Group Research, Inc., both of which maintain files on right wing personalities, describe them as strongly racist, anti-Semitic or both. The five are:

- Reuvi P. Oliver, 59, Urbana, Ill., professor of classical languages, University of Illinois, former John Birch Society figure and associate editor of the society’s magazine, American Opinion.
- Richard B. Cotten, 50, Bakersfield, Cal., broadcaster and editor-publisher; his radio commentary and monthly publication are called “Conservative Viewpoint.”
- John G. Croommelin, 58, Watumpoka, Ala., retired Navy rear admiral, who was an unsuccessful candidate for U.S. President in 1960 under the National States Rights Party and unsuccessful Democratic candidate for U.S. Senate in 1962.
- Pedro A. Del Valle, 75, Annapolis, retired, Marine lieutenant general.

**Rapport**

Byers said he deliberately sought “professors and military men” as advisers to the YMCA movement. He is a personal disciple of Oliver and studied under him for several years.

In selecting the five, Byers said he was concerned about “smear attacks” on them.

“Yeah, I know, people say they’re anti-Semitic,” he commented. “Well, the kids on the campus aren’t going to be better off if we’re not. I wouldn’t say they’re anti-Semitic — maybe anti-Zionist. There’s a difference, you know... I don’t care if some of them are anti-Zionist.”

He defined anti-Zionism as a movement against creation of an “artificial Jewish state to be used as a geopolitical pawn in the international control of the free world.”

The five adult advisers have frequently gone on record in a number of racial and political issues.

Croommelin, the most strident of the group, repeatedly named the “Communist-Jewish conspiracy” as the cause of racial integration and the source of U.S. governmental control during his campaign for the Senate in 1962.

Del Valle, a career Marine, wrote the book “Roman Eagles Over Ethiopia,” praising the “aggressive leadership of the Fascist dictator” in the Italian invasion of that country in the 1930s. Cotten and App are contributing editors of American Mercury. Croommelin has been a stockholder and Del Valle is currently an officer of the Christian Educational Association that publishes the overtly anti-Semitic, 40,000-circulation news sheet, “Common Sense,” in Union, N.J.,

RACIAL MATTERS - WHITE HATE GROUPS

The National Youth Alliance (NYA) is a right-wing organization headquartered in Washington, D.C., and run at this time by Willis Carto, the leader of "Liberty Lobby." "Liberty Lobby" has never been investigated by the FBI and is self-described as "a pressure group of patriotism and the only lobby registered with Congress which is wholly dedicated to the advancement of governmental policies based on our Constitution and conservative principles." The NYA has as its aims and purposes, "the opposing of the use of drugs on college campuses; the neutralization of black power; the preserving of western civilization; and the expulsion of communists from college campuses.

The NYA has been involved in an internal fight over leadership. Carto has apparently won this fight and is the new leader. Several former leaders have made claims of Nazi-type activity by Carto and this group. These claims received extensive publicity. The activities of the NYA are being followed through established sources only.

BLACK PANTHER PARTY (BPP)

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by DOBBY GEORGE SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland Police Officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education GEORGE MASON MURRAY, which ends with the following:

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-Tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."
The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

"MINUTEMEN"

The "Minutemen" was organized in June, 1960. Its present headquarters are Norborne, Missouri. Robert B. DePugh, Norborne, Missouri, has been publicly identified as the founder and National Coordinator of the organization since its inception. Membership of the "Minutemen" is claimed by DePugh to be in excess of 35,000 members; however, confidential sources state this figure is greatly exaggerated and that a more true estimate would be between 500 and 1,000 members. Statements by DePugh and literature distributed by the organization indicate its purpose to be the resistance to, and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; to resist passage of laws which would regulate private ownership of firearms.

In April, 1966, DePugh stated the "Minutemen" organization was then dividing itself into two bodies: one group to be members who have been able to maintain their identity in complete secrecy from the public and government investigative agencies, and the other group to be made up of members who have been publicly identified and who will become active in the "Patriotic Party. National Conventions of the Patriotic Party were held in July, 1966, at Kansas City, Missouri, and July, 1967, at Kansas City, Kansas.

Members of the "Minutemen" organization, including Robert B. DePugh and his close associate, Walter P. Peyson, have been arrested in the past on charges of violation of the Federal Firearms Act, Bank Robbery - Conspiracy, Illegal Possession of Firearms and Conspiracy to Commit Arson. They have also engaged in maneuvers utilizing guerrilla tactics wherein machine guns, mortars, grenades, and other firearms were employed.

STUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam, and to "radically transform" the university community, and provide for its complete control by students. GUS HALL, General Secretary, Communist Party, USA, when interviewed by a representative of United Press International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us." At the June, 1965, SDS National Convention, an anti-communist proviso was removed from the SDS constitution. In the October 7, 1966, issue of "New Left Notes", the official publication of SDS, an SDS spokesman stated that there are some communists in SDS and they are welcome. The national headquarters of this organization as of July 24, 1968, was located in Room 206, 1608 West Madison Street, Chicago, Illinois.

NATIONAL YOUTH ALLIANCE

The June 25, 1969, edition of the Washington Daily News on page 12, contained an article entitled, "Local Group is Organizing to Fight College Militants". The article concerns an interview with Louis T. Byers who is described as organizing a "vigilante backlash movement on the nation's campuses."

A copy of this article is attached.
Local Group Is Organizing to Fight College Militants

By TOM TIEDE
NEA Staff Correspondent

If any students try to take over a college building next year, it'll be the last building they'll ever take over.

Or so, in essence, says Louis T. Byers, a "fed-up American" who is organizing a vigilante backlash movement on the nation's campuses.

Mr. Byers is a disciple of "law and order," a defender of what he views "the American way," and asserts he has dedicated himself to "ridding our schools of pinkos, Marxists and black and white gangsters."

"If it comes to it, we will meet violence with violence. We don't intend to be pushed around any more by Bolshevik conspiracy. We aren't opposed to physical force. And we are preparing to win any fight we enter."

NYA

By "we" he means the members of National Youth Alliance, a new organization headquartered here in the capital. The Alliance, formed from the youthful residue of the George Wallace for President campaign, is aggressively conservative in staff and structure.

Right now, Mr. Byers says, the NYA has less than 2,500 members, mostly loosely assembled. But he adds that "as word of our purpose gets out, we should grow by many thousands" until, by next school year, he expects to have affiliated cells of support in every college community.

These cells, he explains, will be made up of "dedicated young people, supervised on a national level, who will be able to handle any leftist Marxist-anarchist activity which takes place in their areas."

Mr. Byers emphasizes "any" activity:

"Let's say the following happens — some communist SDS members (Students for a Democratic Society) take over a student union building somewhere. Well, then, right away our people will meet to react."

"At first we will do everything possible, peaceably, to get the revenues evicted. We will apply pressure on the administration, the local community, and the police — to try to get a general uprising."

"But if nothing happens this way, then we'll have to resort to final means. We'll organize enough people and enough force to physically enter the building — and toss the militants out ourselves."

Ironically, the "business of education" is not a subject which Louis Byers is overly familiar with. He's 37, for one thing, well past the age of student ties. Moreover, he says he has never been formally schooled in his life. He's the product of a split home, was never enrolled in any classroom and therefore refers to himself as "self-educated."
A review of referenced communications disclosed that Louis T. Byers, a leader of captioned organization, made various statements concerning the aims and purposes of the National Youth Alliance (NYA). Byers stated that the group will meet "violence with violence" on the college campuses, and "we are not opposed to physical force." Byers added that if necessary the NYA will "resort to legal means" to combat the Students for a Democratic Society.

In view of the above, WFO should review its files concerning the NYA and make recommendation to the bureau as to whether this organization should be investigated under Section 122A of Manual of Instructions as it pertains to the investigation of Klan and white hate groups.

NOTE:

We have been following the activities of captioned organization for some time only through public source material. One of the leaders has made above statements. Office of origin is being instructed to review this matter and recommend as to whether investigation is warranted under Section 122A of Manual of Instructions.

PROGRESSIVE LABOR PARTY (PLP)

The "New York Times" city edition Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP, which had been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962, by Milton Rosen and Mortimer Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City May 31 to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's overall revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention Milton Rosen was unanimously re-elected National Chairman of the PLP and Levi Laub, Fred Jerome, Jared Israel, William Epton, Jacob Rosen, Jeffrey Gordon and Walter Linder were elected as the National Committee to lead the PLP until the next convention.

The August, 1968, issue of "Challenge-Desafio" sets forth that "above all, this paper is dedicated to the fight for a new way of life - where the working men and women own and control their homes, factories, the police, courts, and the entire Government on every level."

The source advised on June 3, 1968, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York, New York.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. From an initial ideological posture of "participatory democracy," the current line of the national leadership reveals an adherence to Marxism-Leninism. Michael Klonsky, National Secretary, in March, 1969, called for the building of a revolutionary Marxist-Leninist movement. The program of SDS has moved from involvement in civil rights struggles to an anti-Vietnam war position and finally to its present advocacy of an anti-imperialist line, linking up the oppressed peoples of Asia, Africa and Latin America with the black liberation movement in the United States. China, Vietnam and Cuba are regarded as countries which are leading the world-wide struggles against United States imperialism. On the other hand, SDS regards the Soviet Union as an imperialist power and does not support the policies of that country.

SDS maintains a National Office in Room 206, 1608 West Madison Street, Chicago, Illinois. Its official paper "New Left Notes" reflects the line of the national leadership and program adopted at meetings of the National Council and National Interim Committee (NIC). Three national officers and a NIC of eleven members are elected each year during a June National Convention.

SDS Regional Offices and university and college chapters elect delegates to National Council meetings wherein program and ideology are debated, but each Region and chapter is autonomous in nature and is free to carry out independent policy and programs reflective of local conditions.

Enclosed for the Bureau, Alexandria, Richmond, New York, Los Angeles, Boston and Detroit are 9, 4, 1, 1, 1, 1, and 1 copies respectively of an LEM concerning subject. Informational copies being furnished to interested offices in view of possible future contacts with the principals in this matter.

AUSA SCHUSTER was contacted by SAS. It is to be noted that AUSA observed to SAS that he gained the impression from his contact with [redacted] and [redacted] that uppermost in their consideration in this matter was a "political angle" with respect to [redacted] and Liberty Lobby. AUSA further noted that he was aware of the background with respect to the "in-fighting" between [redacted] Liberty Lobby and [redacted] and [redacted] and with respect to their respective relationships with [redacted] and [redacted]. AUSA stated that he had suggested and [redacted] contact the Alexandria office in this matter as he could determine no prosecutive grounds in this matter at this time and that if such grounds could be established stronger jurisdiction appeared to him to fall in Virginia. Alexandria is therefore being designated office of origin with respect to possible extortion by [redacted] and [redacted].

It is further to be noted that info furnished by Alexandria regarding calls made to [redacted] et al has previously been furnished by New York Office, Los Angeles, Detroit and WFO. WFO files indicate Richmond may have additional info re [redacted].

WFO indices also showed that [redacted] who was contacted...
For the further information of the Bureau and Alexandria, on 7/2/69, WFO determined that the June, 1969, Volume Number Two of the National Youth Alliance News, noted in part that, "DANIEL 'DAN BURROS' PAULSON has been removed from membership in the National Youth Alliance for extreme Nazi and anti-Semitic activities." This publication also accused PAULSON and CARTO of "Working with black militants" in an attempt to agitate blacks against Jewish shopkeepers. It would appear that the above publication is being published by the anti-faction within the NYA. An LHM concerning this publication will be furnished under the NYA caption.

Also for information of Alexandria, WFO determined that during May, 1968, one was possibly associated with during a counter demonstration on the campus of the University of Maryland.

Mr. Schuster advised that he was aware of recent news media articles concerning [redacted] and Liberty Lobby. He stated that as a result of the news media information, he was aware of the apparent internal struggle for control of the National Youth Alliance involving the above parties.

Mr. Schuster stated that [redacted] and [redacted] had recently come to his office to complain and had given him the same facts. He further stated that he would decline prosecution in this case due to lack of prosecutive merit and the part that the threats received were vague and ambiguous.

On 7/2/69 DENNIS C. MC MAHON, JOHN ACORD, LOUIS BYERS, MIKE RUSSELL, BERTRAM ZWEIBON and DAVID KAPLAN (PH) appeared on the Barry Farber Discussion Show, WOR radio, New York, New York.

MC MAHON and ACORD identified themselves as former officials of the National Youth Alliance (NYA). BYERS and RUSSELL identified themselves as the National Organizer and the Field Director of the NYA respectively. ZWEIBON identified himself as General Counsel of the Jewish Defense League (JDL) while KAPLAN stated he was a volunteer attorney for the JDL.

BYERS stated his only purpose for appearing on the show was to let the audience know where to buy "Imperium" which was described by FARBER as the alleged later day "Mein Kampf". BYERS denied "Imperium" is neo-Nazi or a later day "Mein Kampf". He described it as a philosophical treatise.

MC MAHON stated he and ACORD were appearing on the show to discuss a movement they feel is neo-Nazi, "which has attacked us, threatened our lives and is exceedingly dangerous to the American democratic system."

MC MAHON and ACORD stated they resigned from the NYA when they saw the neo-Nazi takeover by WILLIS CARTO of Liberty Lobby and the Francis Parker Yockey (FPY) movement.

MC MAHON alleged that the takeover of the NYA by the neo-Nazi FPY movement occurred at a NYA meeting which took place at a Monroeville, Pennsylvania, motel, during January 1969.

MIKE RUSSELL of Buffalo, N.Y. stated that he delivered a speech at the motel before the Francis Parker Yockey Society (FPYS) which RUSSELL described as a philosophical organization which RUSSELL denied is neo-Nazi.

RUSSELL stated his speech entitled, "Plato A Reappraisal" as a comparison of five philosophers. RUSSELL stated the only Nazis in the audience were MC MAHON and ACORD.

MC MAHON after having been accused by RUSSELL of buying Nazi relics from a Buffalo, N.Y. dealer at the meeting admitted he purchased a swastika armband, a Nazi party pin and a record album of German war songs.

To further assert that MC MAHON is a neo-Nazi, BYERS stated that he had copies of letters which MC MAHON had sent which prove MC MAHON is a neo-Nazi. One letter was sent to DOUG CLEE on 4/18/68 which reflected in part "... Burn after reading," "... The Jews are really after me," "... this letter could ruin me politically." The letter reflected it was from "Storm Troop Battalion #1."

A second letter sent to "Statecraft" during 2/69 was signed "Revolutionary Storm Trooper."

MC MAHON admitted that he had written the letters but explained his actions by stating that he also made phone calls and speeches because he had "infiltrated the movement to expose it as neo-Nazi". BYERS replied MC MAHON was a traitor to the movement.
NY 157-3447

BEYERS stated that although ACORD claimed that he is now opposed to "Imperium" he indicated on his NYA application form which was in ACORD'S handwriting that his beliefs were summarized in "Imperium."

BEYERS stated that a tape of a telephone conversation between ACORD and an unidentified individual which was made after the exposure of the NYA by DREW PEARSON, ACORD stated the following concerning "Imperium":

"Regardless of whether or not you agree with it, it is a damn interesting book. Something you should read and study very closely. Well written. Philosophically sound. Whether you agree with it or not it definitely holds together. Now don't quote me on this please. I've been running around condemning the damn thing. Right now I'm condemning CARTO."

ACORD acknowledged that he did at one time endorse "Imperium" but stated "he regards it as a great personal mistake."

BEYERS was questioned about a NYA lapel pin he was wearing and stated the symbol on the pin was a mathematical sign meaning "does not equal." BEYERS stated he does not believe in equality "as equality in nature does not exist under the sun."

KAPLAN asked BEYERS if he believed people should have equal opportunity in the economic and political field. BEYERS replied, "We oppose the superimposition of standards which provide certain sacrosanct minority groups with special considerations. We think this is prejudicial."

BEYERS stated that he is opposed to any sort of totalitarianism whether from the left or right. He stated, "We are against Democracy. Democracy is the worst system known to man. A Republican form of government is much superior to "mobocracy."
BEYERS stated that although ACORD resigned from the NYA on 3/24/69 as late as 6/69 he was sending out a "pitch" letter which BEYERS stated he turned over to postal authorities for possible prosecution of ACORD for mail fraud. He also stated that Internal Revenue Agents had interviewed him about ACORD'S affairs.

BEYERS stated that although ACORD had received thousands of dollars through his American Southern Africa Council he only turned over $150 to appropriate Rhodesian officials. ACORD did not refute this allegation but stated certain procedures had been implemented to correct any false implication previously portrayed by the appeals he presented on behalf of Rhodesia.

At one point BEYERS referred to ACORD as a "profiteer" and MC MAHON as a "psychopathic liar."

BEYERS admitted that he does possess firearms and ammunition but stated it is because he is a member of the National Rifle Association (NRA), a sportsman and member of shooting clubs in the Pittsburgh area.

BEYERS and RUSSELL both denied they were Nazis.

Neither the objectives nor future activities of the NYA or the FFP movement were discussed during the program. The primary emphasis by MC MAHON and ACORD appeared to be to discredit WILLIS CARTO, of the Liberty Lobby, and any organization with which he is associated.

BEYERS and RUSSELL attempted to defend CARTO, and prove MC MAHON and ACORD are neo-Nazi.

ZWEIBON and KAPLAN stated their purpose was to determine who the real Nazis are.

The NYO will continue to follow the activities of the NYA through established sources.

NOTE:

The National Youth Alliance is a campus organization. There have been allegations that this group is Nazi-oriented and has degenerated into a white hate group. We are following this matter through possible source information pending a determination as to whether it is in fact a white hate group. New York has furnished information in letter form which bears on this question and should be disseminated. We are calling for letterhead memoranda.

COUNTERVIOLENCE

Rightist Claims Cure for College Violence

BY PAUL W. VALENTINE

Washington — Behind the perpetually locked, door of a downtown office sits a large affable man, who is getting ready to meet campus violence with counterviolence.

His offensive is rooted in a complex philosophy, influenced by a number of contemporary rightist authors, that "Western Civilization" is imperiled and must be preserved from alien influence. That means mostly Jews, Negroes and other non-Northern European minorities.

"On the campus, there's too much education and not enough action," summarized Louis T. Byers, energetic organizer of the 2,000-strong National Youth Alliance, a post-election holdover of the Youth for Wallace movement.

Byers' plan: to mobilize cadres of rightist students to crush radical left action such as the seizure of buildings. This will be done first by applying pressure on college administrations, alumni and police to stop the action. If that fails, the cadres will intervene physically themselves.

"Imperium" is a great book," says Byers. "I read it once a year.

The philosophy of the hard right appears different from that of the conventional conservative right in three fundamental ways:

It is overtly and unashamedly racist.

— It believes in centralized authoritarian economics, not laissez-faire.

— It disapproves of involvement in foreign wars or territorial expansion, especially when they result in racial or ethnic admixtures between the conquerors and the vanquished.

The Nerve Center

Byers' office is intended to become not only the nerve center for organizing and expanding NYA, but also a disseminating point for a large stock of Yockeyist "Western culture" literature.

He has ordered 25,000 paperback copies of "Imperium" from Noontide Press in Torrance, Calif., and hopes to offer others

books by anthropologists, economists and philosophers with sympathetic views.

He says he is now recruiting new NYA members through a 15,000-person mailing list of former Youth for Wallace campaigners. Annual dues range from $3 to $10.

Members wear an "inequality" button displaying the mathematical symbol of "unequal."
"No Angels"

"We have no angels, no big money supporting us," he says. "We consider $20 a big donation."

Byers, a fast-talking, articulate Philadelphia lawyer, acquired the Youth for Wallace mailing lists and funds through his work in the campaign for George C. Wallace in Pennsylvania last fall.

"I was an adviser to Dale Mifflin (Wallace's Goldwater campaign)," he says, "and worked with the Youth for Wallace group in Pennsylvania." Byers explains.

Immediately after the November elections, he says, "the Youth for Wallace people came to Washington, and we set up the National Young Alliance."

"We wanted a continuum in the leadership and the financing," he says.

4-Point Program

At the first organizational meeting, NYA's four-point program was established: to oppose dangerous drugs and "run those who push them off the campus, physically if necessary," to neutralize and overcome Black Power, to "stamp out anarchist groups on campus by forcible expulsion" when necessary, and to "bring peace to America by resisting any attempt to involve us in foreign wars."

An article in the current issue of the American Mercury by Dennis C. App, a former student, listed as NYA vice president, is more explicit:

... Destruction and annihilation of the campus Red front has been sorely needed for many years. The NYA will meet violence with violence... Snarls, guns, and the tube will be our answer to the pot puller... The left will be forced to cover in the earth where he may hear the marching feet of the NYA above.

American Mercury is now a quarterly magazine published by Noontide Press, specializing in Yockeyist writings and anti-Semitism.

The 5 'Patriots'

The Anti-Defamation League of B'nai B'rith and the Concerned Group Research, Inc., both of which maintain files on right-wing personalities, describe them as simply anti-Semitic or worse.

- Rev. P. Oliver, 30, a former deputy sheriff in Illinois, former head of the Illinois Anti-Defamation League, and associate editor of the Chicago Defender,

- Richard B. Cotten, 30, a broadcaster and editor-publisher of the radio commentary "The Right Viewpoint," a monthly publication called "Conservative Viewpoint."

- John G. Crommelin, 35, a retired Navy rear admiral, who was an unsuccessful candidate for U.S. Senate in 1960 on the National States' Rights Party ticket and unsuccessful Democratic candidate for U.S. Senate in 1962.

- Pedro A. Del Valle, 35, a retired Marine lieutenant general, who was an unsuccessful candidate for Maryland governor in 1954 who is a professor at LaSalle College, Philadelphia, and was a former anti-Semitic, Jew who has helped to sponsor an anti-Semitic publication called "Conservative Viewpoint."

BYERS HIMSELF WAS A

coordination for the society in western Pennsylvania, New York and West Virginia until NYA was formed last November. He came to Washington where he has friends among Willis A. C Story, founder of the ultra-right wing Liberty Lobby and author of the introduction to Yockey's Imperium.

"I'm a personal friend of Willis Caro and we are distributing books from Noontide Press in which Caro has a financial interest," Byers says.

Esoteric Intellectual

Imperium, the primer of the NYA, contains a combination of esoteric intellectualism and crystal clear denunciations of the "distorting" influences in Western Civilization. Despite their "economic utility," says Yockey, Negro slaves in America were a "large, prolific and totally alien parasitic body."

"Anti-Semitism," he says, "is precisely analogous in culture pathology to the formation of antibodies in the bloodstream in human pathology. In both cases, the organism is resisting the alien life."

The American population, he concludes, consists of a "majority that is indisputably American—racially, spiritually, nationally. The other half consists of Negroes, Jews, unassimilated southeastern Europeans, Mexicans, Chinese, Japanese, Siamese, Levantines, Slavs and Indians."

Yockey, an American lawyer, wrote Imperium in Ireland in 1963 after becoming disgruntled with his assignment at the Nuremberg war trials. He died in a San Francisco jail cell in 1969 shortly after he was arrested on a passport violation.

On the morning of 8/15/69, MIKE RUSSELL, representing the National Youth Alliance (NYA), and MARTY SOLITORIN, representing Students for a Democratic Society (SDS), appeared on WJZ-TV on a discussion and answer program "CONTACT," moderated by ARNOLD ZENKER (phonetic).

During the program, RUSSELL described the aims of NYA as opposition to dangerous drugs, opposition to SDS and militants on the campuses, opposition to Black Power and black militants, opposition to foreign wars; that is, no-win foreign wars.

RUSSELL made statements that the NYA is not a racist organization and has no connection with any other groups. He stated that members must sign a loyalty oath to the constitutional republic of the United States which would preclude any Neo-Nazis from joining. He referred to NYA as being isolationist in connection with the question of involvement in foreign wars.

RUSSELL stated with regard to combating SDS, that the NYA will, during the coming school semester, circulate petitions on campuses throughout the country and will demand of the administrations that SDS be banned from the campuses.

In reference to WILLIS CARTO, whom he described as a fine patriotic American, RUSSELL said that CARTO has

had no connection with the NYA since he originally set up the Youth for Wallace Organization. RUSSELL referred to LOUIS T. BYERS as a National Organizer for the NYA.

RUSSELL made reference to the book "Imperium" by FRANCIS PARKER YOCKEY, which could be purchased for $2.50 by writing to "National Youth Alliance, 813 DuPont Circle Building, Washington, D.C. 20036." RUSSELL stated that he is a married man with three children and is on leave of absence from both his job and school to organize for the NYA. He said he had been an elector for WALLACE in the State of New York and that he has no political motives in connection with his present work.

MARTY SOLITRIN, in attempting to counter statements of RUSSELL, made reference on several occasions to conditions in Philadelphia which would indicate that he could be from that area.

RUSSELL dominated the discussion part of the program and the questions by listeners were all directed to him.

Zweibon identified himself as General Counsel of the Jewish Defense League (JDL) while Kaplan stated he was a volunteer attorney for the JDL.

Byers stated his only purpose for appearing on the show was to let the audience know where to buy "Imperium" which was described by Farber as the alleged later day "Mein Kampf". Byers denied "Imperium" is neo-Nazi or a later day "Mein Kampf". He described it as a philosophical treatise.

McMahon stated he and Acord were appearing on the show to discuss a movement they feel is neo-Nazi, "which has attacked us, threatened our lives and is exceedingly dangerous to the American democratic system."

McMahon and Acord stated they resigned from the NYA when they saw the neo-Nazi takeover by Willis Carto of Liberty Lobby and the Francis Parker Yockey (FPY) movement.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDF), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. From an initial ideological posture of "participatory democracy," the current line of the national leadership reveals an adherence to Marxism-Leninism. Michael Klonsky, National Secretary, in March, 1969, called for the building of a revolutionary Marxist-Leninist movement. The program of SDS has moved from involvement in civil rights struggles to an anti-Vietnam war position and finally to its present advocacy of an anti-imperialist line, linking up the oppressed peoples of Asia, Africa and Latin America with the black liberation movement in the United States. China, Vietnam and Cuba are regarded as countries which are leading the worldwide struggles against United States imperialism. On the other hand, SDS regards the Soviet Union as an imperialist power and does not support the policies of that country.

SDS maintains a National Office in Room 206, 1608 West Madison Street, Chicago, Illinois. Its official paper "New Left Notes" reflects the line of the national leadership and program adopted at meetings of the National Council and National Interim Committee (NIC). Three national officers and a NIC of eleven members are elected each year during a June National Convention.

SDS Regional Offices and university and college chapters elect delegates to National Council meetings wherein program and ideology are debated, but each Region and chapter is autonomous in nature and is free to carry out independent policy and programs reflective of local conditions.

Information copies of this communication are being furnished to NY, LA, AX, CQ, DE, AT, BA, NO, PH, SU, PG, and SF.
From information determined by NYO and WFO, it would not appear that [Redacted] and [Redacted] are without the taint of racism and Nazism. During July, 1969, ACORD and MCMAHON appeared on the Barry Farber Show, WOR, NYC, whereon MCMAHON admitted buying, early in 1969, Nazi relics, swastica armband, Nazi party pins, and record albums of German War songs. MCMAHON also admitted writing certain letters which he signed in a manner connoting either neo-nazism or a high degree of emotional immaturity.

ACORD on the above show practically endorsed the book Imperium, so-called bible of the NYA, and alleged treatise on Nazism or Fascism, but requested not to be quoted in this respect, "...right now, I'm condemning CARTO."
With respect to guidelines set out in MI. Section 122, it can be said that the NYA has not at this time actually or allegedly committed acts of violence to deny others their rights under the constitution. It is not apparent at this time that the NYA has adopted a policy or has allegedly adopted a policy of advocating, condoning or inciting the use of force or violence to deny others their rights.

From the above, it would appear that questions of physical violence, racism or Nazism could better be related to investigation of particular individuals involved or under NSWPP caption rather than risk possible embarrassment to the Bureau by conducting an active investigation of the NYA at this time.

Further, investigation of the National Socialist White Peoples Party, aka The American Nazi Party, and information determined from sources familiar with the NSWPP and other White Hate groups in the WDC area has indicated no information that the NSWPP is even aware of the existence of the NYA.
Current copies of the book are published by the
Noontide Press, Sausalito, California, and is available
through the NYA office in WDC and through Liberty Lobby.

Re: NATIONAL YOUTH ALLIANCE (NYA)

Characterization of the Students for a Democratic Society is contained in the appendix of this memorandum.
Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, July 18-20, 1960. From an initial ideological posture of "incomplete democracy," the current line of the national leader reveals an adherence to Marxism-Leninism. Michael Gormley, National Secretary, in March, 1969, called for the building of a revolutionary Marxist-Leninist movement. The program of SDS has moved from involvement in civil rights struggles to an anti-Vietnam war position and finally to its current advocacy of an anti-imperialist line, linking up the civil rights and liberation movements in the United States, China, Vietnam, and Cuba are regarded as countries which are leading the people in struggles against United States imperialism. On the other hand, SDS regards the Soviet Union as an imperialist power that does not support the policies of that country.

SDS maintains a National Office in Room 206, 512 West Madison Street, Chicago, Illinois. Its official paper, "New Left Notes" reflects the line of the national leadership and program adopted at meetings of the National Council and National Interim Committee (NIC). Three national officers and a NIC of eleven members are elected each year during a June National Convention.

SDS Regional Offices and university and college chapters elect delegates to National Council meetings wherein program and ideology are debated, but each Region and chapter is autonomous in nature and is free to carry out independent policy and programs reflective of local conditions.

Rightist Group Opens Organizing Effort Here

The National Youth Alliance, a rightist group which espouses racial inequity and proposes the destruction of radical left movements, opened its first organizing effort here Thursday.

"We believe that inequality functions consistently throughout the universe. Equality creates gigantic mediocrity," said Louis T. Byers, national organizer of the alliance.

Many totalitarians in the world have used the myth of equality to support totalitairanism, according to Byers.

The organization meeting at the Los Angeles Hilton, is attempting to mobilize rightist students on many campuses to exert pressure to stop radical student action.

A press release quoted John Hayes, described as the student spokesman of NYA at UCLA, as saying he and other students "are tired of creeps and black agitators bringing guns and violence to the college campuses across the nation.

"We will meet force with force and violence with violence."

The organization, with headquarters in Washington, D.C., uses as its bible a 610-paged book titled "Imperium" by Francis Parker Yockey.

The book defines Negroes, Jews, Indians and other minorities as "parasites" and "distorters" in Western civilization.

Members of the National Youth Alliance (NYA) of Pomona High School have gathered 500 signatures from the student body that there are conservative supporting action taken by Negroes on campus but that the school administrators for their fear of persecution if other more militant Negroes...

Principal John Cook suspended the BSU until such a time as the administration felt the organization would again cooperate with the student body and administrators. Douglas Boyd, vice president of the NYA, said.

Boyd said that he felt some BSU members are quite militant and have threatened other student on campus, including himself.

Boyd said he gave the petition with the signatures to Cook Friday afternoon.

Although the NYA has not been officially approved by the student council as a sanctioned on-campus organization, Boyd felt the acceptance of his organization is imminent. There are currently 12 active mem-

Dear Mr. Helstoski:

I am in deep trouble and I greatly need your help. I am 15 and a student from [redacted]. I have been a member of the National Youth Alliance for about 1 year. It has never been a very racist or fascist organization. Its address is, The National Youth Alliance, 615 Dupont Circle Building, Washington, D.C. 20036.

However, just recently I received nazi literature from the following address, National Socialist Liberation Front, 2507 North Franklin Road, Arlington, Virginia, 22201. I was horrified! I am not a nazi, nor do I intend to ever be one! I still believe the National Youth Alliance is not a nazi organization. But for my own sake I will quit this year because of my suspicions.

What shall I do? Is the National Youth Alliance affiliated with the American Nazi party? Would you please investigate the matter. I would greatly appreciate it if you cleared my name from this awful incident.

Please Mr. Helstoski, for the sake of my honor and my name please help me through this nightmare. I am an American and will always be to the day I die.

Thank you very much.

NOTE: Correspondent wrote on 9-5-67 concerning the anti-poverty programs and black militants. Her letter was acknowledged by outgoing dated 9-8-67. The National Youth Alliance is the subject of a current Racial Matter-V Hate Groups inquiry. This is a recently formed militant anti-communist right wing organization which allegedly intends to use violence to combat Students for a Democratic Society (File 157-12589).
By Paul W. Valentine
Washington Post Staff Writer

The National Youth Alliance—a hard-right group that believes in get-tough tactics against campus radicals and preaches the superiority of white "Western culture"—is alive and well in Washington.

Formed last spring as a post-election outgrowth of the Youth for Wallace movement, the NYA has grown from a one-man, mailing list operation to a booming, solvent, tightly-knit network of chapters across the country.

Louis T. Byers, 38-year-old national organizer of NYA, cites these signs of the organization's health:

* Mailing list membership has doubled since last spring from 2,000 to 4,000. Names are collated by computer.
* Revenue is pouring in at about $300 a day, mostly in contributions, membership fees and sales of Western culture literature.
* NYA this fall put out a first issue of its newspaper, Attack, with a circulation of 25,000.

* A monthly newsletter called Action circulates among the 4,000 mailing list members.
* About 20 NYA chapters or "units" with 5 to 50 activists each have been established, mostly on college campuses.
* Numerous "right power" rallies have been staged in urban centers.
* Some 230,000 copies of "After 50 Years," an address by NYA mentor Revilo P. Oliver bemoaning the ruination of "Western culture" by "scabrous aliens," have been distributed.
* A 37-minute, 16-millimeter film of Oliver giving the address is used at "right power" rallies and other NYA functions. The film cost $5,600 to make.
* Byers' former one-man headquarters operation here now has four full-time salaried employees.

The headquarters, a cluttered eighth floor office room at 1346 Connecticut Ave. NW, is crammed with pamphlets, envelopes, mailing lists, ZIP code maps and computer print-out sheets containing the names of NYA members.
During a reporter's recent visit, a postman delivered NYA's morning mail, amounting to approximately 50 letters. Most contained contributions or membership fees ranging from $3 to $15. Byers is the office chief and gives himself a monthly salary of $750. Articulate and well-read, he never attended college but achieved a two-year college equivalency in the Army's General Education Development program.

Byers was an area coordinator in western Pennsylvania and New York for the John Birch Society but was purged from the organization last year, he said, because of his "publicly racist" views.

He was a principal organizer of the George C. Wallace campaign in Pennsylvania last fall and personally selected all Wallace electors for the state, he says.

"Western Destiny"

The three persons working in Byers' office share his "same world view—we're all Western destiny oriented," as he puts it.

There is Carroll Winters, 22, a recent dean's list graduate of Carnegie-Mellon University in Pittsburgh. She is NYA's national secretary and spends much of her energy writing NYA position papers.

Michael B. Russell, 27, as director of field activities, is on the road frequently organizing rallies and establishing NYA direct action units.

A New York state Wallace elector in 1968, Russell was turned down when he once attempted to join the Buffalo, N.Y. police force. He says the rejection was political because of his rightist views.

The fourth and most recent member of the office is Robert Johnston, 23, an ex-Navy serviceman and former special policeman on the Buffalo force. He is NYA's instructor of "preparedness and self-defense."

"Street Fighting"

"We were going to call him director of martial arts," said Byers, "but that sounded too tough." Instruction under Johnston includes "street fighting," judo, self-defense and "relationships with the police," Byers said.

Central to Johnston's role is the training and mobilization of cadres of rightist students to curb radical left action such as the seizure of campus buildings.

If persuasion fails, the cadres will physically eject recalcitrant students, Byers said. Preparation for such direct action is still in a formative stage, he added, and no major campus confrontations have been held.

The organizational structure of NYA is simple and authoritarian. All decisions and policies are formulated in Byers' headquarters. Unit leaders are hand-picked by Byers and Russell. Democratic procedures are considered inefficient.

No Dissension

"We shall not tolerate dissension," says the NYA June newsletter. "NYA is a fighting movement, not a talking one or a money-raising one, and therefore it is structured like an army.

... Individual advancement (of members) will be on the strict basis of individual effectiveness and ability, not conspiratorial scheming, parliamentary maneuvering or adhesion to the right clique.

... Another great advantage of an authoritarian structure is that the danger of infiltration and sabotage is greatly lessened."

Byers stresses that NYA wants not only to crush radical student and black power movements but also to assert positive values of "Western destiny."

The Western destiny and culture concepts stem from a book by Francis Parker Yockey entitled "Imperium," a 610-page philosophical tract extolling the virtues of northern European civilization and warning against its adulteration by Jews, Negroes, Orientals and other "culture distorters."

As the basic handbook of NYA, Imperium is pushed heavily in NYA publicity. Byers claims that 11,000 copies ($2.50 each) in paperback have been sold since last spring.
NYA members Michael Russell and Louis Byers confer with Carey Winters on a story for the group's newspaper.

SYNOPSIS: (C) National Youth Alliance (NYA) is a rightist, campus based youth group with an alleged membership of 3,000. Led by Patrick Tifer of Detroit, Michigan, NYA has since inception failed to achieve its avowed goal of countering the programs of "New Left" organizations due to cleavage and reported infiltration and financing by Neo-Nazi sympathizers. The organization was originally composed of former Youth For Wallace members, but since then has not achieved solidarity behind the themes of anti-leftist, anti-Black Power and anti-narcotics.

DETAILS:
1. (C) The NATIONAL YOUTH ALLIANCE (NYA) is a conservative student group headquartered in Washington, D.C. NYA, composed largely of right-leaning youth between the ages of 13 and 29, has been riven with factional disputes since its establishment immediately after the 1968 presidential campaign. Chaired by Patrick Tifer of Detroit, Michigan, NYA claims a current membership in excess of 3,000.

2. (C) NYA was organized by members of Youth For Wallace (YFW), an organization set up to further former Governor Wallace's presidential hopes in the 1968 campaign. It was felt at the time that a conservative youth group with national prominence was needed to combat the increasing popularity of campus "New Left" sentiment. While YFW was active in 1968, a donation of $40,000 was made by Willis Allison Carto, who controls Liberty Lobby (LL), a conservative organization whose public organ, "Liberty Letter," is devoted to the dissemination of conservative political thought. The donation was to prove a major factor in the factionalization of NYA and its subsequent impotence in dominating young conservative movements.

3. (C) The first record of NYA is a flyer distributed in early 1969 by SUBJECT which outlined the following organizational positions:
   1. Oppose narcotics both on and off campus.
   3. Restore law and order to college campuses. Eliminate anarchist student groups such as Students for a Democratic Society (SDS).

The flyer also labeled the Republican and Democratic Parties as proponents of big business, crushing taxation, and proponents of the enemies of the US. NYA appealed

in the leaflet to Americans to support US servicemen once they are committed in an armed conflict. The third of the above NYA goals was further defined when in May, 1969, a source stated that NYA is a "coalition of conservative youth organizations whose purpose was to eject certain campus based groups, such as SDS...."

4. (C) The rifts which have neutralized the NYA since its inception began soon after former representatives of SUBJECT accused Carto, the major NYA financial source, of attempting to mold the organization into a Neo-Nazi, "brownshirt" group. The nazi infiltration movement is called the "Francis Parker Yockey Movement." John Patrick Accord, early National Director, received a sizeable donation from Carto (who allegedly receives a working annual budget of $1,000,000 from LL) to further NYA campaign efforts. Carto has since Wallace's defeat insisted on repayment of the donation in amounts of $1,000 per month. Accord refused, claiming the donation was a political contribution and not a loan, and on 24 Mar 69 relinquished his fight for control of NYA and severed all organizational ties. Accord was the founder of the American Southern Africa Council. He had earlier stated in an interview that NYA was a segregationist organization - a statement for which he was later censored as national spokesman. Another public admission was made on 15 Aug 69 by NYA representative Mike Russell on a Baltimore, Maryland television broadcast. Russell stated that NYA members must sign an oath pledging loyalty to the constitutional republic of the US. He also advised that NYA was contemplating the circulation of petitions on college campuses urging university administrations to ban SDS. No evidence of said petitions has become available to date.

5. (C) NYA meetings have been sparse but geographically widespread. Early 1969 meetings were held in Chicago; Pittsburgh; Provo, Utah; Los Angeles; Atlanta; and New Orleans. A 16 Jul 69 NYA-sponsored rally at the University of California at Los Angeles attracted 500 individuals including SDS members.

6. (C) Key Organizational personalities include the following:

National Officers (As of June 1969):
- National Chairman - Patrick Tifer, Detroit, Michigan
- National Vice-Chairman - John C. Whitley, Athens, Georgia
- National Secretary - Patrick Mathis, Philadelphia, Pennsylvania
- National Treasurer - John McCona, Los Angeles, California
- Executive Director - Dennis Mahon, Brooklyn, New York

Michigan State Officers:
- Chairman - Patrick Tifer
- Publications - Mike Freibron
- High School Director - John Hadiak, Jr.
- Macomb County Community College Chairman - Gerald Beresford

813 DuFont Circle Building
Washington, D.C.

New York State Officers:
  Leaders - James Sullivan
  Jeff O'Connor
  New York Chapter claims a membership of 100.

7. (C) The NYA has during its brief history attempted to combine anti-left
groups on campus under one central banner. Failure in this respect has resulted
from hindering factionalization and neo-Nazi influence. It is doubtful that
subject in the future will pose a security threat to campuses where "New Left"
organizations have gained prominence.

NATIONAL YOUTH ALLIANCE (NYA)
RM - WHITE HATE GROUPS
CO: WFO

The National Youth Alliance (NYA) was reportedly formed in Washington, D. C., in November, 1968, as a successor organization to the Youth For Wallace group which was active during the presidential campaign of George Wallace. NYA has its headquarters at Washington, D. C. The Bureau has not actively investigated NYA, but has followed its activities through public source material, and established sources. Allegations have been made that the current leadership of NYA has Nazi-type leanings.

To assist the Bureau in making a proper evaluation as to whether an active investigation of NYA is warranted as a white extremist organization, WFO should prepare a summary report bringing the activities of this organization up-to-date. Follow the format outlined in Manual of Instructions, Section 7. This report should be submitted within 45 days of receipt of this communication. WFO should submit with this report its recommendations as to whether additional active investigation is warranted.

Review of Bureau files discloses recipient offices have had NYA activities within their Divisions or may be in possession of information which would be of assistance to WFO in preparation of summary report. These offices should review their files pertaining to NYA and furnish pertinent information to WFO for inclusion in summary report. Also contact established sources for information concerning current NYA activities. This should include contacts with sources familiar with white-hate groups to determine if there is any influence from such organizations on the NYA. All offices give particular attention to any information indicating actual or alleged acts of violence or information indicating a policy of advocating the use of force or violence to deny others their rights under the Constitution on the part of NYA. Handl promptly and furnish WFO results within 30 days of receipt of this communication. Do not furnish Bureau copies of communications to WFO containing information to be included in summary report.

Above inquiries should be handled in discreet fashion and should be confined to established sources only.

WFO review its file and set forth appropriate leads for any other offices which may have reported NYA activity and are not in receipt of this letter.

NOTE:

After receipt of summary report, a determination will be made as to whether or not active investigation should be instituted on NYA.

Dear Sir:

I am an employee of the Pittsburgh Board of Public Education, Division of School Community Affairs. As part of our role, we monitor the community for the various concerns and influences that may have results within the school.

Recently we have found increased activities of the National Youth Alliance within several neighborhoods. Our efforts to obtain information about this organization have produced very few results. However, through one of the students, we have obtained one of their publications and recommended readings. As these items can be obtained by mail, we thought perhaps your office could furnish us with more information on this organization. The two mailing addresses we have are:

(1) 813 DuPont Circle Building

(2) Power Products
RD Box 319
Nedrow, New York 13120

Also, whatever information you may have concerning organizations that may be suspected of subversive style activities would be greatly appreciated by us. You may send whatever pertinent information to the address on the top of this letter. Thank you for your efforts.

Yours truly,

Re: National Youth Alliance

Dear Mr. MacLennan:

Enclosed herewith please find a copy of a letter dated December 22, 1969, with the request that an investigation be conducted in this matter.

Very truly yours,

Richard L. Thornburgh
United States Attorney

Encls.
You should contact the U.S. Attorney, and advise him that requests from officials of the Department of Justice for investigation in the Internal Security field, in accordance with Departmental policy, should emanate from the Internal Security Division of the Department and we have not, heretofore, been requested to investigate this organization. We have, however, received some information concerning the stated purposes and aims of the organization which for his guidance is the successor organization to the Youth for Wallace group, which was an organization of students supporting the presidential campaign of Governor George Wallace. National Youth Alliance (NYA) has publicly stated its position as being in opposition to the use of narcotics, in favor of the neutralization of "Black Power," for the restoration of law and order on the campuses, and the bringing of peace to the world.

For information of WFO, the Pittsburgh Office is in receipt of a request from U.S. Attorney at Pittsburgh requesting an investigation of captioned organization. For further information of WFO, the Bureau is issuing detailed instructions in a separate communication concerning the preparation of a summary report, which would bring the activities of this organization up to date for a current assessment as to whether an intensified active investigation should be instituted concerning this group.
Letter to SAC, Pittsburgh
RE: NATIONAL YOUTH ALLIANCE (NYA)
157-1208

NOTE:

The Pittsburgh Office has advised they are in receipt of a letter from the USA, Pittsburgh in which he requests that an investigation be conducted regarding the basis of USA's request as a letter he received from an employee of the Pittsburgh Board of Education, Division of School Community Affairs requesting information concerning NYA. The School Board employee brought out in his letter to USA that NYA has increased its activities in several neighborhoods and requests information since the School Board monitors the community for "...influences that may have results within the school."

We have not actively investigated the NYA but we have followed their activities through established sources and public source material. The NYA, a conservative student group, is the successor organization to the Youth For Wallace group which was an organization of students supporting the presidential campaign of George Wallace. The NYA has publicly stated its position as opposing narcotics, neutralizing "Black Power," restoration of law and order to campuses and bringing peace to the world. There has been factionalism within the NYA since its formation and early leaders of NYA who were replaced have made public allegations of Nazi-type leanings of current leaders. To date, their activities have not been such as to warrant active investigation as a hate-type organization; however, it is time to take a hard look at the activities of this organization since its inception and accordingly, by separate communication, we are directing WFO-office of origin - to prepare summary report on NYA after which a determination will be made as to any further action necessary.

Pittsburgh Office has recommended a rather lengthy letter to the USA advising him we are not investigating NYA and that there does not appear to be a basis for investigation at this time. Their proposed letter also mentions information concerning subversive organizations which is extraneous to the USA's request for investigation of the NYA and need not be mentioned. It appears this matter could be better handled through personal contact with the USA and accordingly Pittsburgh is being instructed to handle this matter in that fashion.

the NYA employs four full-time salaried employees. These employees including BYERS are CAREY J. WINTERS, 22, National Secretary, a recent Dean's List graduate of Carnegie-Mellon University, Pittsburgh; MICHAEL D. RUSSELL, 27, Director of Field Activities, who was described as “on the road” frequently organizing rallies and establishing NYA units. The fourth and most recent employee was ROBERT JOHNSON (believed to be ROBERT JOHNSTON), 32, an ex-Navy serviceman and former special policeman on the Buffalo police force. He was also described as NYA's instructor of "preparedness and self-defense." According to BYERS, JOHNSTON's instruction assignments included "street fighting, judo, self-defense, and relationships with the police."

The captioned issue of "Playboy" magazine has been reviewed for matters of interest to the Bureau.

The only reference to the FBI is contained in an article by George Fox entitled "Counter-Revolution." The Bureau is mentioned in passing with respect to the actions of a conservative youth group which is allegedly allied with the "Liberty Lobby." One of the supposed leaders of the National Youth Alliance is quoted as saying he requested the Bureau and the House Committee on Internal Security to investigate the actions of "Liberty Lobby" in attempting to run its affairs. Bureau files contain no information identifiable with this action which, of course, would not have been within Bureau jurisdiction. In another reference to the Bureau a volunteer underground worker who allegedly has penetrated student youth movements claimed he turned the information he obtained over to the FBI. No identifying information is provided in the article concerning this activity.

B. National Headquarters

An article appeared in the "Washington Post" newspaper dated Monday, December 22, 1969, page A3 entitled "NYA: Alive and Well." This article noted that the National Headquarters of the NYA was located on the 8th floor of 1346 Connecticut Avenue, N.W.

On March 29, 1969 the records of the District of Columbia Recorder's Office, WDC were reviewed by a Special Agent of the FBI concerning the NYA and related matters. It was determined that the NYA was incorporated on March 5, 1969 as the National Youth Alliance, Incorporated, a non-profit corporation. The address given for this organization was shown as 319 3rd Street, S.E., WDC. The incorporation officers were shown as GERALD E. DUNN, CAROL M. DUNN and ANNE N. DABNEY.

On [DATE SCRIBED] 1968, Liberty Lobby, 319 3rd Street, S.E. was contacted by Special Agents of the FBI in relation to another matter and at that time she volunteered no information pertaining to the NYA.

C. National Officers

An article appeared in the "Washington Post and Times Herald" dated May 25, 1969, page A9 entitled "The Student Right: Racist, Martial, Insular." This article noted that LOUIS T. BYERS, 37, was the organizer of the "2000 strong NYA, a post-election holdover of the YFW movement." An article appeared in the "Post" as set out above on December 22, 1969 which noted that BYERS, national organizer of the NYA, stated that the NYA, which was formerly a one man operation, now employs four full time salaried employees. He stated that the Headquarters was located on the 8th floor of 1346 Connecticut Avenue, N.W., WDC. He stated that the national officers are MICHAEL D. RUSSELL, 27, Director of Field activities and who was formerly a New York State WALLACE elector during the 1968 presidential election; ROBERT JOHNSTON, 32, an ex-Navy
man was NYA instructor of "preparedness and self-defense." The National Secretary is CAREY WINTERS, 22, a graduate of Carnegie Mellon University in Pittsburgh. In addition to her duties as National Secretary, she also writes NYA "position papers."

D. Membership

According to the above "Washington Post" article dated December 22, 1969, BYERS was reported to have stated that the mailing list of membership has doubled since last Spring from 2000 to 4000 names. According to this article, he advised that there are about twenty NYA chapters or "units" with five to twenty members who are established "mostly on college campuses." In this article BYERS was indicated to have been formerly a area coordinator in western Pennsylvania and New York for the JBS and that he claimed to be a principal organizer of the GEORGE C. WASHINGTON 1968 Presidential Campaign in Pennsylvania.

E. Organization Policy

The above article appearing in the "Washington Post" December 22, attributed BYERS to stating that the "NYA is a fighting movement and not a talking one or a money raising one and therefore is structured like an army." He further indicated "individual advancement of members will be on a basis of individual effectiveness and ability, not conspiratorial scheming, parliamentary maneuver, or adhesion to the right clique. Another great advantage to authoritarian structure is that the danger of infiltration and sabotage is greatly lessened." BYERS stressed that the NYA desire to counter the radical student movements and black power movement, but also to assert positive values of "western destiny." The article indicated that the western destiny and culture concepts stemmed from a book by FRANCIS PARKER YOCKETY entitled "Imperium," a 61-page philosophical tract extolling the virtues of a northern European civilization and warning against its adulteration by Jews, Negro Orientals and other "culture distorters."

This article set forth that "Imperium" was the basic handbook of NYA and is pushed heavily in NYA publicity. BYERS
claimed that 11,000 copies at $2.50 each in paperback have been sold by NYA since last Spring.

With respect to possible resort to violence by the NYA, the above article noted that BYERS indicated that if persuasion fails in countering radical campus groups, the NYA might resort to physically ejecting recalcitrant students. BYERS said that preparation for such direct action is still in the formulative stage; he added that no major campus confrontations have been held with respect to NYA policy. This article noted that the organizational structure of the NYA is simple and authoritarian. All decisions and policies are formulated in BYERS' Headquarters. Unit leaders are hand picked by BYERS and RUSSELL. Democratic procedures in these matters are considered inefficient.

F. Publications

According to the above "Washington Post" article dated December 22, LOUIS BYERS advised that the NYA in the Fall of 196... put out the first issue of its publication entitled "Attack" with a circulation of 25,000 copies. He further indicated that a mon... news letter called "Action" circulates among the 4000 mailing list members.

On July 2, 1969 DENNIS MC MAHON, JOHN ACORD, LOUIS BYERS, MICHAEL RUSSELL and others appeared on the BARRY FARBER Discussion Show, WOR Radio, New York, New York. During this broadcast BYERS stated in part that he was opposed to any sort of totalitarianism, whether from the left or right. He stated: "We are against democracy. Democracy is the worst system known to man. A republican form of government is much superior to mobocracy." During this broadcast both BYERS and RUSSELL denied that they were Nazis.

On July 2, 1969 LOUIS BYERS and MICHAEL RUSSELL appeared on the BARRY FARBER Discussion Show, WOR Radio, New York, New York. Also on this panel were DENNIS MC MAHON, JOHN ACORD, BERTRAM ZWEBON and DAVID KAPLIN. BYERS stated his only purpose for appearing on this show was to let the audience know where to buy "Imperium" which was described by BARRY FARBER as an alleged latter day "Mien Kampf." BYERS denied "Imperium" is neo-nazi or a latter day "Mien Kampf." He described it as a philosophical treatise.

A news article which appeared on page 12 of the "Chicago Sun Times" dated November 29, 1968 and captioned "WALLACE's Youths On A New Tack" set forth in part the following information:

The Chicago area YFW organization plans to stay intact and will become part of a newly formed organization called the National Youth Alliance. The group plans to campaign in high schools and colleges against the use of narcotics. The campus campaign is also to combat the big recruitment drive in high schools by the SDS.

According to this article, the Illinois head of the NYA is James Bensfield, age 20, a student at Loyola University.
Chicago, Illinois, who has said that the NYA will not have any ties with political parties.

Los Angeles, California Area

This issue contained an article headlined "Conservative Youths Back School's Stand". According to the article, members of the National Youth Alliance (NYA) of Pomona High School had gathered signatures from the student body supporting action taken by school administrators for their action against the Black Student Union the previous week. DOUGLAS BOYD was identified as vice-president of the NYA. Although the NYA had not been officially approved by the student council as a sanctioned on-campus organization, BOYD felt the acceptance of his organization was eminent. There were currently 12 active members.

When asked if he felt blacks would join the NYA, BOYD said that there were conservative Negroes on campus, but that they would probably be afraid to join for fear of persecution from other more militant Negroes.

The Black Student Union is a student black nationalist organization.

"Statecraft" is a newspaper published from its office at 3513 Mount Vernon Avenue, Alexandria, Virginia.

The masthead reflected the publisher to be DANIEL PAULSON and the editor to be C. B. BAKER. The April-May 1969 issue identified "Statecraft" as an affiliation of American patriotic action groups and open to all productive Americans willing to stand up and fight against the wave of destruction engulfing the nation.

Liberty Lobby is publicly recognized as a conservative organization which published "Liberty Letter" an organ devoted to conservative political opinion.
"The Los Angeles Times",
Los Angeles, California, newspaper

The July 11, 1969, issue of this publication contained the following information:

The NYA, a rightist group which espoused racial inequity and proposed the destruction of radical left movements, opened its first organizing effort here Thursday. The organization, meeting at the Los Angeles Hilton, was attempting to mobilize "rightist" students on many campuses to exert pressure to stop radical student action.

A press release quoted JOHN HAYES, described as the student spokesman of NYA at UCLA as saying that he and other students "are tired of creeps and black agitators bringing guns and violence to the college campuses across the nation. We will meet force with force and violence with violence".

"We believe that inequality functions consistently throughout the universe. Equality creates gigantic mediocrity", said LOUIS T. BYERS, National Organizer of the Alliance.
Many totalitarians in the world have used the myth of equality to support totalitarianism, according to BYERS.

The organization with headquarters at Washington, D.C., used as its bible, a 619 page book, titled "Imperium" by FRANCIS PARKER YOCKLEY. The book defines Negroes, Jews, Indians, and other minorities as "parasites" and "distorters" in Western Civilization.

157-12589-46 EP 24
A leaflet distributed at the NYA sponsored rally held on July 16, 1969, at the UCLA campus headed "Lost and Alone" contained the following information:

"The NYA is a dynamic new productive youth movement dedicated to the protection of your rights as a student and as an American citizen.

NYA is an organization that has the guts to fight Black Power and the New Left gangsters on the campus. NYA is a coalition of American youth who are dedicated to action for America against red anarchy. NYA will take positive and decisive action against those elements that are destroying this right to aggregation, your right to free speech and your right to a normal life."

The leaflet advised that "...Your history professor tells you that the three greatest men in life are Karl Marx, Fidel Castro, and Eldridge Cleaver. Your sociology teacher spends most of his time defending homosexuality and decrying American fighting men in Vietnam...You are amazed to find your school is filled with black scholarship students who are getting away with murder-both academically and politically."

"The black militants have the run of the campus. Your girl friend has been insulted by blacks."
Your best friend was beat up in the school cafeteria because he refused to surrender his seat to a black activist. One day you find your school closed. The SDS has occupied the Administration Building and instead of getting education...you must be content to shuffle around the campus past tables full of revolting New Left literature and communist propaganda.

"...You flunk but the black students who hardly ever show up for class, never hand in reports, and flunk the tests get top grades".

"One day a fellow student who feels as you do says that a bunch of students are meeting tonight to try to combat the Left on campus. ...A local NYA field coordinator will speak to you and your friends. Now you have somewhere to turn. Now you can fight!"

The leaflet gave the NYA address as 130 3rd Street, Southeast, Washington, D.C.

MINUTEMEN

The Minutemen, whose headquarters are in Norborne, Missouri, was organized in June, 1960, by Robert Boliver De Pugh, who has been publicly identified as the National Coordinator of the organization since its inception. On September 8, 1969, he announced the appointment of his 23-year-old son, Ralph C. De Pugh, to serve in this position while he completes a one year sentence in the U. S. Penitentiary for violation of the Federal Firearms Act.

Past statements by Robert De Pugh and literature distributed by the organization indicate the purpose of the Minutemen to be the resistance to and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

A source, who in July, 1969, had access to some Minutemen records, estimated that approximately 2500 individuals have in the past expressed an interest in the Minutemen and have been considered as members by De Pugh; however, source believes there are probably no more than 300 actual active members of the organization. A second source in October, 1969, advised that the Minutemen tend to grossly exaggerate the number of their members. The source estimated the actual membership to be no more than possibly 350 members.

In April, 1968, De Pugh, in his book, "Blueprint For Victory", wrote the Minutemen organization was then dividing into two bodies; the Minutemen and the Patriotic Party. One group, the Minutemen, would be the resistance movement and the other, the Patriotic Party, whose proper function would be to serve as the political arm of a complete patriotic resistance movement.

Members of the Minutemen organization, including Ro-
De Pugh and his chief assistant, Walter P. Peyson, have been

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Also Known As The American Nazi Party,

George Lincoln Rockwell Party

On May 26, 1969, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as presently regarded, came into being at a founding convention held June, 1962, at Port Huron, Michigan. From an initial posture of "participatory democracy" the line of the national leadership has revealed a growing Marxist-Leninist adherence which currently calls for the building of a revolutionary youth movement. Concurrently, the program of SDS has evolved from civil rights struggles to an anti-Vietnam war stance to an advocacy of a militant anti-imperialist position. China, Vietnam and Cuba are regarded as the leaders of worldwide struggles against United States imperialism whereas the Soviet Union is held to be revisionist and also imperialist.

At the June, 1969, SDS National Convention, Progressive Labor Party (PLP) forces in the organization were expelled. As a result, the National Office (NO) group maintained its National Headquarters at 1608 West Madison Street, Chicago, and the PLP faction set up headquarters in Cambridge, Massachusetts. This headquarters subsequently moved to Boston. Each group elected its own national officers, which include three national secretaries and a National Interim Committee of eight. Both the NO forces and the PLP forces claim to be the true SDS. Both groups also print their versions of "New Left Notes" which sets forth the line and the program of the particular faction. The NO version of "New Left Notes" was recently printed under the title "The Fire Next Time" to achieve a broader mass appeal.

Two major factions have developed internally within the NO group, namely, the Weatherman or Revolutionary Youth Movement (RYM) I faction, and the RYM II faction. Weatherman is action-oriented upholding Castro's position that the duty of revolutionaries is to make revolutions. Weatherman is regarded by RYM II as an adventuristic, elitist faction which denies the historical role of the working class as the base for revolution. For the information of Louisville, the NYA has indicated that the NYA is a conservative youth movement to counter the radical student movement and the Black Power movements on American campuses and to assert the positive values of "Western destiny." Allegations have been made that the NYA, or alleged members of the NYA, will use violent means to combat the Students for a Democratic Society and similar organizations if college officials do not contain campus disorders attributed to such radical campus groups. Preliminary investigation is being conducted to determine if the NYA actually is promoting tactics or policy promoting the use of violence.

Further, for the information of Louisville, allegations have been made that the NYA advocates a form of National Socialism or Nazism; such philosophy is set forth in a book entitled "Imperium" by FRANCIS PARKER YOPEC (deceased) which is often described as the "bible" of the NYA. This book is a 619 page...
philosophical tract extolling the virtues of a northern European civilization and warning against its adulteration by Jews, Negroes, Orientals and other "Culture distorters."

To date there has been no evidence of NYA engaging in or promoting actual acts of physical violence. It would appear that isolated incidents may have occurred, but are apparently attributable to efforts of individuals and not directly attributed to NYA policy. There has been no reliable information of a connection with the National Socialist White Peoples Party (NSWPP), formerly the American Nazi Party. In summary, investigation to date would appear that the NYA is largely a paper organization devoting its primary attention to developing revenue a substantial portion of which does not appear to have been utilized in furthering its announced objectives.

Louisville should note that Bureau is not actively investigating the NYA or at this point and investigation is to be limited to contacts with established sources only.

and possibly others have on occasion delivered speeches in connect with promotion of the NYA.

Louisville is requested to expedite furnish WFO a summary of comments and any other pertinent activity with respect that WFO may include this material in a NYA report currently being prepared.

Mr. J. Edgar Hoover, Director
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Hoover:

It's been a long time since I've had occasion to write you for specific advice regarding anti-Communism—but, as I have been doing for many years now, in Arizona, Illinois, and Wisconsin, I continue to accept speaking engagements everywhere, gratis, with the purpose of exposing communism. We have more immediate concern now.

My wife and I have three adopted children who are now teenagers being exposed to the evils of drug traffic in the schools. We have moved to our present area with the hope that there would be less danger here. However, we realize that, like disease, one cannot continue to run away from an infected area. A better choice is to build a family immunization against it—if this is at all possible. Also, we feel that our children too, have an obligation to alert others.

In recent mails our children have been receiving information and encouragement to join a youth organization called the NATIONAL YOUTH ALLIANCE. Their noted four-point program, on the surface, appears to be wholesome and patriotically American. But knowing of the many techniques of communism in its aims to influence young minds adversely, I am writing you to learn whether or no there is any reason why our children might not serve the cause of freedom by joining the NATIONAL YOUTH ALLIANCE. I'm sure you realize how important it is to keep our youth occupied in proper and positive action that will tend to conserve our heritage.

May I hear from you?

Thanking you for all the favors of the past, I remain

Friendly yours,

I. HISTORY, OBJECTIVE AND PROGRAM OF NATIONAL YOUTH ALLIANCE (NYA)
The SDS (Students for a Democratic Society) is documented in the Appendix of this report.
An article in the February 28, 1970, issue of the Courier-Journal, a daily Louisville, Kentucky, newspaper, reported that MICHAEL D. RUSSELL, National Field Director of the National Youth Alliance, described as a newly-formed far right group, was in Louisville, Kentucky, on February 27, 1970. According to this article, RUSSELL said the National Youth Alliance is an outgrowth of the Youth for (GEORGE) WALLACE Movement formed during the 1968 Presidential campaign. RUSSELL said that the National Youth Alliance, in addition to being anti-Marxist, also does not believe in the "equality of races" and because races are "genetically different," they should not be "forced" to mix. In addition, RUSSELL said the National Youth Alliance is attempting to "stomp out" anarchist groups on the campuses.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as presently regarded, came into being at a founding convention held June, 1962, at Port Huron, Michigan. From an initial posture of "participatory democracy" the line of the national leadership has revealed a growing Marxist-Leninist adherence which currently calls for the building of a revolutionary youth movement. Concurrently, the program of SDS has evolved from civil rights struggles to an anti-Vietnam war stance to an advocacy of a militant anti-imperialist position. China, Vietnam, and Cuba are regarded as the leaders of worldwide struggles against United States imperialism whereas the Soviet Union is held to be revisionist and also imperialist.

At the June, 1969, SDS National Convention, Progressive Labor Party (PLP) forces in the organization were expelled. As a result, the National Office (NO) group maintained its National Headquarters at 1608 West Madison Street, Chicago, and the PLP faction set up headquarters in Cambridge, Massachusetts. This headquarters subsequently moved to Boston. Each group elected its own national officers, which include three national secretaries and a National Interim Committee of eight. Both the NO forces and the PLP forces claim to be the true SDS. Both groups also print their versions of "New Left Notes" which sets forth the line and the program of the particular faction. The NO version of "New Left Notes" was recently printed under the title "The Fire Next Time" to achieve a broader mass appeal.

Two major factions have developed internally within the NO group, namely, the Weatherman or Revolutionary Youth Movement (RYM) I faction, and the RYM II faction. Weatherman is action-oriented upholding Castro's position that the duty of revolutionaries is to make revolution. Weatherman is regarded by RYM II as an adventurist, elitist faction which denies the historical role of the working class as the base for revolution. RYM II maintains that revolution, although desired, is not possible under present conditions, hence emphasizes organizing
and raising the political consciousness of the working class upon whom they feel successful revolution depends. Although disclaiming control and domination by the Communist Party, USA, leaders in these two factions have in the past proclaimed themselves to be communists and to follow the precepts of a Marxist-Leninist philosophy, along pro-Chinese communist lines.

A second source has advised that the PLP faction which is more commonly known as the Worker Student Alliance is dominated and controlled by members of the PLP, who are required to identify themselves with the pro-Chinese Marxist-Leninist philosophy of the PLP. They advocate that an alliance between workers and students is vital to the bringing about of a revolution in the United States.

SDS regions and university and college chapters, although operating under the outlines of the SDS National Constitution, are autonomous in nature and free to carry out independent policy, reflective of local conditions. Because of this autonomy internal struggles reflecting the major factional interests of SDS have occurred at the chapter level since the beginning of the 1969-70 school year.

The PLP is characterized separately in the Appendix.
NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

PROGRESSIVE LABOR PARTY (PLP)

"The New York Times" city edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP which had been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962, by Milton Rosen and Mortimer Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City, May 31 to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's over-all revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention Milton Rosen was unanimously re-elected National Chairman of the PLP and Levi Laub, Fred Jerome, Jared Israel, William Epton, Jacob Rosen, Jeffrey Gordon, and Walter Linder were elected as the National Committee to lead the PLP until the next convention.

The April, 1969, issue of "Challenge-Desafio" sets forth that "Challenge is dedicated to the peoples fight for a new way of life--where the working men and women control their own homes and factories; where they themselves make up the entire government on every level and control the schools, courts, police and all institutions which are now used to control them."
PROGRESSIVE LABOR PARTY (PLP)

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York, New York.

One copy of this communication and its enclosure are furnished to the B. Office for information, because resides within the territory of the B. Office.
For the information of the Bureau, WFO has noted a trend by the NYA in recent months toward a more extreme "rightist", anti-Jewish posture. This trend has been evidenced by HYRE'S appearance as a "principal" speaker at the National States Rights Party Convention at Newport, Kentucky, in June, 1970; the anti-Semitic character of recent NYA publications; and control of certain NYA activities by NSWPP supporters. The most notable example of the latter condition is the NYA chapter at St. John's University, New York City, which was found to be dominated by NSWPP supporters when its character as a legitimate campus organization was questioned recently by student government representatives.

The enclosed LIM is being disseminated by WFO locally to Secret Service and interested military intelligence agencies.

The LIM is classified "Confidential" in order to protect a confidential informant of continuing value.
A characterization of the National Socialist White People's Party (NSWPP) appears in the Appendix of this communication.

Paul H. Valentine
WASHINGTON (AP) -- The right-wing National Youth Alliance, reorganized and reactivated in part by demonstrators from the old American Nazi Party, has opened new offices in Georgetown with a bookstore for anti-Semitic, racist, and other ideological materials.

"We're here because we don't want to relegated ourselves away from the youth of the country," Lloyd said.

Located in the spring of 1989 from the remains of the Youth for Wallace movement of the 1980 presidential campaign, NYA opened its doors near Dupont Circle, another popular gathering place.

"It's a place to avail available space there, according to leaders, and the move to 1550 Wisconsin Ave. NW in Georgetown was made.

The new location includes a "Western Design" bookstore, which carries a broad selection of philosophical and political tracts, including the work of Yockey. It is a weighty treatise warning of the pending danger of Western civilization unless the influence of "culture distorters," mainly Jews, Negroes, Orientals, and others, is removed.

Right-Wing Youth Organization Opens New Office in Georgetown

NYA, From B1

A portion of the bookstore's inventory, according to Lloyd, comes from the now-closed bookstore of the National Socialist White People's Party (formerly the American Nazi Party) in Washington.

Lloyd himself was executive officer of the NSWP but quit during a rival party split and joined NYA. He became national organizer, succeeding Louis T. Byers, who was elevated to the newly created position of NYA president. Another ex-NSWP member, writer William Pierce, is also a NYA friend, Byers said, but is not on the payroll.

Since early 1989, Byers and a small staff have been organizing NYA chapters on college campuses across the country to fight drugs, black militancy and left-wing radicalism, "with force when deemed necessary.

He claims NYA now has more than 2,000 members with a large portion of them organized into 25 campus chapters, ranging from the University of Chicago and New York University to Kent State University in Ohio.

Working with a 25,000-member mailing list for financial support, NYA has rapidly increased its administrative workload in the last year and will at least double its present staff of four in the next few months, Byers said.

The bookstore now has about 200 titles and will expand to 500 soon, Lloyd said.
NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
Also Known As The American Nazi Party,
American Nazis, The World Union of Free
Enterprise National Socialists,
The George Lincoln Rockwell Party

On May 26, 1970, a source who has furnished reliable
information in the past advised that the American Nazi Party -
World Union of Free Enterprise National Socialists (ANP-WUFFNS)
was organized by George Lincoln Rockwell at Arlington, Virginia,
on February 26, 1959. It was based upon the concept of an interna-
tional "National Socialist" movement, as espoused by the German
Nazi Party, which was headed by Adolf Hitler. The ANP-WUFFNS
supports and follows the line of hatred against Negroes, Jews, and
communists, through speeches, published literature, demon-
strations and publicity-seeking devices for the purpose of
seeking a legitimate dominant political party within the United
States and foreign countries.

"The Richmond News Leader" issue dated April 4, 1963,
published daily at Richmond, Virginia, stated that this organ-
ization is chartered in the State of Virginia as "The George
Lincoln Rockwell Party" and that the Virginia Assembly pro-
hibits the use of "Nazi" or "National Socialism" in a Virginia-
chartered organization. As of January 1, 1967, the official
name of this organization was changed to "National Socialist
White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was
assassinated in Arlington, Virginia, near the ANP Headquarters
Building. The August 28, 1967, issue of the "Northern Virginia
Sun," a daily newspaper published at Arlington, Virginia, stated
that Matthias Koehl, Jr., took command of the Party after
Rockwell’s assassination. This source advised that the orga-
nization continues with its aims and goals mentioned above.

"The Washington Post", a daily newspaper published in Washington, D. C. (WDC), reported on December 22, 1970, that NYA had reorganized its staff and opened new offices in the Georgetown Section at 1656 Wisconsin Avenue, N. W., WDC. The report stated that Lloyd had succeeded Byers as National Organizer of the NYA and that Byers had been elevated to a newly created position of NYA president. According to this article, Piero had been referred to by Byers as "an NYA friend", but is not on the NYA payroll.

The above article stated that the NYA had increased its administrative workload in the last year, and would at least double its present staff of four in the next few months. It also indicated in the article that the NYA had outgrown available space at its previous office near Dupont Circle, and that the new office

included a "Western Destiny" bookstore stocked with about 300 different works. It was noted that the new location was selected because of its proximity to the Washington youth culture.

"The Washington Post" article mentioned above stated that Byers claimed a membership of 8,000 in the NYA "with a large portion of them organized into 62 campus chapters, ranging from the University of Chicago and New York University to Ken State University in Ohio". The article claimed the NYA worked with "a 24,400-member mailing list for financial support".

On December 24, 1970, "The Evening Star", a daily newspaper published at WDC, reported the opening of the "Western Destiny Bookshop" in Georgetown on December 21, 1970. The "Star" article stated that the bookshop was sponsored by the "International Youth Alliance, a far-right youth group centered in Arlington (Virginia)". Charles McGuire was identified in the article as office manager of the International Youth Alliance and Earl Thomas was identified as McGuire's assistant.

Re WFOairtel and LHM to the Bureau, AX, BA, and DE dated 1/12/71.

As noted in referenced LHM, Washington, D. C. newspapers in December, 1970, reported the reorganization of the National Youth Alliance (NYA) and its relocation in the Georgetown Section of Washington, D. C., at 1656 Wisconsin Avenue, N.W. (now 1656 33rd Street, N.W.), from 813 Dupont Circle Building, Washington, D. C. According to these reports, the new NYA Headquarters includes a Western Destiny Bookstore, which is stocked with a broad selection of works on white or Aryan superiority and the alleged "Zionist conspiracy."

The above newspaper reports reflect that LOUIS T. BYERS, former National Organizer of the NYA, had been elevated to President in the new NYA organization and ROBERT A. LLOYD had become the new National Organizer. LLOYD is identified in these articles as the former Executive Officer of the National Socialist White People's Party (NSWPP) of Arlington, Virginia (formerly the American Nazi Party). CHARLES H. MC GUIRE, according to these articles, is office manager of the NYA offices in Washington, D. C., and EARL THOMAS is an assistant to MC GUIRE. Dr. WILLIAM L. PIERCE (former Information Officer of the NSWPP) is mentioned in the articles as an "NYA friend" but reportedly is not on the payroll.

NYA Attack Mounted in Dallas

NYA's Action Unit in Dallas went into action April 2, protesting the System's "illegal" lynching of Lt. William Calley. Led by Andy Anderson and Ed Kessinger, Dallas NYA'ers helped form a downtown parade in Calley's behalf. They carried signs demanding Calley's freedom and distributed copies of ATTACK! to many of the approximately 2,000 persons in the demonstration.

Following the parade Anderson and Kessinger adorned a station wagon with a sign demanding "Free Calley Now," loaded it with ATTACKS's, and drove through the streets of Dallas, stopping at a number of likely intersecting minutes to sell copies of ATTACK! to interested persons.

Later, Anderson formed a demonstration at nearby C Force Base which received local coverage.

Our Dallas Action Unit reveals the wake of the Calley convicts have been more successful in dealing with other groups and organizations ranging from local teenagers to a few Dallas "head shops 2--"in handling ATTACK! sales mission basis.

Operation Miami Launches Spring Organizing Drive

On March 19th and 20th, the National Office sent Louis Byers to Miami to confer with local NYA members and supporters. This is being followed with an intensive organizing campaign in the Miami area by Robert Lloyd, which is getting underway as this ACTION goes to press. We will have a full Miami report next month.

Meanwhile, Mr. Byers is in Cleveland to lay the groundwork for an organizing effort there by Mr. Lloyd within the next few days—funds permitting.

After Fifty Years

After a delay of nearly fifty days, our printer has finally delivered to us a new supply of Dr. Oliver's brilliant article, "After Fifty Years." While they last, you may have 10 copies for one dollar.

Equipment Still Needed

The National Office could get more work done faster—and save money, too—if we had a few items of equipment we cannot afford to purchase at this time. Presently on our "want list" are:

- A good, dependable mimeograph or other office duplicator. We now must have all our form letters sent out for printing, which means expense and delay which could be avoided.
- A postal scale with a capacity of 50 pounds. Believe it or not, good postal scales cost over $100, but we really need one to cut out the guesswork in our mailing department.

NOTES

- A used but serviceable station wagon or light delivery van. Trying to haul dozens of heavy mail sacks to the post office in a light passenger car is an aggravating nuisance. With a vehicle better suited for the purpose we could cut our postal runs through Washington's ungodly traffic to one each day.
- Any member or supporter who can contribute any of these items should phone the National Office at once. Our number is (202) 333-8562.

Be an ATTACK! Reporter!

For most of the background material used in writing ATTACK!, we are dependent on the System press. Yet much of the most interesting news never comes to our attention, because although it is reported in local newspapers where it happens, it is killed by the major wires and never appears in the Washington newspapers.

Every NYA member can be an ATTACK! reporter if he will clip interesting news items from his local newspaper and send them to us. Especially useful are good press photos. Be careful not to underline or otherwise mark up clipped photos you send us, because we want to reproduce them proportionally. If you want to call us to our attention, please mark the margin.

Send ACTION News

Whenever any NYA member or a Unit carries out any local activity that is at all newsworthy, it should be reported to the National Office. Be sure to send us at least one complete set of clippings from any local newspaper coverage.

Thanks to Our Pledgers

The entire National Office staff wants it to be known that the fact that NYA is still alive and kicking is due to a relative handful of dedicated Americans who have recently become monthly NYA pledgers. Without their selfless devotion to our cause, we simply would not be able to pay our bills and keep the doors open here.

There are only a few hundred of them at this time—mighty few shoulders to bear so much of the burden. But the support which comes in each month from our pledgers is what makes the difference. It is the one portion of our monthly income which we can actually budget for our fixed expenses. It's what we can always count on, regardless of the response to our monthly fund appeal.

God bless our pledgers!

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 20, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "racing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

The National Socialist White People's Party, also known as The American Nazi Party, American Nazis, and The George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolf Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

On June 16, 1971, the "Detroit Free Press," a daily newspaper published in Detroit, published an article entitled "Dearborn to Host Nazi Group." The article is paraphrased as follows:

Dearborn will host a conference of the Neo-Nazi National Youth Alliance on July 3 and 4, 1971, at the Congress Inn, 12800 Michigan Avenue, Dearborn, Michigan.

The upcoming National Youth Alliance conference will draw delegates from across the country to include Willis Carto, head of Liberty Lobby and a contributor to a myriad of extremist causes, and James K. Warner of Los Angeles.
Re: National Youth Alliance

the Hollywood based Sons of Liberty.

The national director of the National Youth
Alliance and organizer of the conference is Patrick Tifer
of Warren, Michigan.

Tifer promises the National Youth Alliance conference
will be a "liberal blockbuster."

"The National Youth Alliance intends to issue an
indictment against the zionists and liberal conspiracy for
war crimes against humanity and for involving American
armed forces in internationalist-inspired wars.

"At the meeting a date and place will be announced
for the pending National Youth Alliance war crimes hearings,"
Tifer said.

I. BACKGROUND

A. History

(A characterization of the SDS appears in the Appendix to this report.)

Subsequently, under the leadership of National Organizer LOUIS T. BYERS, NYA promoted a "four-point program" to counter radical student and "black power" movements and also to assert the positive values of "western destiny" as promulgated in FRANCIS PARKER YOKEY's book, "Imperium." "Imperium" is a philosophical tract extolling the virtues of a Northern European civilization and warning against its adulteration by Jews, Negroes, Orientals and other "culture distorters", according to "The Washington Post", a daily newspaper published at Washington, D.C., in an article in the December 22, 1969, issue, Page A3, entitled "NYA: Alive and Well."

The December, 1970 (Number 14), issue of "Action", internal news organ of the Washington-based NYA, reported the reorganization of the NYA and its new operational structure in a lead article entitled "Reorganization: New NYA Emerges." The article states by way of background that the expenses of the ambitious NYA program over a period of nearly two years since its initial formation had "inevitably" exceeded income, and the organization had become indebted to the amount of more than $40,000. It was further stated that during the period of financial crisis, the situation was aggravated by two burglaries of the NYA National Office in which "several thousand dollars worth of office equipment, film, postage stamps, and mail-handling machinery" were stolen. The article said that with bankruptcy looming, a new corporation free of debts was formed and new offices in a more secure building were established.

C. Power Struggle Precipitated by Reorganization
The "Washington Observer Newsletter", which is published semi-monthly at 5630 Borwick, South Gate, California, carried an article in its issue of April 1, 1971 (Number 116), entitled "Convoluted Concentric". This article alleges a continuing campaign to obliterate Liberty Lobby and states that LOUIS T. BYER had sworn to destroy that organization. The article implies that BYERS was acting in league with MURRAY CHOTINER, former adviser to President RICHARD M. NIXON, whom "Washington Observer Newsletter" asserts, was the "main operator" in a "divide and conquer" strategy directed against conservative elements.

The above article states that Civil Action Number 1286-70 is a suit brought by Liberty Lobby, Incorporated, in the United States District Court for the District of Columbia against American Lobby, Incorporated; LEO DONALD PHILLIPS; LEO DODSON; HAROLD SHIFFLETT; and MICHAEL D. JAFFE for the unlawful appropriation of Liberty Lobby's mailing list. According to this article, "In a deposition filed in this lawsuit, Louis T. Byers has admitted that he stole the mailing lists of Liberty Lobby, and The American Mercury/Washington Observer Newsletter, and sold them to Leo Donald Phillips, and to 'The Thunderbolt'".
The Thunderbolt" is the publication of the National States Rights Party, which is characterized in the Appendix to this report.)

The "Washington Observer Newsletter" article, "Convoluted Concentric", is quoted in part as follows:

"In 1969, LOUIS T. BYERS became responsible for the operation of the National Youth Alliance (NYA), which had been formed in 1968, from a nucleus of youthful supporters of GEORGE WALLACE to combat the dope, narcotics, militant liberalism, and anarchy dominant on the campuses of colleges throughout the country. Considering this a worthy purpose, WO (Washington Observer) permitted the NYA to use its mailing list, for a one-time mailing in an effort to promote financial support. Contrary to explicit and direct instructions, BYERS copied this mailing list before using it for NYA, and has since then been actively instigating its use by others."

The above article relates that BYERS had alleged the NYA office at Dupont Circle was broken into and robbed. It adds, however, that the former field director of the NYA, MICHAEL D. RUSSELL, who had worked under BYERS for at least a year, "says that he is sure that the 'robbery' was staged by BYERS in order to make some financial files, which documented BYERS' mishandling of contributions, disappear."

Investigation on June 8, 1971, at the United States District Court for the District of Columbia, Washington, D.C., confirmed that case number 1286-70 on the Civil Action Docket is an action brought by Liberty Lobby, Incorporated, against American Lobby, Incorporated; LEO DONALD PHILLIPS; L.F. DODSON; HAROLD SHIFFLET; and MICHAEL D. JAFFF on April 28, 1970, seeking damages for conversion and other tortious acts and for an injury. The case is presently pending before Judge BRYANT.

Investigation on June 8, 1971, at the United States District Court for the District of Columbia, Washington, D.C., confirmed that case number 475-71 on the Civil Action Docket is an action brought by LOUIS T. BYERS for libel damages in the amount of $175,000 filed March 5, 1971, against C.B. BAKER; WILLIS A. CARTO; Liberty Lobby, Inc.; PATRICK TIFER; and FOSTER MORRISON.

The investigation at the United States District Court on June 8, 1971, disclosed that on May 26, 1971, an order by Judge WADDY granting the motion of defendant FOSTER MORRISON for a summary judgement was entered in the record of civil action number 475-71.
II. ORGANIZATIONAL STRUCTURE

A. Articles of Incorporation

(1734 Wilson Boulevard, Arlington, Virginia, is the former address of the Lincoln Rockwell Bookstore. The Lincoln Rockwell Bookstore, formerly sponsored by the NSWPP and operated by ROBERT A. LLOYD, was an outlet for literature printed and/or recommended by the NSWPP.)

B. National Offices

"Rightists Open New Offices," stated that the NYA had opened new offices in Georgetown at 1656 Wisconsin Avenue, N.W., Washington, D.C. The article indicated that the NYA had first opened offices near Dupont Circle in Washington but outgrew available space there.

The December, 1970, issue of "Action," supra, disclosed in a front page article that the NYA had obtained new offices at 1656 Wisconsin Avenue, N.W., Washington, D.C. A picture of the building in which the new NYA space is located was printed with the article. In the January, 1971, (Number 15), issue of "Action," it was reported that the address of the NYA National Office had been changed from 1656 Wisconsin Avenue, N.W., Washington, D.C., to 1656 33rd Street, N.W., Washington, D.C., due to the preference of postal authorities on the basis of the location of the NYA building.

The above mentioned story by PAUL W. VALENTINE in "The Washington Post" of December 22, 1970, revealed that the new NYA location included a "Western Destiny" bookstore with about three hundred titles which was soon to be expanded to five hundred different works. The article stated that a part of the bookstore's inventory had come from the defunct NS"TF bookstore in Arlington, Virginia. The bookstore was said to carry "a broad selection of philosphical and political tracts, anthropological treatises on white or Aryan superiority, and assorted books alleging a Zionist conspiracy to undermine Western civilization, and other publications." "Imperium," by FRANCIS PARKER YOCKET, reportedly is the store's best seller.
The December, 1970, issue of "Action," supra, disclosed that the new NYA organization had obtained a book sales subsidiary under the general management of the new National Organizer, ROBERT A. LLOYD.

On January 15, 1971, the following organizations and individuals had mail boxes at 1656 Wisconsin Avenue, N.W. (now 1656 33rd Street, N.W.), Washington, D.C.:

National Youth Alliance
Western Destiny Books

C. National Leadership

1. Directors

2. National Officers and Staff

The December, 1970, issue of "Action," supra, reported that a new staff had been recruited for NYA, and in an article entitled "New National Office Personnel," CHARLES H. MC GUIRE of Brooklyn, New York, was identified as NYA National Office Manager and ROBERT A. LLOYD of Richmond, Virginia, as new National Organizer of NYA, replacing LOUIS T. BYERS. The article announced that BYERS had moved up to the position of NYA President and would "be concerned primarily with long-range planning and fund raising."
"Action" (Number 16), dated March, 1971, in an article entitled "Two More National Office Staffers," announced that Dr. WILLIAM PIERCE had become NYA's Editor-in-Chief and that JAYL THOMAS had taken charge of the NYA mail-order department. PIERCE was said to be a former research scientist and university professor at Oregon State University where he taught physics courses. THOMAS was said to be a native of Philadelphia (Pennsylvania) and to have attended Temple University.

According to the above article in the March, 1971, issue of "Action," PIERCE wrote for several right-wing publications prior to being recruited by NYA: The article stated that PIERCE had usually written under pen names to avoid implying any connection between the publications for which he wrote. The article states, "Now that he will be devoting all his efforts to NYA, however, he is abandoning his latest nom de plume, 'LUTH WILLIAMS,' and will be writing and editing under his own name."
"The Washington Post" article of December 22, 1970, supra, attributes the following statement to LOUIS T. EYERS:

"Working with a 25,400 member mailing list for financial support, NYA has rapidly increased its administrative workload in the last year and will at least double its present staff of four in the next few months.

Concerning the NYA Advisory Board, an article appearing in the November 15, 1970, issue of "The Washington Post" at page D1, contains the following:

"NYA's advisory board is filled with Liberty Lobby friends whose efforts in conservative causes are frequently cited and praised by the lobby.

"Board members include retired Admiral JOHN G. CROMMELIN, sharp critic of what he calls the 'Jewish-Communist conspiracy'; AUSTIN J. APP, specialist in Nazi Germany apologetics, who contends the estimate of six million Jews exterminated by Nazis in World War II is vastly exaggerated; retired Marine Lieutenant General PEDRO DEL VALLE, who praised MUSSOLINI's 'sagacious leadership' in the invasion of Ethiopia in the 1930's, and REVILO P. OLIVFR, University of Illinois classics professor who says America's once-noble 'Indo-European or Aryan' civilization is now 'covered with alien slime.'"

With respect to the NYA Student Council, it is noted that JAMES ROBERT DUNCAN, Vice President of the NYA Chapter, St. John's University, New York City, is reported in "The Downtowner," student publication of St. John's University, Downtown Campus, Brooklyn, New York, issue of September 23, 1970
at page three, to have admitted membership in the "National Socialist Party." According to this report, DUNCAN "advocated National Socialism (Nazism) 'because we are in a time of crisis'" and "explained that if the National Socialists were in power, America would win in Vietnam,' and 'clean up the traitors at home.'"

The June, 1970 (Number 12) issue of "Action" identified CHARLES MUNCASTER as a student at the University of Auburn, in Alabama, and "NYA Alabama Chairman." "Action" stated that MUNCASTER had challenged the draft, since "his father forbade him to register for service under United Nations when he was eighteen, and at 21 he reaffirmed his father's patriotic beliefs."

"Action" issue of July-August, 1970, (Number 13), reported that MUNCASTER had been found guilty of "draft evasion" and had appealed the decision. "Action" also reported that MUNCASTER's father, ROBERT G. MUNCASTER, had received a sentence of three years in prison upon conviction of the charge of interfering with draft laws.

The May, 1970, (Number 11), issue of "Action" reported the appointment of E.H. "SCOTT" WINCHESTER, JR., as Southern California Chairman for the NYA.
D. Membership

"The Washington Post" article of December 22, 1970, supra, states on page B5 that LOUIS T. BYERS claimed 8,000 members for the NYA, "with a large portion of them organized into 62 campus chapters, ranging from the University of Chicago and New York University to Kent State University in Ohio." According to the article, NYA allegedly works with "a 25,400 member mailing list for financial support."

E. Publications and Propaganda

The December, 1970, issue of "Action," supra, reports a "New Publication Program" begun by the NYA. According to "Action," both NYA's tabloid newspaper, "Attack!", and the NYA newsletter, "Action," were to be published on a regular, monthly basis, thus providing NYA members, supporters and subscribers a new issue of either "Attack!" or "Action" every two weeks.
According to the January, 1971, issue of "Action," supra, NYA had commissioned a half hour sound-and-color filming of Professor REVILLO P. OLIVER delivering his lecture, "After 50 Years." "Action" reported that when the film was finished, NYA did not have the money to pay for it, and the filmmaker repossessed NYA's only print of the film. "Action" stated that arrangements had been made to use the film once again for showings to NYA groups and potential NYA supporters.

As previously noted in this report, the Western Destiny Bookstore, an NYA subsidiary, occupies space in the NYA building, 1656 33rd Street, N.W., Washington, D.C. The Western Destiny Bookstore is distributor for the type of books and other printed material described above. "The Washington Post" reported on December 22, 1970, that the bookstore carried 300 titles, including part of the inventory of the defunct NSWPT bookstore, and expected to increase its stock to 500 different works soon.

IV. ACTIVITIES

A. National Activities

Lieutenant A. V. CONOVER, United States Park Police, 1100 Ohio Drive, S.W., Washington, D.C., advised on January 29, 1971, that the NYA, 1656 Wisconsin Avenue, N.W., Washington, D.C., had filed a notice of proposed demonstration plans between January 30, 1971, and February 20, 1971, at the White House and in Lafayette Park, H Street, N.W., between 15th and 17th Streets, N.W., Washington, D.C. The purpose of the demonstration was stated to be to "Tell the President to 'Win the War Now'; 'Bring our Prisoners of War Back - Now'; Protest Against Handling of Simas Kudirka Defection Case; Religious Freedom for Shelton College."

According to the above source, the "U. S. Patriots' Victory March Committee", National Press Building, Washington, D.C., and "Shelton College Students Protesting for Religious Freedom" were to be invited to participate in the NYA demonstration. The demonstration was to include picketing in front of the White House, possibly speeches of no more than fifteen minutes each by individuals affiliated with the sponsoring or participat
organizations, and the display of picket signs and, possibly, a banner. The maximum number of participants was estimated at not more than one hundred.

The individual sponsors of the proposed NYA demonstration were identified as RICHARD MEYER, 1702 19th Street, N.W., Washington, D.C.; ROBERT O'CONNOR, 1811 19th Street, N.W., Washington, D.C.; and IRENE JAMES, Post Office Box 4316, Washington, D.C. The sponsoring organization, NYA, was described as a "Political youth movement", and its principal national officer was identified as LOUIS T. BYERS, President.

According to the April, 1971, issue (Number 17) of "Action", the NYA National Office sent LOUIS BYERS to Miami (Florida) in March to confer with local NYA members and supporters. "Action" states that BYERS' trip is being followed
up with an intensive organizing campaign in the Miami area by ROBERT LLOYD. It was further indicated in "Action" that BYERS was then in Cleveland (Ohio) to lay the groundwork for an organizing effort there by LLOYD, "funds permitting".

"Action", March, 1971, issue, supra, revealed that LLOYD spoke to an audience of about 1,200 people on the evening of January 27 (1971) at Western Maryland College (Westminster, Maryland). According to this source, LLOYD talked to students for about two hours on NYA philosophy and policies.

The April, 1971, issue of "Action", supra, carries photographs which reportedly show LLOYD on the campuses of Georgetown University and George Washington University, Washington, D.C., distributing NYA literature.

According to "Action", issue of May, 1971, (Number 18), NYA National Organizer ROBERT LLOYD spent four days in Miami and three days in Cleveland recently, exploring organizational possibilities in both cities. LLOYD reportedly will evaluate local NYA strength in those areas on the basis of conferences with local activists and will lay plans for future developments.

"Action", issue of May, 1971, supra, also reported that a number of NYA members had participated in Reverend CARL MC INTIRE's "March for Victory" in Washington, D.C., on May 8, 1971. The "Action" article stated that although NYA disagreed strongly with MC INTIRE on a number of issues, "NYA nevertheless used the opportunity to express its strong opposition to the Nixon regime's persecution of Lt. WILLIAM CALLEY and to treason by the Washington government in general."

The "Action" article last mentioned above reported that in a demonstration at the Capitol in Washington on May 5, 1971, an NYA member, HAMILTON BARRETT, intervened to halt an
attack by demonstrators upon a bystander carrying a South Vietnamese flag. It was stated that BARRETT fractured a bone in his right hand in felling one of the attackers.

B. Regional Activities

1. Dallas - Fort Worth, Texas

The March, 1971, issue of "Action", supra, in a front page article entitled "NYA Spirit Showed at U of Texas", states that NYA activist ANDY ANDERSON had burned a Viet Cong flag on the Arlington campus of the University of Texas in a counter-demonstration to a rally in protest of the invasion of Laos sponsored by the American Civil Liberties Union. The article stated that the incident aroused so much interest that ANDERSON and his fellow NYA'ers in Arlington were able to collect eighty dollars for 1,000 copies of "Attack!", which were distributed at Arlington and two other campuses in the Dallas-Fort Worth area.

ANDY ANDERSON was also featured on the front page of the April, 1971, issue of "Action", supra, which reported ANDERSON's activities in downtown Dallas and at Carswell Air
Force Base in protest of the verdict finding Lieutenant WILLIAM CALLEY guilty in the My Lai massacre. ED KESSINGER is identified in "Action" as another Dallas NYA'er who joined ANDERSON's protest.

The May, 1971, issue of "Action", supra, noted that NYA activist ANDY ANDERSON had discussed the NYA's Vietnam position on the "Open Line" radio program over station KBUY, Dallas-Fort Worth, on April 26, 1971.

2. Detroit, Michigan

An article appearing in the "Detroit Free Press", a daily morning newspaper published at Detroit, Michigan, on January 8, 1971, disclosed that a "national neo-Nazi" organization had been instrumental in stirring up white student militancy at Detroit area high schools. This article indicated that Statecraft, a confederation of white supremacists, anti-Semites and anti-communists based in Washington, D.C., and its student organizing arm, the NYA, were both headed by Patrick Tifer of Warren, Michigan.
3. Jamaica, New York

The September 25, 1970, issue of "The Torch", Volume XLV, Number 3, a student publication of St. John's University, Jamaica, New York, reported on page one that the Student Council had voted unanimously on the previous Saturday to withdraw from the NYA the power to organize on the St. John's campus which had been granted on June 18 (1970). It was indicated that the St. John's University NYA had as its stated aims "to educate the students through discussion groups and lecture series regarding the dangers of Communism and Zionism; to perpetuate the ideals and ideas of Americanism; and to provide the community with a means of action through the voice of the St. John's University National Youth Alliance". It was stated that an Ad Hoc Committee formed to investigate the NYA had reported that NYA had violated its stated aims. The committee concluded that "Derogatory remarks concerning Jews and Blacks do not serve to educate students concerning the dangers of Communism and Zionism." STEVE LYNCH and JAMES DUNCAN were identified in the article as President and Vice President, respectively, of the St. John's University NYA. The article stated that LYNCH had denied NYA was affiliated officially with the "American Nazi Party or the American (National) Socialist White Peoples' Party". DUNCAN was reported to have stated following the Student Council veredict that the NYA would go "underground".
"The Downtowner", a student publication of St. John's University Downtown Campus, Brooklyn, New York, on September 23, 1970, reported interviews with LYNCH and DUNCAN. According to the article, entitled "NYA Leaders Claim "No Justice for Nationalists"", DUNCAN advocated "National Socialism" and admitted membership in the "National Socialist Party". According to the article, DUNCAN stated that the NYA would work with the National Socialists but was not a "front" for the "National Socialist (American Nazi) Party".

The events regarding the St. John's University NYA appeared in an article in the December, 1970, issue of "Action", supra. "Action" stated that the NYA could claim "a bare 80 members" among the 12,000 students at St. John's University. According to the report in "Action", "Our chapter leaders at St. John's report that they intend to redouble their organizing efforts as an answer to the liberals".
4. Miscellaneous

"The Washington Post" article of December 22, 1970, cited previously herein under the caption "Membership", states that NYA claims "62 campus chapters, ranging from the University of Chicago and New York University to Kent State University in Ohio."

It is noted that the July-August, 1970, issue of "Action", supra, purports to give "The REAL Kent State Story" in a front page article. "Action identifies ELIZABETH KEIM as an NYA correspondent who witnessed conditions at Kent State University at the time of student protests in May, 1970, which resulted in the slaying of four Kent State students by National Guardsmen, and reports her observations.

As noted above under the caption "National Activities, NYA reportedly is conducting organizing activities at Cleveland, Ohio, and Miami, Florida."
V. CONNECTIONS WITH OTHER ORGANIZATIONS

A. United Hard Hats of America

The July-August, 1970, issue of "Action", supra, in an article entitled "Confrontation", states that NYA had joined with the United Hard Hats of America in their march on Cleveland (Ohio) on August First. The article reported that the march had provoked an attack "by approximately fifty hard core Communists". "Action" disclosed that LOUIS T. BYERS was the main speaker at the rally and "condemned not only the Leftist agitation against the Vietnamese war, but also the 'insane no-win policy' of the Nixon administration."

B. National States Rights Party

(Thunderbolt, Incorporated is publisher of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party". The National States Rights Party is characterized in the Appendix to this report.

C. Liberty Lobby

An article in the November 15, 1970, issue of "The Washington Post", page D1, entitled "Liberty Lobby Does All Right By Itself", states that Liberty Lobby maintains ties
with NYA. The article alleges that the then current issue of the NYA newspaper, "Attack!", was financed by Liberty Lobby's WILLIS A. CARTO, according to LOUIS T. BYERS. BYERS is quoted as stating that CARTO "personally read and approved all the articles". "The Washington Post" article states that Liberty Lobby employees assisted NYA during its formative months and NYA used the Liberty Lobby's mailing list. It further noted that "NYA's advisory board is filled with Liberty Lobby friends whose efforts in conservative causes are frequently cited and praised by the lobby".

"The Washington Post" article of May 16, 1971, supra, states that CARTO, "founder and treasurer of Liberty Lobby, a large, successful, conservative legislative pressure group working out of Washington", is a central organizer and supporter of the NYA. According to this article, Liberty Lobby employees have given clerical assistance to the NYA, served as officers of the NYA corporation and rented it portions of the Liberty Lobby mailing lists. The article states that NYA postage had been paid with Liberty Lobby checks and that "CARTO set up a paper organization called the Council on Dangerous Drugs in 1969 to raise money primarily for NYA".

The above mentioned article in the May 16, 1971, issue of "The Washington Post" quotes LOUIS T. BYERS as follows:

"When NYA was being formed," BYERS said, "CARTO told me Liberty Lobby was a temporary institution which would eventually by 'undercut' by NYA and fade out of existence. 'Undercut' was the word he used.'

"Several disillusioned Liberty Lobby employees have since quit, said BYERS, 'because through CARTO's association with me and NYA, they saw their little
constitutionalist bubble beginning to break."

"BYERS and CARTO, for that matter, have split up, too. Their breakup comes at the end of the tangled if brief history of NYA."

B. Objectives, Policies, and Program

NYA "Strategy", as enunciated by the NYA President, includes building an organizational framework of young people to launch an American mass movement, which will utilize the flexibility, vigor, and natural idealism of youth, as well as their disaffection for "the existing corrupt establishment"; and exploiting issues raised by "Marxist opponents", namely, the threat of Black Power, the degeneracy of the "drug culture", the disruptions of the SDS and other anarchist groups, and the wasting of American "blood and treasure in suicidal or fratricidal foreign wars".

The "Goals and Objectives of the National Socialist White People's Party", supra, states that if America is to survive as a nation, the catastrophic system of irresponsible
misgovernment, incompetent leadership, and self-serving party politics which rules today must be ended. It states further that America must never again be led into a fratricidal war, like the last two World Wars, for the sake of alien, minority interests, and that we must rid ourselves of the suicidal, anti-white insanity which has determined America's attitude toward the other nations of the world for so long.

According to the "Goals and Objectives of the National Socialist White People's Party", supra "We must turn our people from their present path of materialism, cynicism, and egoism and inspire them with a new faith based on racial idealism." It states that only in this way can the alienation and isolation of individuals which exists today be replaced with a sense of racial communion. "We must have an America," this NSWPP tract declares, "without swarming Black filth in our streets and schools, on our buses and in our places of work". It further states that every tendency toward degeneracy or subversion, every threat to racial integrity, every form of organized crime or vice, every element which threatens public terror or chaos must be utterly destroyed.

Finally, "Tactical Priorities" for the NYA are outlined by NYA President, LOUIS T. BYERS, as the establishment of a headquarters, staff, and regular publication schedules, followed by organizing, recruitment of new members, and the development of "a field program of rallies, speeches, demonstrations, instruction in martial arts, the mass distribution of propaganda, et cetera."

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Also Known As The American Nazi Party,
American Nazis, The World Union of Free
Enterprise National Socialists, The
George Lincoln Rockwell Party

On May 29, 1968, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP - WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP - WUFENS supports and follows the line of hatred against Negroes, Jews, and Communists, through speeches, published literature, demonstrations, and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

NATIONAL STATES RIGHTS PARTY

On August 4, 1965, a source advised that Edward R. Fields, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue Number 126, dated June, 1970, of "The Thunderbolt" lists Dr. Edward R. Fields as the National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.
APPENDIX

REVOLUTIONARY YOUTH MOVEMENT

A source advised that the Revolutionary Youth Movement II (RYMI) faction of Students for a Democratic Society (SDS) held a national conference at Atlanta, Georgia, from November 26 to 30, 1969. At this conference it was decided to form a new organization to be known as Revolutionary Youth Movement (RYM), characterized as a mass anti-imperialist youth organization, said organization being proposed as separate and distinct in form and content from SDS. The "Principles of Unity" adopted by the conference included a struggle against white supremacy and male supremacy; fight against imperialism, anti-communism, fascism and oppression of youth; and support of the right of self-determination of all "oppressed nations," also support of the right of all "oppressed and exploited" peoples "to armed self-defense." It was agreed that RYM would not be a Marxist-Leninist organization; however, source said this was decided in order to indicate an organization broad enough in form to be acceptable to everyone. A temporary National Steering Committee (NSC) made up of eight females and two males was elected to govern RYM until national officers could be elected during the Spring of 1970.

RYM publications have listed the RYM National Office (NO) at Post Office Box 848 and Post Office Box 77012 C, both Atlanta, Georgia, and a second source has advised that the NO has no office space but would probably be considered as located at Apartment 27, 1067 Alta Avenue, Northeast, Atlanta.

Second source advised that women dominated the founding conference and have continued to dominate NSC meetings to the point that "women's liberation" has apparently become the RYM's principal issue - also that RYM's poor financial condition has resulted in its failure to publish a paper. During early 1970, RYM has decided to cater to the working class rather than youth, since the potential for social revolution lies in workers.

A third source has stated that it was decided at the March, 1970, NSC meeting that RYM women had decided the organization will be molded into a "working class, Marxist-Leninist, revolutionary, anti-imperialist, problack nationalist, people's women's liberation organization."

The SDS is characterized separately in the Appendix.
STUDENTS FOR A DEMOCRATIC SOCIETY

Students for a Democratic Society, commonly known as SDS, came into existence at a founding convention held during June, 1962, at Port Huron, Michigan. From an initial posture of "participatory democracy," Marxist-Leninist ideology of various shadings became predominant during 1968-1969 with debate centering on how best to create a revolutionary youth movement. SDS moved from involvement in the civil rights struggle to an anti-Vietnam war position to advocacy of a militant anti-imperialist line linking up the oppressed peoples of Asia, Africa and Latin America with the black liberation movement in the United States. All major factions within SDS embrace Marxism-Leninism and identify internationally with China, Cuba and North Vietnam as countries leading the worldwide struggles against the United States. However, the Soviet Union was regarded as imperialist and with the Communist Party, United States of America, "revisionist" in nature.

SDS operated under a national constitution which called for an annual National Convention (NC) and quarterly National Council meetings wherein programs were initiated and debated. Three national officers were elected annually, with a National Interim Committee to run the organization. Regional offices and college chapters elected delegates to the national meetings but each functioned independently on local matters. Its official publication "Fire" (formerly "New Left Notes") last appeared in December, 1969.

Internal factionalism of serious proportions developed during 1968-1969 and the following three factions evolved as a result of a split at the June, 1969, NC: Weatherman, Worker Student Alliance (WSA), and Revolutionary Youth Movement (RYM). The effect of the split on SDS chapters throughout the country was divisive. Some aligned with one or the other of the three major factions. Others, unable to identify with any faction, disassociated with SDS completely and changed names.

The SDS national office in recent years was located at 1608 West Madison Street, Chicago, Illinois. It was closed in February, 1970.

The Weatherman and RYM groups no longer consider themselves associated with SDS, and the WSA group refers to itself as the true SDS.

Weatherman, WSA and RYM are characterized separately.
WEATHERMAN

Initially called the "Action Faction," Weatherman came into being immediately before the June, 1969, Students for a Democratic Society (SDS) National Convention (NC). At this NC Weatherman won all three national officer positions and a majority of the National Interim Committee as well. Subsequently, they took over the SDS National Office (NO) in Chicago, and controlled its funds, paper and national records. Although internal struggle existed until late 1969, Weatherman for all major purposes controlled SDS nationally from June, 1969, until its NO closed in February, 1970. At this time it no longer considered itself part of SDS.

The term Weatherman emerged from an ideological paper prepared by its leaders entitled "You Don't Need a Weatherman to Know Which Way the Wind Blows" ("New Left Notes" June 18, 1968). This statement outlined the basic stance of Weatherman: Marxist-Leninist in content but with strong advocacy that action not theory would bring about revolution in the United States. This posture was complemented with an international identification to the Cuban revolution and Castro's statement that the duty of a revolutionary is to make revolution.

During October, 1969, Weatherman rioted in Chicago resulting in more than 260 arrests for mob action and related charges. A program of armed struggle was finalized during December, 1969, "War Council" wherein terrorist tactics and political assassination were contemplated. The basic strength of Weatherman was then revealed to be more than 200 nationally and geographically apportioned to the Midwest, New York, and some Northwest.

As its rhetoric of violence escalated, Weatherman leaders increasingly discussed the necessity of an underground operation wherein more than 90 percent of the organization would be submerged; "affinity group" of three - five members would function independently. In February, 1970, Weatherman leaders announced a program of "strategic sabotage" with police and military installations as primary targets.

In February, 1970, Weatherman abandoned the SDS NO, 1608 West Madison Street, Chicago, Illinois, and throughout the country entered an underground status.

The SDS is characterized separately in the Appendix.
Worker Student Alliance/Progressive Labor Party

A source advised during August, 1969, that at the National Convention (NC) of Students for a Democratic Society (SDS) held in Chicago, Illinois, during June, 1969, a split arose between the Progressive Labor Party (PLP) and the National Office (NO), the NC becoming known as the Movement faction. The PLP faction drew the largest support among those in attendance at the NC.

Source further advised that during late Summer, 1969, the PLP faction of SDS established its National Headquarters (NH) on the second floor of a loft-type building at 1734 Massachusetts Avenue, Boston, Massachusetts. The campaign on which the PLP faction centered was to build a worker student alliance or a campus worker student alliance. Thus they adopted the name of Worker Student Alliance (WSA) or Campus Worker Student Alliance.

Source stated that the "Low Left Notes," printed in New York City, is the official publication of the WSA faction.

A second source advised during January, 1970, that within the SDS, the WSA is a caucus of which the PLP constitutes the leadership.

A third source advised during July, 1970, that demonstrations staged in the Boston area during the Spring and Summer of 1970 by the NH, the main theme of previous demonstrations staged by the NH shifted from protestations of the Vietnam War and other United States foreign policy matters to attacking domestic issues such as racism and unemployment and demonstrating support of the "workers' struggle."

The SDS and PLP are characterized separately in the Appendix.

YOUTH AGAINST WAR AND FASCISM

A source advised on March 29, 1965, that the Youth Against War and Fascism (YAWF), formerly known as the Anti-Fascist Youth Committee, was established by the Workers World Party (WWP) in the summer of 1962 to bring college and high school youth into the periphery of WWP activities and thereby gain recruits for the organization.

A second source advised on October 23, 1964, that a flyer distributed by the YAWF describes that organizations as a militant organization of young workers and worker-students for combating war and fascism.

The first source advised on May 1, 1970, that the YAWF maintains its headquarters at 58 West 25th Street, New York City, and publishes a magazine called "The Partisan."

THE NATIONAL YOUTH ALLIANCE

The National Youth Alliance is an outgrowth of the political group called Youth For Wallace (YFW). The membership list of YFW automatically became the mailing list of the NYA. The YFW is now a defunct organization.

The National Youth Alliance claims the following objectives:

1. To oppose the use of dangerous drugs and narcotics on campuses and to run pushers off college campuses.
2. To neutralize and overcome black power.
3. To reassure law and order to the campuses. To use violent means to combat the Students for a Democratic Society if college officials do nothing.
4. To bring peace to America and oppose involvement in wars overseas.

EXTREMIST MATTER - NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization which was formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 presidential election to counter radical leftist and anarchist influences which were considered to be fomenting chaotic conditions on the campuses of American colleges and universities. NYA, under the leadership of its National Organizer, Louis T. Byers, promoted a "4-Point Program" which 1) opposed the use of dangerous drugs and narcotics; 2) pledged to neutralize and overcome Black Power groups; 3) opposed anarchist, Marxist and other radical groups; and 4) opposed American involvement in foreign wars, such as the "no-win" war in Vietnam and the Zionist war in the Middle East. A reorganization in the latter part of 1970, vested control of NYA in Byers as President, Robert A. Lloyd, III, Vice President; and William L. Pierce, Secretary-Treasurer. Lloyd and Pierce are former officials of the National Socialist White People's Party (NSWPP).

DATE: 8/30/71

For the information of all offices, the Summer, 1971, issue of the NYA tabloid newspaper "Attack!" in an article entitled "Revolutionary Notes" printed instructions, including diagrams, for constructing "medium-sized bombs." In an accompanying editorial captioned "Why Revolution?", it was stated that it is no longer possible to cure "the System" by constitutional methods and indicated that NYA would be responsible for taking a leading position in coming revolutionary developments, which could mean "blood and chaos and battling the alien enemy from house to house in burning cities throughout our land."

The above issue of "Attack!", at Page 3, Columns 4 and 5, carried an article entitled "New Action Units Formed." This article disclosed that three new NYA Action Units had been organized in recent weeks and named the new units as follows:

NYA - Richmond

NYA - City Island

On August 22, 1971, "The Washington Post", a daily newspaper published at Washington, D. C., printed an article by Paul W. Valentine on Page D1 entitled "Extremists on Both Ends Tell How to Blast the Middle". This article refers to the "Attack!" editorial, "Why Revolution?", in pointing out that NYA's advocacy of violent revolution is much less cautious than the exhortations of the "so-called Radical Left", as presented
NATIONAL YOUTH ALLIANCE

In such publications as Washington's underground newspaper, "Quicksilver Times", Valentine quotes a "Quicksilver Times" staff member to the effect that "Quicksilver" advocates "self defense" rather than "violence" and stated that "Quicksilver" had obtained advice from an attorney about possible legal liability under various federal statutes prohibiting advocacy of violence in connection with its publication of "how-to" manuals for the manufacture of explosive devices.

Attached hereto are reproductions of the "The Washington Post" article, "Extremists on Both Ends Tell How to Blast the Middle".

It is noted that the NYA is an organization which was formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election to counter radical leftist and anarchist influences which were considered to be fomenting chaotic conditions on the campuses of American colleges and universities. A reorganization in the latter part of 1970 vested control of NYA in Louis T. Byers as President; Robert A. Lloyd, III, Vice President; and William L. Pierce, Secretary-Treasurer. Lloyd and Pierce are former officials of the National Socialist White People's Party (NSWPP) who left the party following a power struggle in the summer of 1970.

The NSWPP, also known as The American Nazi Party, American Nazis, and The George Lincoln Rockwell Party, was originated on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews and

communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

Extremists on Both Ends Tell How to Blast the Middle

By Paul W. Valentine
Washington Post Staff Writer

The so-called Radical Right has joined the so-called Radical Left here in the latest revolutionary gambit: publishing instructions on how to blow the so-called Establishment Middle to smithereens.

The current issue of "Attack!", the newspaper of the ultra-right-wing Arlington-based National Youth Alliance carries an article entitled "Why Revolution?", accompanied by detailed instructions and diagrams on how to make a dynamite bomb out of a thermos bottle.

The newspaper promises more instructions and diagrams in future editions.

"Blood and Chaos!"

"The time has come when we must wake up and realize that the policeman on the street corner and the congressman in Washington are no longer either our guardians or our servants— they are the guardians and servants of the system," says "Attack!" in language barely distinguishable from that of many radical left journals.

"We do not need to reason with the monster," it continues. "We need to put a bullet into its brain and hammer a stake through its heart. If that means blood and chaos... then, by God, it is better that we get on with it now than later."

Until now, the radical left in Washington has been considerably ahead of the right in the business of publishing and distributing information on urban guerrilla weapons and tactics.

In two editions last October and November, the underground "Quicksilver Times" published a pair of "how-to" manuals giving elaborate instructions on the manufacture of a wide variety of explosive devices, booby traps and homemade guns.

"Manual With Love"

The manuals feature instructions about jellyed flame hand grenades, steel pipe pistols, nitroglycerin formulas, automobile accelerator bombs and an altimeter switch designed to detonate explosives in an airplane at a designated altitude.

"We have crossed a bridge from the old style of underground newspapers featuring mainly commentary on local, national and international events presented in a radical perspective, to the dissemination of revolutionary how-to information," said the "Quicksilver" with publication of the first manual.

"Study it. Share it. Make copies of it," said the paper which says it has a circulation of about 20,000. "And above all, be careful of learning to care for each other is to learn to care for ourselves. We send this manual with love."

"Patriot" vs. "Enemy"

The NYA newspaper, "Attack!" which says it has a circulation of 30,000 and is operated primarily by former American Nazi Party functionaries William Pierce and Robert A. Lloyd III, says it will "endeavor to provide the patriot with the same information which is already in the hands of our leftist enemies." NYA president Louis Byers estimates NYA has 4,000 members in the nation.

In describing the easily concealed thermos bottle bomb, "Attack!" says, "Skillful use of this important weapon alone, by a mere handful of intelligent terrorists, can virtually cripple any major city in America—at least temporarily."

It is "no longer possible to cure the system—to bring Frankenstein's monster to heel by constitutional methods," it says at another point.

The "Quicksilver Times" is more cautious.

No Violence

"It is still time for exhausting the last futile avenues open under the system," it says, "... but it is also time for arming individuals, collectives and organizations with preparatory self-defense information that no longer will be available when the present society changes over to fascism and state censorship rules publicity."

"Quicksilver" staff members say they consciously couched publication of the manuals in "self-defense" language and consulted with an attorney first about possible legal liability under various federal statutes prohibiting advocacy of violence.

See EXPLOSIVES, D9, Col. 1
Extremists Tell How To Blow Up Middle

EXPLOSIVES, From D1

"There's not one word that advocates violence in our paper," said "Quicksilver" said member Terry Becker in an interview. "We're always careful to avoid that. But at the same time, everybody knows what our paper is.

Congress Proposed

"It's not illegal to disseminate information on how to blow things up," he said.

Civil liberties attorneys generally agree. So do investigators for the Internal Security Subcommittee of the Senate Judiciary Committee, where a proposal aimed at curbing "QuickSilver Times"-style manuals was studied last year.

"There is nothing we can do," said one Subcommittee staff member this week. The proposed legislation, introduced by the late Sen. Thomas Dodd (D-Conn.), died in Committee last year and has not been reintroduced.

Becker would not say where the "QuickSilver Times" obtained the two manuals, but the paper described one of them as a "captured enemy document." It is entitled "Underground Manual Number 3," followed by the name Nick Parados and the date 1970. The other manual is called "Improvised Munitions Handbook" with no name or date.

Specialists Silent

William Pierce, who is ed.

Nor of "Attack!" would not pinpoint the origin of the thermos bottle bomb diagram and instructions but said it is "approximately the same information that is available in military field manuals. Many of the manuals are classified, but they are still available."

Explosives specialists in both government and private industry here were reluctant to evaluate the "QuickSilver" manuals or "Attack!" diagrams.

"If they're a little bit mixed up in their instructions, we sure don't want to set them straight," said Scott Waffle, press spokesman for the Alcohol, Tobacco and Firearms Division of the Internal Revenue Service. "We don't want to give them a training course."

Becker says there has been a steady demand at the "QuickSilver" office for reprints of the manuals, but he would not estimate the number of such requests. "Just lots," he said.

He said his organization had printed "extras" of the manuals in anticipation of such requests.

Manus "Defensive"

Requests have come from both "movement people" and "straghts," he said. "They were all very polite."

Becker defined the weapons and devices in the manuals as "defensive." Asked how that definition applied to an altimeter switch for blowing up airplanes in flight, he said, "When an airplane is being used to drop bombs on you, then whatever action you take against it is defensive."

QuickSilver's note accompanying its second manual concludes: "We print this document in a spirit of anticipatory self-preservation, not as an incitement to violence."

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences which were then considered to be fomenting chaotic conditions on the campuses of American colleges and universities.

The NYA program promoted by its former National Organizer, Louis T. Byers, opposed the use of dangerous drugs and narcotics; Black Power; and anarchist, Marxist and other radical groups on campus; and opposed American involvement in the "no-win" war in Vietnam. NYA dedicated itself to the preservation of "Western" culture and the eradication of Zionist influences from American life.

Following re-organization in the latter part of 1970, NYA headquarters were established at 1656 33rd Street, Northwest, Washington, D.C.

The National Socialist White People's Party is characterized separately in the Appendix.

NYA publishes a tabloid newspaper, "Attack!" and an internal newsletter, "Action", under the editorship of William L. Pierce. In the Summer, 1970 (Number 6), issue of "Attack!", an editorial statement declared it was no longer possible to cure "the System" by constitutional means and suggested the ultimate possibility of violent revolution. It stated that NYA had the responsibility for accepting a leading position in coming revolutionary developments.

A leaflet published by NYA entitled "What is NYA?" contains the following information:

"The NYA was founded after the 1968 elections to provide the young people of this country with an alternative to the drug usage and lawlessness of today's campus left. NYA has selected as its symbol the mathematical sign for inequality, for a forced 'equality' means slavery for all--free men are not equal, and equal men are not free."

"The NYA has, as its objective, the protection and perpetuation of the great traditional values of Western civilization. To achieve its objective, the NYA states the following '4 Point Program.'"

"1. NYA opposes the use of dangerous drugs and narcotics, and pledges to run those who push them off the campus.

"2. NYA pledges to neutralize and overcome Black Power--in particular the unjust demands made upon the educational community.

"3. NYA opposes SDS and other anarchist groups which would destroy America."
"4. NYA opposes U. S. intervention in foreign wars, such as the no-win war in Vietnam."

Students for a Democratic Society (SDS) was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From a stance of "participatory democracy," the SDS moved to a radical-revolutionary position. It maintained a national office at 1608 West Madison Street, Chicago, Illinois, until February, 1970. Internal factionalism during 1969 produced three main factions: Weatherman, Revolutionary Youth Movement (RYM), and Worker Student Alliance (WSA). The Weatherman and RYM no longer consider themselves associated with the SDS. The WSA faction continues to use the name SDS.

Characterization of the National Socialist White People's Party should be utilized in conjunction with the above characterizations.

ITP published a tabloid newspaper, "Attack!," under the editorship of William L. Pierce. In the January 1970, (Number 9), issue of "Attack!," an editorial statement by constitutional means and suggested the possibility of violent revolution. It stated that ITP had the responsibility for accepting a leading position in combat revolutionary developments.

The ITP, originally formed at a meeting of white youths (George T. Williams, etc.) at the National Youth Alliance (NYA) in conjunction with the National Socialist White People's Party, was chartered by the State of Virginia on October 14, 1970, and control was vested in Byars as President, Robert A. Lloyd, Lloyd III, Vice President, and William L. Pierce, Secretary-Treasurer. The NYA also left the party following an abortive power play in the summer of 1970.

Following the resignation of George T. Williams, the ITP program continued to proceed with an effort to establish a "white power" in the South, the first objective of which it considered to be the organization of Southern influence from American life.

The ITP dedicated itself to the preservation of "white" culture and opposed American involvement in Vietnam. The ITP was dedicated to the preservation of "white" culture and opposed American involvement in Vietnam.

EXTREMIST MATTER - NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.
The Jewish Defense League (JDL) founded in 1968 is composed primarily of young Jewish militants who consider themselves as defenders of "Jewish rights." Demonstrations attempting to dramatize the Jewish problem in Russia and similar demonstrations against Arab establishments have often resulted in violence. Rabbi Meir Kahane, founder and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish JDL aims.

It is noted that the Monday, February 7, 1972, issue (Volume 68, Number 29) of "The Hatchet," student publication of the George Washington University, reported the above incident in its lead story on Page One. A cartoon relating to the incident and a letter protesting the treatment of Pierce during his appearance on the campus written by Scott Sklar, Chairman, Political Affairs Committee, Program Board of the George Washington University, appear on Page Four of this publication.

Reproductions of the news story, cartoon and Sklar's letter pertaining to Pierce's appearance at the George Washington University appearing in "The Hatchet" on February 7, 1972, are attached.
Ex-Nazi Assailed by Eggs, Grapes

by Dick Polman
News Editor

An ex-American Nazi Party member fell victim to an egg and stink bomb barrage from Jewish militants Thursday night in the University Center.

William Pearce, former editor of the neo-Nazi White Power newspaper, speaking on behalf of his National Youth Alliance, faced 15 angry Jewish supporters in a closet-size conference room.

"I think there's enough here for a minyan now," one heckler cracked, as others slid "Jewish Power" buttons along the table to Pearce who was attempting to explain why the NYA was not a rightist organization.

He was repeatedly cut off by shouts of "Sit down, you son of a bitch," and "You're an ugly bastard." Pearce glibly noted, "There seems to be a large Jewish element here, which may or may not be representative of the George Washington University."

A gray-haired, bearded man standing in the rear of the room continued baiting Pearce, and the two exchanged angry glances. Finally Pearce smiled sarcastically at the antagonist, and remarked, "You think you're pretty smart, kike, don't you?"

The hecklers pushed their way, waving their hands, as Pearce, demanding, "What are you doing here?"

Suddenly, the room came alive which splattered the walls and ceiling, as continued, the stink bomb room, originally one of the charmers.

As the smoke cleared and Program Director Doug Allen, warned Pearce, Security before their arrival, was connected on through the phone. Tosses out through the door.

Center Nip, Knorr arrived, telling Pearce to a man who this happened. Pearce asked him, "Is this the first time this has been here?"

While Pearl ran to the bathroom, more disappeared down the garbage.

Burglar Rifles Gym Lockers; Flees with Money, Keys, Pants

by Michael Drezin
Asst News Editor

Keys, a pair of pants and an undetermined amount of money were taken from unattended lockers in the men's gym Friday afternoon while about twenty-five persons were playing basketball.

According to law student Ron Tipton, who lost a pair of pants in the incident, at least five or six persons left their clothes in lockers adjacent to the shower area of the gym. Tipton said the locks were unbolstered but that a maintenance man was supposed to have been guarding the area.

The extent of the loss could not be immediately determined because of Campus Security's policy prohibiting the dissemination of news without the approval of Director Harry Geigien or Assistant Director Byron Mathis. According to Security, Geigien is currently taking a leave of absence putting Mathis in charge of information.

When reached by phone at his home Sunday, Mathis was not aware of the robbery but said he could not let the Hatchet see reports filed on the incident. "I couldn't very well give you permission to look at reports when I'm not there and haven't seen them," he said.

The loss was first discovered around 3 p.m. When players were asked to clear the floor so it could be cleaned before the varsity basketball team began its practice, Tipton said he "heard people cursing" and later discovered that "someone had taken (his) pants which had nothing of value in them."

Tipton, who lives near the gym said, "I had on gym trunks...so I ran home."

One student at the gym who lost no property in the incident complained there is "very little control over what happens in the gym. People come and go like crazy. There's no one there to regulate it. It's really ridiculous."

Tipton said he will continue playing basketball in the gym but added, "I don't intend to address in that locker room any more--that's far too dangerous."

Considers GW Reforms

SFU Backs All-Univ. Assembly

by Kent Ashworth
News Editor

One of GW's leading proponents of the All-University Assembly concept is the Student-Faculty Union, characterized by SFU Secretary and History Prof. Peter Hill as a "student-faculty civil liberties union."

"It really is a walk-in organization--open to everyone," Hill explained. "Anyone is welcome to raise any issues."

SFU, which operated an information center during the Mayday demonstration last spring and holds open meetings on campus issues, has been concerned with the All-University Assembly since Fall '71. The group is also considering changes in the University charter, and is dealing with the issues of departmental advisory councils and the firing of Charles McElvy from the Hatchet staff.

Vicki Anderson, student co-chairman of SFU, says the organization "makes sure that the rhetoric published by University committees is someday enacted."

"SFU is a microcosm of what an All-University Assembly might be," Anderson commented. "Students and faculty members have never worked together before, and this shows it can be done. The fact that it recognizes the partnership idea."

As asked where the real advisory groups lies, Anderson "Power is where Dr. Elliott sits, listen. Lately, the only one exists is the Faculty Senate."

Anderson explained SFU's Elliott to consider ideas for the involvement of alumni, University employees in the steering committee authorizing Jan. 25 meeting of the Board of Trustees and supported by the Faculty and the groundwork for an all-university involvement.

SFU, in a resolution it recommended the steering "create the broadest possible representation within the assembly."

Anderson, who co-chairs the Engineering Prof. Barry Hyman, the general faculty attitude toward not exactly paternalism, but to close it. You're told you're four years while they're here."

**Gym Lockers; ey, Keys, Pants**

The football team began its season with a bang when it marched through the doors of the gymnasium. The incident occurred when a student, having finished practice, found that his locker had been broken into. The thief had not only taken the student's keys but had also stolen his pants.

The student, who was not present at the time of the incident, expressed his surprise and outrage at the theft. He said, "I never thought this would happen at our school. It's a bit shocking to think that someone would go to such lengths to steal personal belongings."
Newsy campus kahunas

If your overblown opinion of yourself and your accomplishments helps you get through the day, more power to you. Your pomposity is certainly not uncommon; it is quite like that of the smalltown mogul who, upon purchasing the bi-monthly newspaper, promptly changes its name to the Slawson World-Guardian. With the importance you attach to little pond big-shottery, perhaps you will be in a position to do the same some day.

One final note, Chuckie. Former Alaska Senator Ernest Gruening will be pleased to read your report that Wayne Morse provided the sole dissent to the Gulf of Tonkin Resolution.

Irwin Altschuler

Security Inept

One night last week while walking down F St. towards Thurston Hall I came upon a body lying on the sidewalk. The body appeared quite lifeless and rather than play police myself, I decided to call GW security.

I walked down F St. and picked up one of the special emergency phones which rang three times before anyone answered it. I then explained my situation, giving the exact location of the body, my name, etc. - then I hung up. Moments later the phone rang back and I was asked to repeat the location of the body - which I did. Ten minutes later a security car arrived.

My purpose for writing this letter is not to knock down the GW security force, but to suggest that they may be stale, perhaps from lack of action. Had I been in grave danger at the time I made the call, I might not have been able to write this letter. Yes, mistakes will happen. In my case I was lucky - it was a drunk. The next person may not be so lucky. It would be better if the security force didn't make any mistakes. They can't afford mistakes, and neither can we.

Bob Chlopak

Physical Abuse

I am writing to publicly denounce the actions that people took to deliberately disrupt a discussion with Dr. William Pierce, a member of the National Youth Alliance. The National Youth Alliance is an extreme right-wing organization which espouses anti-Semitic, anti-black and anti-student sentiments. Although I unequivocally disagree with everything the NYA stands for, I cannot condone those that by physical violence (by throwing of eggs, a smoke bomb, and almost assaulting him with an umbrella) succeeded in stopping the discussion.

As Political Affairs Chairman, it has been my policy and will continue to be my policy to allow any recognized representative of any political organization, no matter of what political persuasion, to speak at GW, as long as they can meet my budget limitations. (Dr. Pierce spoke for free). I have always promoted the idea of free speech and of VERBAL, not physical confrontation.

I deplore any physical act to stop any political speaker, for at EVERY program I solely sponsor, both the speaker and the audience have a chance to verbally interact.

I at one time thought that education fostered liberalism which is synonymous with 'toleration.' However, I may be wrong. I think it is sad that I have to worry about physical attacks on the speakers I present instead of what could be a productive intellectual confrontation between the speaker and the student.

Scott Sklar, Chairman
Political Affairs Committee
Program Board

PIRG

As members working to organize the GW chapter of DCPIRG, we would like to elaborate on Ralph Nader's letter which appeared in last Thursday's Hatchet. Mr. Nader's letter put forth the goals for DCPIRG; now we would like to set forth the means for attaining those goals. Based on the experience of Public Interest Research Groups in Minnesota, Oregon, Vermont and other states, we would like to outline the methods to be used in organizing and funding DCPIRG.

(See MORE LETTERS, p. 5)

Information copies of this report are being furnished to the offices indicated since the offices so designated have an investigative interest in current NYA activities.

Form FD-323 is attached to the report to indicate the reliability of informants and sources utilized therein.

Two copies of form FD-376 are also attached to the report.

An article appearing in the October 1, 1971, issue of "The Washington Post and Times Herald", a daily newspaper published at
Investigation on January 26, 1972, at the United States District Court for the District of Columbia, Washington, D.C., revealed that Civil Action number 475-71, an action brought by LOUIS T. BYERS for libel damages in the amount of $175,000, filed March 5, 1971, against C.B. BAKER, WILLIS A. CARTO, Liberty Lobby, Incorporated, and PATRICK TIFER, had been certified to the Superior Court of the District of Columbia, Washington, D.C., on October 27, 1971, for trial.

(Agent investigation, January 26, 1972)

The Civil Docket of the United States District Court for the District of Columbia, Washington, D.C., also reflected on January 26, 1972, a civil action number 1051-71 brought by Liberty Lobby, Incorporated, against LOUIS T. BYERS, WILLIAM L. PIERCE, and LEO DONALD PHILLIPS, doing business as Heritage Advertising, Incorporated. Plaintiff in this action asked for a temporary restraining order to prevent further use of Liberty Lobby's "Pledge List" for mailing of NYA "news and other scurrilous and untrue material." The complainant accused defendant of stealing mailing lists belonging to Liberty Lobby and tortiously converting them to defendant's own use. On October 18, 1971, the application was dismissed by Judge JOSEPH WADDY, United States District Court, Washington, D.C.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
also known as
THE AMERICAN NAZI PARTY
AMERICAN NAZIS
THE WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS
THE GEORGE LINCOLN ROCKWELL PARTY

On March 30, 1971, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate, dominant, political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1965, published daily at Richmond, Virginia, stated that this organization was chartered in the State of Virginia as The George Lincoln Rockwell Party and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to National Socialist White People's Party, according to Commander Rockwell.

BLACk PANTHER PARTY
also known as
BLACk PANTHER PARTY FOR SELF DEFENSE

The Black Panther Party (BPP) was organized in December, 1966, at Oakland, California, by Huey P. Newton and Bobby George Seale with the publicly stated purpose of organizing black people to take control of the life, politics, and destiny of the black community. The current principal officers are Huey P. Newton, Supreme Commander; Bobby G. Seale, Chairman; and David Hilliard, Chief of Staff. The Party publishes a newspaper called "The Black Panther" which has openly advocated the use of guns and guerrilla tactics in a revolutionary program to end oppression of the black people. Residents of the black community have been urged to arm themselves against police who are referred to as "pigs."

In the April 25, 1970, edition of the paper, an article advocated the taking up of arms against the Government, killing officials, "thereby passing revolutionary judgment against the number one enemy of all mankind, the racist U. S. Government."

David Hilliard, quoted in "The New York Times" edition of September 13, 1969, stated, "We advocate the very direct overthrow of the Government by way of force and violence."

BPP National Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP and groups known as National Committees to Combat Fascism under the direction of the BPP have been established at various locations throughout the country.
NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race-mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

The following editions of "The Thunderbolt" advised of the indicated changes of address:

On August 4, 1965, a source advised that Edward R. Fields, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue Number 126, dated June, 1970, of "The Thunderbolt" lists Dr. Edward R. Fields as the National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

NATIONAL KNIGHTS OF THE KU KLUX KLAN, INC.
(NKKKK)

A source advised that on May 22, 1960, the National Grand Council of the Knights of the Ku Klux Klan met at Atlanta, Georgia, to discuss consolidation of the Klan's unity of effort and activities to establish a National Fund, and a National Secretary, and to design a new flag. The meeting was attended by representatives of the Federation of Ku Klux Klan, Alabama; Association of Arkansas Klans, Arkansas; Florida Knights of the Ku Klux Klan, Florida; Southern Knights of the Ku Klux Klan, Florida; Association of Georgia Klans, Georgia; Knights of the Ku Klux Klan, North Carolina; Association of South Carolina Klans, South Carolina; Dixie Knights of the Ku Klux Klan, Tennessee; and Kyksos Klan, Texas.

This source advised that at a consolidation meeting at Atlanta, Georgia, September 2-5, 1960, at which the North Carolina and Texas Klans were not represented, it was resolved and passed that their name be changed to National Ku Klux Klan.

A second source advised in March, 1964, that several meetings of Klan groups were held during the period 1960 to 1963 in an effort to unite the Klan groups under a single leadership.

The organization was granted a charter in DeKalb County, Georgia, November 1, 1963, under the name National Knights of the Ku Klux Klan, Inc., as a "patriotic, secret, social, and benevolent order."

A third source advised in December, 1963, that the organization had issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic, and anti-foreign born.

A fourth source advised in July, 1968, that the organization has its headquarters in Tucker, Georgia, and the day-to-day operations are under the direction of James R. Venable, Imperial Wizard.

Mr. William Luther Piers is Executive Director of the National Youth Alliance, Washington, D.C.

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racism and anti-Semitism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

April 24, 1972, issue of "The Hatchet" (Volume 69, student publication of The George Washington University) carried an article by Michael Brenzin entitled "Assault on GW, Asks $50,000 Per Assault" at Page 2. A reproduction of this article is attached.

Rabbi Meir Kahane, founder and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish JDL aims.
Ex-Nazi Pierce Sues GW AslΩ $50,000 For Assault

by Michael Drezin -
News Editor

An ex-American Nazi Party member who was pelted with eggs and attacked with stink bombs last February while attempting to deliver a speech in the Center is suing GW for $50,000.

According to the suit filed in behalf of William Pierce, former associate editor of the neo-Nazi White Power newspaper, when Pierce began to speak before the audience of 15, "he was almost immediately subjected to assault and battery by thrown fresh eggs, furnishings in the room were set on fire, irritant bombs were thrown, all directed at the plaintiff, who was thereby subjected to abuse and ridicule, threatened with bodily harm, and actually struck by approximately one dozen eggs."

The suit also alleges GW "knew or should have known that plaintiff would be subject to assault and battery, and other personal injuries, and that plaintiff's life was in danger," and "after discovering the existence of such danger nevertheless did nothing to warn plaintiff or in any way attempt to avert injury to plaintiff...(thereby acting) in a willful and wanton manner in reckless disregard for the safety of plaintiff."

During a phone call received by the Hatchet shortly after the meeting abruptly ended, the Jewish Defense League of Washington admitted they had instigated the disruption.

As a result of the incident the Program Board, which sponsored Pierce's appearance, passed a resolution saying in part, "The event...was a wholly irresponsible act by the people who resorted to the use of physical violence. We...cannot condone the heckling of a speaker, and...the use of physical violence to disrupt any program.

Vice President for Administration H. John Cantini said GW was officially informed of the suit on Friday but was withholding comment until the charges are answered.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
also known as
THE AMERICAN NAZI PARTY
AMERICAN NAZIS
THE WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS
THE GEORGE LINCOLN ROCKWELL PARTY

The National Socialist White People's Party, also known as The American Nazi Party, American Nazis, and The George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolf Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

NATIONAL STATES RIGHTS PARTY

A source has described the National States Rights Party as an anti-Negro, anti-Semitic, white racist political party composed of past members of klan-type organizations and other right-wing groups.

The University of Cincinnati (UC) student newspaper, "News Record", biweekly issue of May 28, 1971, page four (4), contained an article titled, "National Youth Alliance Represents Militance," written by Ken Hoop, which stated, in essence, that on May 20, 1971, a branch of UC, the Ohio College of Applied Science, had as a speaker, Patrick Tiller, described as National Chairman of the right wing 8200 member National Youth Alliance and Statecraft, as part of the school's current speaker series.

RE: NATIONAL YOUTH ALLIANCE (NYA)

The article concluded by stating interested students could contact NYA through Box 11142, Cincinnati, Ohio, or National Headquarters via Box 202, Centerline, Michigan.

In connection with the foregoing statement concerning ABBIE HOFFMAN, the September 23, 1970, issue of The Technician student publication of North Carolina State University, Raleigh, North Carolina, stated that ABBIE HOFFMAN was to be a speaker at that school on January 11, 1971. The January 12, 1971, issue of "The Raleigh Times," daily newspaper published at Raleigh, North Carolina, stated HOFFMAN had not appeared as scheduled on January 11, 1971, because of illness. Another individual spoke in his place.

On June 21, 1972, after numerous prior contacts, each stated that they had developed no information indicating that the NYA was active in the Raleigh, North Carolina, area.

RE: NATIONAL YOUTH ALLIANCE (NYA)

The National Socialist White People's Party, also known as The American Nazi Party, American Nazis, and The George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolf Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

The Rights of White People is an organization founded by LEROY GIBSON in Jacksonville, North Carolina, in approximately 1967. Its stated purpose is to stop the integration of schools and to have more law and order in the United States.

EXTREMIST MATTERS - WHITE HATE GROUPS

Reference is made to Charlotte memorandum dated June 22, 1972, as above captioned.

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 Presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their radical and political ideas in America.

The Rights of White People is an organization founded by LEROY GIBSON in Jacksonville, North Carolina, in approximately 1967. Its stated purpose is to stop the integration of schools and to have more law and order in the United States.
NATIONAL YOUTH ALLIANCE (NYA)

The United Klans of America, Incorporated, was chartered in 1961 in Georgia. Its aims and purposes are the promotion of Americanism, white supremacy, and segregation of the races. It is the dominant Klan group in the South with headquarters at Tuscaloosa, Alabama, and is currently active in several states.

The North Carolina organization of the United Klans of America, Incorporated, Knights of the Ku Klux Klan (UKA) affiliated with the national organization of the same group in the spring of 1961. It has the same aims and objectives as the parent group, this being advocacy of segregation of the races and white supremacy. It still retains its affiliation with the national organization.

Characterization of Ancient Order of Knights of the Ku Klux Klan attached as an appendix.
On August 20, 1967, a meeting was held at Stokesdale, North Carolina, by former members of the United Klans of America, Incorporated, Knights of the Ku Klux Klan (UKA). At this meeting it was decided that a new, honest and effective Klan would be formed for the purpose of attracting members from UKA. The organization would have the same basic aims and purposes as UKA, these being the promotion of Americanism, white supremacy, and segregation of the races. This organization ceased operations in North Carolina in March, 1970.

The Minutemen is a paramilitant group organized in June, 1960, by Robert B. DePugh in Norborne, Missouri, as a resistance to the spread of communism in the United States by use of guerrilla tactics. DePugh is currently incarcerated in a Federal penitentiary for violation of the Federal Firearms Act.

William Lloyd Jacobs, Durham, North Carolina, advised on May 3, 1967, that The Invisible Empire, The Original Knights of the Ku Klux Klan (IKKK) had the original charter of General Nathan Bedford Forrest. He said this klan had become totally inactive but on September 4, 1966, at Stone Mountain, Georgia, it was reactivated.

On May 10, 1967, and June 6, 1967, a source advised that the national headquarters of IKKK was Post Office Box 1652, St. Petersburg, Florida, and regional headquarters was Post Office Box 932, Shelby, North Carolina. W. W. Lynch was shown as Klaudant of the Realm of North Carolina, South Carolina, and Virginia.

The same source advised on September 27, 1967, that on the preceding day, Lloyd Jacobs stated he had incorporated IKKK in North Carolina under the name The Ancient Order of the Knights of the Ku Klux Klan (AOKKK). He explained that the organizations were one and the same and that he had incorporated under a different name so he could retain control of AOKKK in the event he had a falling out with the leadership of IKKK.

A second source advised on May 11, 1970, that W. W. Lynch calls his organization by two names, either The Ancient Order of the Knights of the Ku Klux Klan, or The Invisible Empire, The Ancient Order of the Knights of the Ku Klux Klan. There is no known affiliation with any other Klan group. Lynch has been referred to as Imperial Wizard, National Director, and Klaudant. He is the only known state or national officer of this organization. The address of the headquarters of AOKKK is Post Office Box 932, Shelby, North Carolina.

The second source advised that the general objectives of AOKKK are to prevent integration and to fight communism by any means.

EXTREMIST MATTERS - NYA

1. Mr. E. F. Callahan
2. Mr. 

Review of this matter disclosed that I was interviewed 8/2/70 by Special Agents of the Alexandria Office. Results of this interview appear in Alexandria letter and LHM dated 8/21/70.

In view of the alleged statement, have Special Agents submit affidavits in this matter. Furnish results to the Bureau with your recommendation.

Until 8/70, Dr. William L. Pierce was Information Officer of the National Socialist White People's Party (NSWPP), a white hate organization with headquarters in Arlington, Virginia. Following a factional dispute, Dr. Pierce was ousted from the NSWPP and in 12/70 became associated with the NYA. He edits and publishes the NYA publication "Attack."

The National Socialist White People's Party (NSWPP), also known as The American Nazi Party, American Nazis, and the George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

Underway. "This headline was for a two-page article pertaining to urban guerrilla warfare techniques and was accompanied by diagrams and instructions on the building of homemade bombs. The article sets forth details of the capabilities of medium-sized bombs so that the "patriot" will have the same information already in the hands of "our leftist enemies."

Three additional pages of the "Fiery Cross" are devoted to an article captioned "Why Revolution?" This article points out that police and the Congress are no longer guardians or servants of the "System" and that it is no longer possible to work through the "System" by Constitutional methods. To correct the inequities, it is advocated that if blood and chaos and battling the "alien enemy" from house to house or bombing cities is necessary, then "it is better that we get on with it now than later." The article stresses the task should fall to radicalized youth through the National Youth Alliance.

The National Youth Alliance (NYA), originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election allegedly has as its purpose countering radical leftist and anarchist influences on campuses of American colleges and universities. It is controlled by individuals who militantly promote white racism and anti-Zionism and suggest violent revolution to accomplish their goals. National headquarters of NYA is located in Washington, D. C.

In view of this espousal of revolution and urban guerrilla warfare as a tactic to be followed by young Americans, you should promptly contact informants and sources to determine extent of relationship between UKA and NYA with regard to extremist activities and immediately notify FBI Headquarters of any such incidents that might occur where the UKA and/or NYA is involved.

Pertinent information should be furnished under the spec individual or organization case caption with a dual caption of "Urban Guerrilla Warfare; EH - White Hate."

If recipients develop any information pertaining to stepped-up alliances between the Klan, NYA and any other white hate groups for purposes of extremist activities, promptly furnish such information to the Bureau.

NOTE:

See memorandum G. C. Moore to Mr. E. S. Miller, dated 12/7/72, captioned "United Klans of America, Inc. (UKA), Knights of the Ku Klux Klan, Extremist Matters - Klan," prepared by...
This is to advise that United Klans of America, Inc. (UKA), Knights of the Ku Klux Klan, is placing emphasis on revolutionary and urban guerrilla warfare techniques as noted in UKA official publication "Fiery Cross" (copy attached) suggesting revolution be accomplished through National Youth Alliance (NYA).

The "Fiery Cross," Volume 7, Edition 10 (for October, 1972), which was distributed during November, 1972, carries a main headline "Revolution is Underway." The writer of the article indicates this article and future Revolutionary Notes are designed to provide the "patriot" with the same information already in the hands of "our leftist enemies" with the emphasis on "specifics of urban guerrilla warfare." Pages one and two set forth diagrams for construction of bombs and the article discusses making medium-sized bombs and the capabilities of such bombs. The medium-sized bomb is described as "one of the most useful tools in the arsenal of the urban guerrilla."

Three additional pages of the eight-page "Fiery Cross" are devoted to the article "Why Revolution?" This article points out that a government which claims to represent the vital interests of a multi-racial society is "not only unnatural but absurd" and that it is "no longer possible to cure the System, to bring Frankenstein's monster to heel, by
Memorandum to Mr. Miller
Re: United Klans of America, Inc. (UKA) 187-370

Constitutional methods." The article encourages the reader to wake up and realize the policemen on the corner and the Congressman in Washington are no longer either guardians or servants of the "System." The article states "we do not need to reason with the monster; we need to put a bullet into its brain and hammer a stake through its heart. If it means blood and chaos and battling the alien enemy from house to house in bombing cities throughout our land, then, by God, it is better that we get on with it now than later." It is suggested that task should fall to the radicalized youth and it is the responsibility of the National Youth Alliance to take a leading position in coming revolutionary developments.

The National Youth Alliance (NYA), originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election allegedly has as its purpose countering radical leftist and anarchist influences on campuses of American colleges and universities. It is controlled by individuals who militantly promote white racism and anti-Zionism and suggest violent revolution to accomplish their goals. National headquarters of NYA is located in Washington, D.C.

Offices covering NYA activities are already aware NYA advocates revolutionary techniques but this is first sign of overt Klan support of NYA activities. This is also a new technique for the "Fiery Cross," official publication of the UKA since 1961, to espouse urban guerrilla warfare and revolution. Almost all of its eight pages are devoted to this subject.

ACTION:

Attached for approval is an airtel to all interested offices having NYA activity or UKA units within their territories. Offices being informed of pertinent facts and instructed to determine extent of relationship between the organizations with regard to extremist activities and to immediately notify FBI Headquarters of any incidents that might occur where UKA and/or NYA involved.

Re Bureau airtel to Alexandria, et al, including captions as above and also United Klans of America, Incorporated (UKA); Knights of the Ku Klux Klan; EM - Klan (Bufile 157-370).

Referenced airtel advised that the UKA publication "Fiery Cross" for October, 1972, contained articles under the captions, "Revolution is Underway", and "Why Revolution?". The latter article advised that to correct inequities, it was advocated that if blood and chaos and battling the "alien enemy" from house to house or bombing cities was necessary, then "it is better that we should get on with it now than later." That article stressed the task should fall to the radicalized youth through the National Youth Alliance.

If information of pertinence is developed, the Bureau be promptly informed.

Re: National Youth Alliance

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 Presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

The American Nazi Party was a group formerly headed by George Lincoln Rockwell which espoused Naziism in the United States and advocated racism and anti-Zionism.
The National Socialist Party was a group not unlike the American Nazi Party in its aims and purposes.

Edmund Burke Society is a Canadian based right wing organization.

The United Klans of America, Inc., (UKA) was chartered in 1961 in Georgia. Its aims and purposes are the promotion of Americanism, white supremacy, and segregation of the races. It is the dominant Klan group in the South with headquarters at Tuscaloosa, Alabama, and is currently active in several states.
II. Youth Action (YA)

YA is a right wing organization formed following a split in the NYA which adheres to a similar philosophy, that of the NYA.

NATIONAL STATES RIGHTS PARTY

A source has described the National States Rights Party as an anti-Negro, anti-Semitic, white racist political party composed of past members of klan-type organizations and other right-wing groups.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY

The National Socialist White People's Party (NSWPP), also known as The American Nazi Party, American Nazi and the George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

The United Klans of America, Inc., was chartered in 1961, in Georgia. Its aims and purposes are the promotion of Americanism, white supremacy, and segregation of the races. It is the dominant Klan group in the South with headquarters at Tuscaloosa, Alabama, and is currently active in several states.

B. Other Activities

The Jewish Defense League (JDL) founded in 1968 is composed primarily of young Jewish militants who consider themselves as defenders of "Jewish rights". Demonstrations attempting to dramatize the Jewish problem in Russia and similar demonstrations against Arab establishments have often resulted in violence. Rabbi Meir Kahane, founder
and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish JDL aims.

An article captioned "Ex-Nazi Assaulted by Eggs, Stink Bomb" appeared as the lead story on Page One of the Monday, February 7, 1972, issue (Volume 68, Number 29) of "The Hatchet", student publication of The George Washington University. This article which confirmed the assault on PIERCE at The George Washington University on February 3, 1972, stated that the JDL claimed credit for the assault but that the Jewish Activist Front, a student organization of The George Washington University, disclaimed any responsibility for the incident. Reportedly, the incident involving PIERCE was deplored in a resolution by the University's Program Board.

The April 24, 1972, issue of "The Hatchet" (Volume 68, Number 47), carried an article by MICHAEL DREZIN entitled "Ex-Nazi Pierce Sues GW, Asks $50,000 For Assault" at Page Two, Column One. PIERCE, reportedly, sought $10,000 in compensatory damages and $40,000 in punitive damages for the alleged assault and battery which resulted from the alleged negligence by officials of the university in connection with PIERCE's appearance on The George Washington University campus on February 3, 1972.

Records of the Federal District Court for the District of Columbia, Washington, D.C., as reviewed on October 31, 1972, confirmed "The Hatchet" story reported above. PIERCE's suit against The George Washington University (Case Number CA 651-72) asks for $50,000 compensatory and punitive damages for injuries and damages suffered on February 3, 1972, due to the negligence of The George Washington University. The George Washington University answered PIERCE's complaint on May 9, 1972, and asked for dismissal of the suit after denying allegations of negligence.
V. CONNECTIONS WITH OTHER ORGANIZATIONS

A. The National Party

The National Party has been described by its organizer, David Duke, as a separate right-wing political organization, open to the public. The party opposes violence, believes in the Constitution of the United States, white supremacy, and separation of the races. Aims of the National Party are to be obtained through elected officials. The National Party has replaced the White Youth Alliance with many former White Youth Alliance members joining the National Party.

The White Youth Alliance has been publicly announced to be the youth group of the National Socialist White People's Party.

The National Socialist White People's Party, also known as The American Nazi Party, American Nazis, and George Lincoln Rockwell Party, was organized on
February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

It has the same aims and objectives as the parent group, this being advocacy of segregation of the races and
white supremacy. It still retains its affiliation with the national organization.

The Rights of White People is an organization founded by LEROY GIBSON in Jacksonville, North Carolina, in approximately 1967. Its stated purpose is to stop the integration of schools and to have more law and order in the United States.
The Wilmington youths who first became active in the NYA showed disinterest in the organization, and thus, the organization has been disbanded.

is not identifiable in WFO files.

Inasmuch as NYA advocates right-wing revolutionary action to destroy the existing system and has published articles in the past instructing readers on the construction and deployment of explosives and incendiaries and the techniques of guerrilla warfare, the possibility of influencing individual acts of violence cannot be discounted.

San Francisco is requested to discreetly identify and determine his connections, if any, with extremist activities in the Berkeley area.

NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For George C. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

On May 29, 1973, information was received from the office of the Director, National Capital Parks, National Park Service, 1100 Ohio Drive, S.W., Washington, D.C., concerning a proposed demonstration on the sidewalk in front of the White House and Lafayette Park, Washington, D.C., on June 23, 1973, to protest the official visit to this country by the leader of the Soviet Communist party and the persecution of Christians in the Soviet Union. This demonstration will involve picketing in front of the White House by twenty-five to fifty participants and will occur between the hours of 10:00 a.m. and 6:00 p.m.

A notice of the proposed demonstration dated May 21, 1973, was filed by Charles P. Mylod (telephone number [redacted]), as Washington Area Coordinator of Patriots For Action, Post Office Box 7770, Washington, D.C. 20044. Patriots For Action is described as an unincorporated association, and Mylod is named as its principal officer.
The National Socialist White People's Party (NSWPP), also known as The American Nazi Party, American Nazis, and the George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

According to the notice submitted by Mylod, the National Youth Alliance, Post Office, Box 3535, Washington, D.C. 20007 (telephone number 525-3223), will participate in the proposed demonstration on June 23, 1973. Dr. William Pierce is identified in the notice as the principal national officer of the National Youth Alliance.
The notice referred to above named Mylod as the person having responsibility for the overall demonstration on June 23, 1973, and Jerome E. Heinemann, (telephone number: Area Code ___ as an individual sponsor.

According to the above-mentioned notice, demonstrators will display picket signs, flags and banners. It is stated that there is no information indicating that any individual, group or organization will seek to disrupt the demonstration planned by Mylod.

RICHARDSON: From A1

think the plan would establish the "public confidence" that is essential.

Mesevce voiced his objections "solely as a citizen and lawyer" in a letter to Eastland and House Judiciary Chairman Peter Rodino Sr. (D.N.J.)

"With all deference to Mr. Richardson," Mesevce said, "I believe that the prosecutor should not report to the Attorney General, particularly as to evidence, if any, which might be thought to involve the office of a President who has three times, nominated Mr. Richardson to important public positions."

NOW Secretary of Defense Richardson has also served in the Nixon administration as Under Secretary of State and as Secretary of Health, Education and Welfare.

A longstanding friend of Richardson's, Mesevce said he had "complete confidence" in Richardson's integrity. But he said the investigation must have the appearance of independence as well as the substance.

As a result, Mesevce said he felt it would be best to set up "a special agency, with a separate and adequate budget, supervised by the independent prosecutor," even if special legislation is necessary.

Since the prosecutor ought to be accountable to some higher authority, Mesevce suggested creation at the same time of a superiors body or commission, perhaps composed of senior or retired federal judges.

Along with Republican senators on the Judiciary Committee, Richardson has taken the tack that the need for a special prosecutor to take over the far-flung investigations stemming from the Watergate break-in is too urgent to be postponed for the time needed to nurse new laws through Congress.

Beyond that, Richardson has said that he has no desire to be Attorney General if he cannot be trusted with "ultimate responsibility" for the Watergate case.

Members of the committee have indicated that Richardson's confirmation will be held up until they have an opportunity to question the special prosecutor and examine the written charter of authority that Richardson has promised to give him.

Summarizing the dilemma at yesterday's session, Sen. Philip A. Hart (D-Mich.) said he was confident "that if the facts led to involvement of the President, Elliot Richardson, whether he had a special prosecutor or not would name the President."

But Hart said, "the real problem is if the facts don't involve the President, who will believe Elliot Richardson when he says the don't?"

Richardson replied that it would be impossible. In any event, for a special prosecutor to "prove a negative," Prosecutors, he said, deal in courtroom verdicts. But, he emphasized, a "not guilty" verdict is not a declaration of innocence. "If it is a negative that has to be proved, it may require some separate new mechanism," perhaps Sen. Sam J. Ervin's Senate investigating committee or a final review and report on all the investigations by an independent panel.

With the hearings adjourned yesterday afternoon, "at the call of the chair," Richardson told reporters that he hopes to consult here before the end of the week with the three "finalists" for the prosecutor's job. They are former Deputy Attorney General Christopher, 47, now a Los Angeles lawyer; David W. Pack, 47, former presiding justice of the New York Supreme Court's appellate division, and Judge William H. Erichson, 49, of the Colorado Supreme Court.

Since each might have a variety of personal, financial and other reasons for not taking the post, Richardson said, he wants to sound them out first before making any more offers.

"It wouldn't be helpful to keep a scoreboard on who's turned it down," Richardson said. He said he was anxious "not to depresserate the people with more refusals."

At that point, Wilbur J. Wilbur, Chairman of the Far Right National Youth Alliance, said he had been attending the hearings in hopes of testifying against Richardson's nomination, challenged Richardson on his old driving record. It reportedly involved more than a dozen traffic violations between 1938 and 1958, some involving traffic violations.

Wilbur demanded to know whether he was not disqualified as Attorney General.

Richardson quietly replied that he thought not and the subject had been thoroughly explored by the Senate Foreign Relations Committee when he was nominated as Under Secretary of State. On his traffic record he said: "It shows at least I never tried to fix a ticket..."

NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

Information was received on May 29, 1973, from the office of the Director, National Capital Parks, National Park Service, 1100 Ohio Drive, S. W., Washington, D. C. (WDC) concerning a proposed demonstration against the visit to the United States by Soviet Communist Party Leader, Leonid I. Brezhnev, to be held on the sidewalk in front of the White House and Lafayette Park, WDC, between 10:00 a.m. and 6:00 p.m. on June 23, 1973. Plans for the proposed demonstration, which will involve picketing by 25 - 50 demonstrators, were furnished in a written notice to the National Park Service submitted on May 21, 1973, by Charles D. Mylod, Washington Area Coordinator of Patriots for Action, Post Office Box 7770, WDC, an unincorporated association of which Mylod is named as principal officer.
The NSWPP, also known as The American Nazi Party, American Nazis, and the George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.
NATIONAL YOUTH ALLIANCE

According to the notice submitted by Mylod to the National Park Service, NYA, Post Office Box 3535, WDC, will participate in the proposed demonstration on June 23, 1973. Dr. William Pierce is identified in the notice as the principal national officer of the NYA.

Jerome B. Heinemann, [redacted], was named in the above notice as an individual sponsor, and Mylod was identified as the person having responsibility for the overall demonstration.

The United Klans of America, Incorporated, was chartered in 1961 in Georgia. Its aims and purposes are the promotion of Americanism, white supremacy, and segregation of the races. It is the dominant Klan group in the South with headquarters in Tuscaloosa, Alabama, and is currently active in several states.

NATIONAL YOUTH ALLIANCE

This investigation is based on information which indicates that the NYA is engaged in activities which could involve a violation of Title 18, U. S. Code, 2383 (Rebellion or Insurrection); 2384 (Seditious Conspiracy); 2385 (Advocating the Overthrow of the Government); 231-233 (Civil Disorders); 2101-2102 (Antiriot Laws); 241 (Conspiracy Against Rights of Citizens); and 245 (Federally Protected Activities).

The NYA was originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 Presidential election for the stated purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. Its efforts to establish in this country a German-type national socialism of the Hitler era emphasize white racist and anti-Semitic policies.

ENCLOSURE 157-12-57-21
The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

On September 11, 1973, WETA-TV Washington, D.C. (WDC), announced that the National Youth Alliance was among those organizations which had requested an opportunity to be heard by the Foreign Relations Committee of the United States Senate in connection with confirmation hearings on the nomination of Dr. Henry Kissinger to the office of Secretary of State.

Camerota's statement before the Senate Foreign Relations Committee on September 14, 1973, as transcribed from a broadcast by WETA radio on that date, was as follows:

"Well I don't want to exceed the ten minutes time limit for it is getting very late this afternoon so I will simply confine myself to a few remarks and most of them will be extemporaneous. First of all, I'm thankful to have the opportunity to address the committee this morning during the confirmation of Henry Kissinger for Secretary of State, but in the opinion of the National Youth Alliance, Kissinger's confirmation would represent a great threat not only to the Internal Security of the United States but to our foreign relations as well."

"Now, viewing Kissinger's record as chief of the National Security Council objectively, it would seem that
Kissinger is in the habit of promoting security risks. Pentagon papers thief Daniel Ellsberg is one of several security risks to work on the National Security Council as a result of Kissinger's promotion. And we ought to pause momentarily to consider the fact that Ellsberg was responsible for currying a job for James Schlesinger with the Rand Corporation. Two other outstanding security risks promoted by Kissinger are Morton Halperin, a defense witness for Ellsberg, and Helmut Sonnenfeldt, who we've heard a great deal about this morning and who had also leaked confidential information to foreign nationals.

"Now, in considering the international scene, however, Kissinger's brilliance as a politician was readily apparent in his handling of the now famous wheat deal with the Soviet Union. One suspects that the Soviet citizens were wild with enthusiasm in supporting Kissinger's confirmation, since they were certainly on the right side of that wheat deal. But Americans, however, can look forward to higher food prices. Securing the benefits of Kissinger's diplomatic master stroke cost the tax payers some four hundred million dollars and completely clobbered the small wheat farmer."

"No, of course, this is one result of the highly praised detente we've been seeking with the Communists, but yet, in spite of this search for this very elusive detente and all of Kissinger's peace overtures, even the New York Times can continue to print articles entitled 'Soviet Military Continues Tough Line Towards the West,' and 'New Younger Soviet Generals Thought to Stress the Offensive.' This comes from the April 23rd issue of the Times this year. Now, the increase of the already considerable Soviet nuclear arsenal amply states the verity of the Times' claim. Now, on the other hand, Kissinger's thinking on this subject can be readily seen in the May 26 SALT agreement which was signed by President Nixon which granted the Soviets a 35% numerical superiority in nuclear weapons."

"Now, when we appraise Mr. Kissinger in light of his actual foreign policy accomplishments to date, instead of his rave reviews in the press, we can only be appalled at the series of catastrophies this supposed diplomatic genius has wrought for America, and I know many of us (Unintelligible) the future as a result of this. Now, considering his so-called peace with honor in Indo China, what Kissinger did was a sort of sleight-of-hand show which was accompanied by a lot of patter. While American troops pulled out, ignominiously leaving the fighting going on in full swing, hundreds of American POW's and Missing
in Actions are still unaccounted for. It is indeed difficult to realize that fifty thousand young American men gave their lives in Indo China thinking they were helping to put an end to the menace of Communism, then Mr. Kissinger came along and with a few fast sessions at the conference table rendered all that sacrificed blood and pain totally useless."

"His brilliant detente with two Communist world powers drew rapturous applause from the press gallery and got a lot of Congressmen invited on free junkets to Peking, but the benefits to the American people are less apparent. In order to get Red China into the UN, Kissinger treacherously slipped a knife into our long time ally, Taiwan, and then yanked the rug out from under Japan, and generally caused a frantic reorientation of relations throughout the Asiatic and Pacific area. All to the great advantage of the Communist Chinese, but hardly any advantage to ourselves."

"But, in spite of all this, Kissinger should not really be thought of as a dove in spite of all the (Unintelligible) and everything else, mainly because he had arranged a contract that (Unintelligible) by the Rand Corporation in California, which would attempt to (Unintelligible) Russia (Unintelligible) attack on Egypt. One can only wonder whose interest Kissinger was serving (Unintelligible) without the knowledge of either the Secretary of State of Defense. For we must consider the fact that Kissinger is Jewish, and therefore has a personal stake in the fortunes of another nation, that nation being Israel. And with the cessation of large scale military involvement in Indo China, the Middle East has become our number one foreign problem. (Unintelligible) conducting negotiations Kissinger is going to be at an extreme disadvantage by being Jewish. (Unintelligible) have a quote here from Los Angeles Times (Unintelligible) 1973, which bears upon this issue: "Kissinger, whatever his qualifications as Secretary of State, will face a hostile Arab world because he's a Jew". Kissinger's appointment almost will certainly destroy any chance for peace or possible settlement of the Arab-Israeli dispute. (Unintelligible) already demonstrated willingness to commit American military men to that region, but before this committee he had stated, he had advised the President to send American troops into Jordan in 1970 when Syrian tanks rolled into the land where the American puppet King Hussein was holding sway, mainly to insure that we didn't lose this (Unintelligible) ally and that the real Arab nationalist leader could take over there. Obviously, we were in a position there where we had to pull Israel's chips out of the fire."
"Well, the main point with regard to Kissinger, the one that I feel needs to be stressed over and over again, is the fact that a man with divided loyalties cannot serve the best interests of the American people. The NYA represents what we believe to be the majority of people in this country--white, gentile Americans--and because of this we feel that a man from a minority background--a man who has divided loyalties--cannot do the sort of job in the Middle East. I know in my capacity as organizer for the NYA, having gone to many college campuses throughout the country, that the feeling that you see on college campuses is very much against Kissinger's confirmation for reasons I stated earlier. Many of these young men and women feel that with Kissinger's ethnic background to go on the possibility of committing U.S. troops to the region is quite high, although Kissinger's (Unintelligible) not withstanding. So again, I believe that having Kissinger appointed as Secretary of State may have disastrous consequences for this country and for the majority of people of this country."

"If there are any questions you would like to ask me, with regard to any (Unintelligible)."

"The Washington Post and Times Herald", a daily newspaper published at WDC, on September 15, 1973, contained the following comment on Camerota's appearance before the Senate Foreign Relations Committee in an article entitled "Last-Minute Kissinger Critics Get Licks In" by "Washington Post" Staff Writer, Murrey Maddrick, at Page A-3:

"A stronger ethnic protest against Kissinger was made by Nicholas Camerota, Jr. of Springfield, Mass., for the National Youth Alliance, which Camerota described as a group that represents 'the majority of America ... white, gentile, America.'"

"Kissinger is Jewish and therefore has a personal stake in another nation ... Israel', said Camerota. Camerota said that Kissinger, appointed Daniel Ellsberg to a National Security Council position in 1969'-- which an NSC official said yesterday is untrue--'shortly before Ellsberg began stealing' the Pentagon Papers. He said Kissinger also showed
"deplorably poor judgment" in hiring for the NSC staff 'Morton Halperin and Helmut Sonnenfeldt' who, 'incidentally, are also Jews.'"

information will be included in a subsequent Washington

The additional informants mentioned in the LHM

Miami indices were negative with regard to [redacted].

Appropriate credit and arrest records were negative

Personal observation at [redacted] on October 24, 1973 disclosed that the residence at
this address is a small, dilapidated cottage in a very run-
down neighborhood which has been zoned for commercial
development. It is one of the few remaining residences in
the area and it is very overgrown by trees, shrubs, and tall
grass. An ancient truck containing roof cleaning equipment
was parked in the front yard. It bears no license and does
not appear to have been moved for some time.

In view of the need for caution to protect the
Washington Field office informant, Miami contemplates no further
investigation at this time. In the event additional back-
ground information is needed, it is suggested that Washington
Field review the naturalization record of [redacted]
located at U.S. District Court, Washington, D.C.

Right-Wing Organizations Increase Anti-Israel Campaign

By Paul Valentine
Washington Post Staff Writer

Several right-wing organizations ranging from the 20,000-member Liberty Lobby to the American Nazi Party have sharply increased their traditional anti-Israel propaganda, blaming the current fuel shortage here on what they call Jewish or Zionist manipulation of the Middle East crisis.

"I've never seen anything like it," says William Pierce, head of the Arlington-based National Youth Alliance. "We've already sold about 250,000 blackmail leaflets across the country, and we can't keep up with the orders."

"There's been a real resurgence of the right wing over this oil crisis," says Edward H. Field, secretary of the Georgia-based National States Rights Party, which describes itself as "white racist political party.

Field said his organization recently printed 10,000 "Oil Yes—Jews No" bumper stickers and already has sold more than 1,000 at four for $1. Circulation of the party's newspaper, The Thunderbolt, has also jumped from 12,000 to 14,000 in recent months, he said.

Other right-wing organizations said their public relations efforts are self-supporting and they say they receive no support from Arab or oil interests.

"We've been watching this matter very closely," says Arnold Orser, general counsel for the Anti-Defamation League of B'nai Brith, which monitors organizations considered hit men to be anti-Jewish.

"A kind of empirically weighted study" by ADL of newspaper editorials across the country, he said, shows that only a "rare fringe" of "extremists" blame the oil shortage on Israel or American Jews.

The shortage has provided a timely pretext to boost anti-Jewish propaganda, Orser said. "It's part of their lunatic thinking," he said.

The thrust of much of the campaign is to try to turn public opinion in favor of Israeli manipulation of the Middle East.

The anti-Jewish sentiment is not confined to the United States. It has also been adopted in other countries, with similar results. In England, for example, right-wing groups have called for economic sanctions against Israel, accusing it of being controlled by Jewish interests. In France, a similar sentiment has led to the formation of anti-Semitic organizations.

These groups have gained support from various segments of the population, including some politicians. In Italy, for example, right-wing parties have gained popularity by exploiting anti-Semitic sentiments. In Germany, similar sentiments have been expressed by various political groups, including the far-right AfD party.

The rise of these groups is seen as a worrying trend by many observers, who fear it could lead to increased tensions and even violence.

The United Nations has condemned the rise of these groups and called for a united front against anti-Semitism. The International Holocaust Remembrance Alliance has also condemned the rise of these groups, describing them as "anti-Semitic and harmful to the cause of human rights and dignity."

Subsequent investigation by the Boston Division under the UVK failed to reveal any Klan activity on the part of.
The NYA was originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1958 Presidential election for the stated purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. Its efforts to establish in this country a German-type national socialism of the Hitler era emphasize white racist and anti-Semitic policies. The NYA tabloid newspaper, "Attack!" in its Summer, 1971, (Number 6) issue, advocated revolutionary action to destroy the existing system, since "It is no longer possible to cure the System...by Constitutional methods." A series of articles entitled "Revolutionary Notes" published in "Attack!" beginning in the Summer, 1971 (Number 5) issue, and concluding in the October, 1972 (Number 15) issue, provided readers with instructions and diagrams for the construction of simple incendiary and explosive devices and techniques of guerrilla warfare "for use in counter-revolutionary situations." The Fall, 1971 (Number 7) issue of "Attack!" carried an editorial entitled "What We Must Do Now" which discusses "revolutionary action" and states in part: "We must think...in terms of assassinating federal judges, of burning the stores of businessmen who act as if they are more interested in what's good for business than what's good for White America, of dynamiting the TV transmitters and newspaper presses of the alien news manipulators, of harshly punishing Whites--male or female--who fraternize sexually with non-Whites, of putting the fear of terrible retribution into every treacherous politician and System-serving editor, advertiser, bureaucrat, or other public person."

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For George C.) Wallace supporters following the 1958 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

SUBJECT: NATIONAL YOUTH ALLIANCE (NYA) EXTREMIST MATTER

PURPOSE OF THIS MEMORANDUM IS TO OBTAIN YOUR APPROVAL TO DISSEMINATE THROUGH OUR LIASON OFFICE TO THE U. S. INTERNAL REVENUE SERVICE (IRS) AND THE CHIEF POSTAL INSPECTOR COPIES OF REPORTS SETTING FORTH RESULTS OF OUR INVESTIGATION OF THE NYA.

The NYA is an organization originally formed from a nucleus of a Youth for (George C.) Wallace supporters following the 1968 Presidential election for the purpose of countering radical leftist and anarchist influences of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racism and anti-Semitism and who suggest violent influences as the means for implementing their radical and political ideals in America. The NYA publishes a newspaper entitled "Attack" which espouses the aims and purposes of the organization. This group has been under investigation by the FBI since 1969.

An informative note was prepared on 12/26/73 to which was attached an article, which appeared in "The Washington Post" daily newspaper, authored by Jack Anderson. The article pointed out that the NYA has achieved tax exempt status from the IRS and reduced postal rates from the U. S. Postal Service as it is classified as a nonprofit organization. Neither IRS nor the U. S. Postal Service has previously been furnished with results of our investigations. It is believed that the NYA is an active extremist organization and in view of the above, dissemination should be made of reports which have been prepared on this organization since 1969 to the IRS and Chief Postal Inspector.

Attached article by columnist Jack Anderson appeared in 12/26/73 edition of "The Washington Post" newspaper. The article states the National Youth Alliance (NYA) has been granted tax exempt status by the Internal Revenue Service and the U.S. Postal Service has afforded it reduced rates as it is classified a non-profit organization.

The NYA is a white-hate group promoting anti-Zionism and suggests violent revolution for implementing its racial and political ideas. This group has been under active investigation for an extended period of time by the FBI. Dissemination of information developed as result of our investigation has been made to Internal Security Section and General Crimes Section, both of the Criminal Division, and the Civil Rights Division of the Department of Justice; the U.S. Secret Service, and when necessary to the Bureau of Alcohol, Tobacco, and Firearms, U.S. Treasury Department.

The above submitted for information.
The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George V.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Semitism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

In his column, "The Washington Merry-Go-Round", published on December 26, 1973, in "The Washington Post and Times Herald", a daily newspaper published at Washington, D.C., columnist Jack Anderson wrote an article concerning Pierce and the NYA captioned "Ex-Nazi's Hate Group Is Tax Exempt". Anderson article states that NYA literature is produced tax free and is mailed at reduced postal rates as a non-profit organization.

The above described article by Jack Anderson has been reproduced and a copy is attached hereto.

ENCLOSURE

157-19589
Ex-Nazi’s Hate Group Is Tax Exempt

By Jack Anderson

Under President Nixon, public interest groups have found it increasingly difficult to obtain tax exemptions from the Internal Revenue Service.

Yet a former Nazi, who once promised there would be “a Jew hanging from every lamppost in the country,” had no trouble breaching through the bureaucratic morass at the IRS and getting his hate organization declared “exempt from federal income tax.”

He is William L. Pierce, who runs the anti-Semitic, right-wing National Youth Alliance in Arlington, Va. Pierce, who has a Ph.D. in physics and prefers to be called “doctor,” was a self-admitted “personal friend” of George Lincoln Rockwell, the late leader of the American Nazi Party. After Rockwell’s death, Pierce became the Nazis’ “assistant executive officer” and “ideological officer.”

It was in this capacity that Pierce recorded a “dialect-hate” message declaring “there is only one effective way to deal with rampaging blacks on our campuses — and in our cities — and that is to kill them.”

In 1965, Pierce was found selling “Negro control equipment,” out of his Virginia home. His “equipment” ranged from riot guns to chemical mace.

For the past three years, Pierce has headed the National Youth Alliance, an offshoot of the arch-conservative Liberty Lobby. The original NYA, which was based in Washington, went out of business and, in 1970, was reincorporated in Virginia by Pierce.

The “new” NYA is largely a paper organization which does little more than publish hate literature and send out appeals for funds.

Its main publication is a tabloid called “Attack,” which is frequently festooned with ghoulish pictures of malnourished and disfigured bodies. They are described in rabid language as Arabs who fell victim to Israeli attacks.

A recent fund-raising letter asserted that “only a well-aimed bullet could have stopped the confirmation of Henry Kissinger.”

This scurrilous literature is now produced tax free. For as of October, 1973, Pierce’s organization is no longer required to pay federal taxes.

A letter to Pierce from IRS District Director William D. Waters proclaims that the NYA is “not liable for Social Security (FICA) taxes” or for “the taxes imposed under the Federal Unemployment Tax Act (FUTA).” All “bequests, legacies, devises, transfers or gifts” to the NYA are also “deductible for federal estate gift tax purposes.”

What’s more, Pierce took his tax-exempt credentials to the Postal Service and wrangled the privilege of mailing his literature at the reduced rates reserved for non-profit organizations.

Now, courtesy of the U.S. government, Pierce saves $310 for every 10,000 pieces of hate mail he sends out.

Pierce’s most recent issue of “Attack,” which he mailed at non-profit rates, contains a picture of Kissinger in the crosshairs of a rifle telescope. The same issue advertises Adolph Hitler’s “Mein Kampf” and several “how-to” books on the construction of booby-traps, explosives, and demolitions.

Footnote: An IRS spokesman told us that tax exempt status is usually granted on the presumption that “the organization has acted in good faith and has told us the truth” about its operations. There are over 600,000 tax exempt groups on record, the spokesman said, explaining it is impossible to investigate them all. Nevertheless, the IRS found plenty of time to investigate the Center on Corporate Responsibility, a public interest group that struggled three years for a tax exemption and won it only after a federal judge detected “political influence”

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.
The NYA is an extremist white youth organization at Washington, D.C. (WDC). The above article in all probability reflects reaction to an article by syndicated columnist, JACK ANDERSON, concerning NYA which appeared on 12/26/73, and which alleged that NYA enjoyed tax-exempt status as a non-profit organization and reduced-rate mailing privilege in connection with its propaganda mailings. According to the above source, the IRS has indeed instituted investigation of the NYA.

Examination of the literature revealed the front page of the flyer addresses the purported blackmail of the American public by Zionists. "America is being blackmailed; because of this blackmail, we may not be able to drive our cars or heat our homes this winter. Some of our schools may be forced to close, and many of us may lose our jobs. If the blackmail continues, and if many of our industries are forced to shut down, America may be faced with another depression; we can put an end to this blackmail, and it is high time we did! The blackmailers are tightly organized international gang of Zionists." The first page continues to say the Zionists are blackmailing the lawmakers in the United States to aid in the Middle East war against the wishes of the American people, by sending money and weapons to Israel and further states, the politicians who yield to blackmail should not be reflected. At the bottom of the front page in smaller type is distributed as a public service by the National Youth Alliance; Box 3555, Washington DC, 20007, and the cost of reprints. The back page of the flyer is headed "How the blackmail works; the Media Monopolies." It goes on to list the television networks and major newspapers purportedly headed.

PAGE 4 RUMHAC07983 UNCLASSIFIED

Small members on the same minority group with ties to a foreign government; it finishes by saying "we must break the media monopolies so that TV, newspapers, and the other mass media represent only the interests of the American people instead of a foreign government!" Depicted on the back page is a badly disfigured child with the caption "This little Arab girl has been permanently disfigured by napalm dropped on her village in southern Lebanon by Israeli bombers. The tragedy and shame for us is that both the aircraft and the napalm here made in the U.S.A. the average American does not want this country to become entangled in another Vietnam in the Middle East, but Zionist blackmail against the Congress and the White House are forcing our government to continue sending weapons and money to the Israelis!"

Comments of the appending officer:

An article entitled "Piercing Views on Society Aired," published in "The Journal", a weekly newspaper published at Arlington, Virginia, issue of April 26, 1973, reported an interview with WILLIAM L. PIERCE concerning the NYA. The article stated in part:

"The National Youth Alliance formed in 1970, has several thousand members across the country—with more in areas like Chicago, New York and Los Angeles than in the Washington area. The many government employees here are somewhat 'skittish' about joining such a group..."

II. OBJECTIVES AND PROGRAMS

An interview with WILLIAM L. PIERCE, Executive Director of NYA, printed in "The Journal", a weekly newspaper published at Arlington, Virginia, in its issue of April 26, 1973, is quoted in part as follows:

"One of NYA's credos is that racial tension and hatred are the inevitable outcome of a racially mixed society.

"'Separation is the only answer,' according to PIERCE. He predicted 'if we remain in our present course we're heading for cultural, national and racial chaos. We already have it to some extent.'"
"NYA opposes all racially mixed marriages, as well as marriages between Jews and Christians. It is against forced racial mixing in schools, employment and housing.

"'You might say we agree with the Black Muslims in spirit, since we're both concerned that our peoples should be able to develop according to our own natures,' PIERCE observed. 'We should think of the race as the central entity, and the individual as a part of the race.'

"ABRAHAM LINCOLN, touted as the man who abolished slavery, wanted separate futures for blacks and whites after abolition, according to PIERCE. 'LINCOLN and most abolitionists wanted to settle former slaves in Africa or the Caribbean.'

"Racial pride is one answer for students without any apparent sense of community or value, according to NYA. 'Life is just a series of kicks to many of them. Drugs are just one outcome of this attitude of doing what you damn well please without any responsibility to anyone else,' PIERCE said.

"NYA also opposes Zionism, and U.S. aid to Israel against the Palestinians forced to leave the country. Unlike other groups termed 'right-wing,' it wants stronger rein on big business, saying that U.S. power is held by one wealth-accumulating class."

The NYA recruiting leaflet entitled "The Future Belongs to Us—Join Us!", sets forth the objectives and program of the NYA in fundamental terms. A reproduction of this leaflet appears in the appendix section of this report as Exhibit I.

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.
