The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA is currently controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.
A source has described the National States Rights Party as an anti-Negro, anti-Semitic white racist "political party" composed of past members of klan-type organizations and other right-wing groups.

Sources familiar with extremist activities in the Greater Boston area, contacted in January and February 1974, all advised [redacted] and [redacted] are not known to them.

The U. S. Klans was chartered in Georgia in 1955, but was out of existence by August, 1965. The U. S. Klans was reorganized in November, 1967, under the original charter. The objective of the U. S. Klans is the maintenance of racial segregation.

FBI/DOJ
The National States Rights Party (NSRP), formerly known as the United White Party, was organized in 1957 at Knoxville, Tennessee, and is based upon the concept of being opposed to all "race mixing organizations and individuals." The July, 1958, issue of "The Thunderbolt," self-described as the "official racial nationalist organ of the NSRP," reported that rank and file "States Righters" had merged with the United White Party under "The banner of the NSRP." The organization supports and follows its official line of hatred against the Jews, Negroes, communists, and certain law enforcement agencies, especially the Federal Bureau of Investigation. The organization carries out its line of hatred through the use of propaganda media and provocative demonstrations.

The national leaders of the NSRP have repeatedly and publicly urged the expulsion of all Jews and Negroes from the United States. On September 1, 1968, following an NSRP rally at Berea, Kentucky, members of the NSRP and members of the local Negro community engaged in a gunfight in which one member of the NSRP and one Negro male were killed. The gunfight, which ensued following the rally, was attributed to anti-Negro remarks made by leaders of the NSRP at the rally.

2.
RE: ROSS P. UPTON

The leaders of the NSRP travel extensively throughout the United States and utilize interstate communications in the furtherance of their activities.

The Minuteman organization was organized in 1960, reportedly to resist the spread of communism in the United States by use of guerrilla tactics. ROBERT B. DePUGH, national coordinator of the Minutemen, was sentenced in October, 1970, for violations of the Federal Firearms Act. At the time of his arrest, DePUGH was in possession of documents concerned with guerrilla warfare and other paraphernalia, including hand grenades, gun silencers, and a machine gun. DePUGH was released on parole during April, 1973, and in June, 1973, indicated he plans to revitalize the Minutemen into a "two-armed organization." Arm Number one will be a political front organization, the purpose of which will be to sway elections and control local and state political structures. Arm Number two will be an underground guerrilla organization made up of "strike teams." These "strike teams" are to be under the direct control of DePUGH and their existence is to be unknown to everyone including Minutemen State Coordinators.

Preliminary investigation indicates the NA is merely a new title given to the older NYA by an organization attempting to establish a larger base of new members by deemphasizing the organization's youthful image. NA/NYA staff remains unchanged except for the addition of newspaper "Attack!"

For administrative purposes, Alexandria will maintain separate NA/NYA files, but no further NA preliminary investigation will be conducted. Alexandria is of the opinion that present coverage of the NYA is adequate to cover the activities of the NA/NYA, but will maintain contact with sources to be alert for opportunities for additional coverage.

It was indicated in reurat that preliminary investigation indicates the National Alliance (NA) is merely a new title given to the older National Youth Alliance (NYA). It was indicated that, for administrative purposes, your office would maintain separate files concerning the NA and NYA but that no further preliminary investigation concerning the NA would be conducted. Opinion was expressed the present coverage of the NYA is adequate to cover the activities of the NA.

Bureau agrees with your general observations relative to covering the NA in the future in connection with your ongoing investigation of the NYA. It is believed, however, that pertinent information developed during the preliminary investigation concerning the NA which has not yet been included in a communication for dissemination, should be incorporated in an LHM for that purpose. This would include information contained in reurat. Please submit an LHM.

The National Socialist White People's Party, also known as The American Nazi Party, American Nazis, The World Union of Free Enterprise National Socialists and The George Lincoln Rockwell Party, was organized
on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

The February, 1974 (Number 25) issue of "Attack!", the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack!" as a "super structure for an anticipated array of specialized, coordinate groups" of which NYA will continue as the youth group for individuals thirty years of age and under. Persons over thirty years of age wishing to join the "movement" must become members of the new organization. According to "Attack!", "*** the National Alliance will remain generalized in its appeal and its membership will guide and direct all the special interest groups***."

SUBJECT: NATIONAL YOUTH ALLIANCE
EXTREMIST MATTER-NYA
(00:WFO)

Enclosed for the Bureau are five copies of the July, 1974, (No. 28), issue of "Attack!", tabloid newspaper published by the National Youth Alliance (NYA), extremist white youth organization with headquarters at Washington, D.C. (WDC).

For the information of the Bureau, the lead article in the current issue of "Attack!", entitled "Super-K Is a Phony", alleges that Secretary of State HENRY KISSINGER's reputation as a brilliant statesman based up on his reported diplomatic successes in Vietnam and the Middle East is a "media-managed myth" and that KISSINGER's diplomacy in these areas has cost the United States dearly in terms of compromise and concessions.

The current "Attack!" editorial, entitled "Watergate and Democracy", is addressed to current supporters of President NIXON who "consider the President an innocent victim of a conspiracy by the media and the liberals in the Congress to get rid of him." The editorial acknowledges the media-liberal campaign to hound President NIXON from office, but castigates NIXON supporters for closing their eyes to the fact that he "is guilty of the great majority of the things of which he is being accused by the media and the liberals". It contends that NIXON supporters should not put hatred for the President's enemies, ignore evidence that he "is a thief, a liar, and a suborn of perjurers," and that his disastrous economic and social policies, his political conniving and his compromises with the Jews prove him also to be a traitor to the people.

The editorial concludes that if there is any redeeming value in the Watergate mess, it is an awakening of the American

[Handwritten notes and redactions]

people to the fact that corruption begets criminals and that "there is no way to put an honest man into the White House—
or to begin healing America's hastening ills—while the System remains intact".

A feature article in the current issue of "Attack!" entitled "Spiro and the Jews" cites "The Times of Israel", reportedly an English-language Zionist publication for Americans, as the source of an allegation that JEWS had promoted former Vice President SPIRO T. AGNEW from an obscure Baltimore County politician to Vice President and that Jews were responsible for pulling him down. The article names individual Jews among AGNEW's former aides, staff and associates during his political rise to the Vice Presidency and asserts that "it was AGNEW's Jewish business associates, working with two Jewish prosecutors in the U. S. Attorney's office in Baltimore, who pulled him down".

Another feature article consisting of two pages, including photographs, is captioned "Remember the Liberty!" and recounts the Israeli air and naval attack on the United States' communications ship, "U. S. S. Liberty", on 6/8/67 off the Sinai Peninsula. A two-page article entitled "The Masters of the Media" appears to be a rehash of previous "Attack!" articles which allege and purport to prove that the public information media is controlled by Jews and is insidiously used to promote Jewish interests.

"The Movement in Action", a feature devoted to the activities of individuals involved in promoting the right-wing movement, contains items with photographs pertaining to a demonstration held on 6/8/74 in WDC to commemorate the anniversary of the Israeli attack on the "U. S. S. Liberty" and the introduction of newspaper vending machines by the National Youth Alliance in the Washington area to increase the distribution of "Attack!". This feature also notes the candidacy of J. B. STONER, chairman of the National States Rights Party, for the office of Lieutenant Governor of Georgia and notes the similarity of his racial and political views to those of the National Youth Alliance.

NATIONAL SOCIALIZED WHITE PEOPLE'S PARTY (NSWPP)
Also Known As,
The American Nazi Party,
American Nazis,
The World Union of Free Enterprise National Socialists,
The George Lincoln Rockwell Party

The American Nazi Party - The World Union of Free Enterprise National Socialists was organized by George Lincoln Rockwell on February 26, 1936, based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. On January 1, 1967, the official name of this organization was changed to National Socialist White People's Party. The NSWPP supports and follows the line of hatred against Blacks, Jews and communists through various propaganda media, demonstrations, and other publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries. Headquartered in Arlington, Virginia, the NSWPP is currently led by Matthias Kothl, Jr.

Re: National Alliance (NA)

In Washington, D. C., the same as that Alexandria letter 6/28/74, copies WU, reasoned that the NA was merely a new title given to the older National Youth Alliance (NYA) and that no further preliminary investigation would be conducted of the NA but that it would be followed through the investigation of the NYA.

In light of the new development this matter should be re-opened for appropriate investigation, including a determination, if possible, of the extent to which this is being circulated. As origin, Alexandria should promptly submit an appropriate LRM reporting with particular emphasis on the portion quoted above, so it may be disseminated to the Department.

NOTE:

The NA has been determined to be a fringe organization of the NYA which is a white-hate type organization. We have previously disseminated information concerning the NA to the Department and believe that the contents justify our renewed interest and submission of this matter to the Department.

Pursuant to this recommendation, referenced BFO airlift and limit.

Bureau Letter to Alexandria dated 12/6/74, captioned as above, and BFO airlift, and NA dated 11/27/74, captioned "National Youth Alliance (NA)"

All information contained herein is classified.
For the information of the Bureau, the National Alliance was created in an effort to attract broader popular support from a segment of the population who are sympathetic with the policies and objectives of NYA but who cannot identify with a "youth" organization. Therefore, in theory, NA was designed to be "parent" organization of a number of "specialized" subsidiary organizations. NYA was to be one such special interest group.

"Attack!" reportedly is to serve both NA and NYA for the present time.

Since all current publications and activities promoted by NA and his organizations include the name National Alliance, the Bureau is requested to advise whether or not it wishes that communications relating to these publications and activities continue to carry the NYA caption.

Re: WFOsirtel 12/10/74, copies Alexandria, requesting advice as to whether communications relating to certain publications and activities should continue to carry the National Youth Alliance (NYA) caption.

Communications concerning publications should carry the caption of the organisation identified in the publication as its sponsor or publisher. In doubtful situations, suggest utilising both NYA and NA in the caption. When activities are clearly defined as relating to just one of the organisations, that organization should be carried in the caption. If the activities are of both organisations, carry both in the caption. Again, doubtful situations should carry both organisations in the caption.

With respect to earlier Bureau instructions for Alexandria to determine the extent of the circularisation of a particular NA and the submission of an LHM concerning the same, it will be unnecessary for Alexandria to take any further action in light of WFO's sirtel and LHM 11/27/74 reporting the contents of the and the circularisation of same.

NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

The February, 1974 (Number 25), issue of "Attack", the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack" as a "superstructure for an anticipated array of specialized, coordinate groups," of which NYA will continue as the youth group for individuals thirty years of age and under. Persons over thirty years of age wishing to join the "movement" must become members of the new organization. According to "Attack", "*** the National Alliance will remain generalized in its appeal and its membership and will guide and direct all the special interest groups ***".

CHARACTERIZATION OF SUBVERSIVE
ORGANIZATION
EXTREMIST MATTER

The United Klans of America, Inc. (UKA),
Knights of the Ku Klux Klan was chartered in 1961
at Atlanta, Georgia. It was formed as a result of
splits in and consolidation of other Klan groups. In
July, 1961, the United Klans, Knights of the Ku Klux
Klan of America, Incorporated, merged with the Alabama
Knights, Knights of the Ku Klux Klan. The merged
organization was headed by Robert Shelton. In October
of 1961, a majority of the Klaverns of the United
States Klans, Knights of the Ku Klux Klan, were merged
with the UKA and Robert Shelton continued as the leader.

The UKA is the dominant Klan group in the
United States with headquarters located at Tuscaloosa,
Alabama, and members in several states. Robert Shelton
of Tuscaloosa, Alabama, continues to be the Imperial
Wizard of the organization. The stated aims and purposes
of the UKA are the promotion of Americanism, white
supremacy, and segregation of the races. Like other
Klan organizations it is anti-Negro, anti-Semitic and
anti-Catholic.

Klan members and leaders have been involved
in atrocities including beatings, bombings, and murders,
and have engaged in activities seeking to deny others
their constitutional rights.

To preclude machine processing of minox film from this source in future and to insure adequate quality control to obtain best prints possible, it was agreed with WFO Agents that submissions would be made by cover letter rather than requisition. Enclosure(s)
The National Alliance (NA) and the National Youth Alliance (NYA) are characterized in the Appendix to this communication.
The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

The February, 1974 (Number 25), issue of "Attack", the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack" as a "superstructure for an anticipated array of specialized, coordinate groups," of which NYA will continue as the youth group for individuals thirty years of age and under. Persons over thirty years of age wishing to join the "movement" must become members of the new organization. According the "Attack", "* * * the National Alliance will remain generalized in its appeal and its membership and will guide and direct all the special interest groups * * *."
NA/NYA is a white racist, anti-Zionist organization operating in the Washington, D.C. area.

In addition to having telephonically alerted AG's office, teletype dissemination made of attached to AG, DAG, other interested officials and components of the Department, and Secret Service. WFO has alerted Secret Service and local law enforcement agencies, including Federal Protective Service.

On 2/26/74, the NA was incorporated in the state of Virginia and the Board of Directors were listed as follows:

The NYA was incorporated in Virginia and Washington, D.C., on 10/14/70 and 1/31/73 respectively. The Board of Directors were shown as follows:

Referenced communications indicated that the title of the NA/NYA, merely changed to the NA and demoted the NYA to a auxiliary group for individuals under thirty years of age.

The organization's tabloid newspaper Attack is copyrighted under the title of NA and the Action bulletin will also carry the NA heading once new letterheads can be obtained.

Alexandria is of the opinion that WFO's yearly report with a dual caption NA/NYA adequately covers the organization and for Alexandria to submit a separate report entitled "NATIONAL ALLIANCE" would be a duplication.

UACB, Alexandria will not submit a yearly report entitled "NATIONAL ALLIANCE."

FBI/DOJ
The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

The February, 1974 (Number 25), issue of "Attack", the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack" as a "superstructure for an anticipated array of specialized, coordinate groups", of which NYA will continue as the youth group for individuals 30 years of age and under. Persons over 30 years of age wishing to join the "movement" must become members of the new organization. According to "Attack", "**** the National Alliance will remain generalized in its appeal and its membership and will guide and direct all the special interest groups ****."

This investigation is based on information which indicates that the National Youth Alliance (NYA) is engaged in activities which could involve a violation of Title 18, United States Code, 2383 (Rebellion or Insurrection); 2384 (Seditious Conspiracy); 2385 (Advocating the Overthrow of the Government); 231-233 (Civil Disorders); 2101-2102 (Antitrust Laws); 241 (Conspiracy Against Rights of Citizens); and 245 (Federally Protected Activities).

The NYA was originally formed from a nucleus of Youth for (GEORGE C.) WALLACE supporters following the 1968 Presidential election for the stated purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. Its efforts to establish in this country a German-type national socialism of the Hitler era emphasize white racist and anti-Semitic policies. The NYA tabloid newspaper, "Attack!" in its Summer, 1971, (Number 6) issue, advocated revolutionary action to destroy the existing system, since "It is no longer possible to cure the System...by Constitutional methods." A series of articles entitled "Revolutionary Notes" published in "Attack!" beginning in the Summer, 1971, (Number 6) issue, and concluding in the October, 1972, (Number 15) issue, provided readers with instructions and diagrams for the construction of simple incendiary and explosive devices and techniques of guerrilla warfare "for use in counter-revolutionary situations." The Fall, 1971, (Number 7) issue of "Attack!" carried an editorial entitled "What We Must Do Now," which discusses "revolutionary action" and states in part: "We must think...in terms of assassinating federal judges, of burning the stores of businessmen who act as if they are more interested in what's good for business than what's good for White America, of dynamiting the TV transmitters and newspaper presses of the alien news manipulators, of harshly punishing Whites--male or female--who fraternize sexually with non-Whites, of putting the fear of terrible retribution into every treacherous politician and System-serving editor, advertiser, bureaucrat, or other public person."
The February, 1974 (Number 25), issue of "Attack!," the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack!" as a "superstructure for an anticipated array of specialized, coordinate groups," of which NYA will continue as the youth group for individuals thirty years of age and under. Persons over thirty years of age wishing to join the "movement" must become members of the new organization. According to "Attack!," the National Alliance will remain generalized in its appeal and its membership and will guide and direct all the special interest groups.

I. NATIONAL HEADQUARTERS

On February 25, 1974, a change of address filed in behalf of the NYA gave the new mailing address for the organization as Post Office Box 9473, Rosslyn Station, 1815 North Fort Myer Drive, Arlington, Virginia.

The mailing address of NA/NYA appears in "Attack!" as Box 3535, Washington, D. C. 20007.

(Agent investigation, February 20, 1975)

The telephone number for NA/NYA is 525-3223.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY (NSWPP)
Also Known As, THE AMERICAN NAZI PARTY,
AMERICAN NAZIS, THE WORLD UNION OF FREE
ENTERPRISE NATIONAL SOCIALISTS, THE
GEORGE LINCOLN ROCKWELL PARTY

The American Nazi Party - The World Union of Free Enterprise National Socialists was organized by GEORGE LINCOLN ROCKWELL on February 26, 1956, based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. On January 1, 1967, the official name of this organization was changed to National Socialist White People's Party. The NSWPP supports and follows the line of hatred against blacks, Jews, and communists through various propaganda media, demonstrations, and other publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries. Headquartered in Arlington, Virginia, the NSWPP is currently led by MATTHIAS KOEHL, JR.

NATIONAL STATES RIGHTS PARTY

The National States Rights Party (NSRP), formerly known as the United White Party, was organized in 1957 in Knoxville, Tennessee. The NSRP's official party line promotes hatred against Jews, Negroes, Communists and certain law enforcement agencies. NSRP National Chairman J. B. STONER has publicly advocated killing or deporting Jews; deportation of Negroes; "doing away with FBI pimps"; and repeal of all civil rights laws. The NSRP carries out its line of hatred through the use of propaganda media and provocative demonstrations.

A lawsuit instituted by CARTO to recover damages from PIERCE dragged on for several years and eventually was dropped.

Established National Youth Alliance Headquarters at 1656-33rd Street, N.W., Washington, D.C. (WDC) in the latter part of 1970, and it remained there until August, 1972. During this period, the Bureau concurred in a recommendation by Alexandria that WFO become office of origin in the investigation. WFO has remained office of origin to the present time.

In August, 1972, headquarters of the National Youth Alliance was moved to 1022 Wilson Boulevard, Suite 2012, Arlington, Virginia, although the National Youth Alliance
Headquarters mailing address continued to be published as Box 3535, WDC. However, the headquarters mailing address continues to be published as Box 3535, WDC. Since the creation of the National Alliance in February, 1974, all activities and all publications (except "Action," the internal bulletin of the National Youth Alliance) carry the name of the National Alliance, and the National Youth Alliance is described in organizational publications as a subsidiary of the National Alliance, which exists for members and supporters of the "movement" under thirty years of age.

RECOMMENDATIONS

1) It is recommended that future investigation of the National Alliance and the National Youth Alliance be combined in one file captioned "National Alliance/National Youth Alliance."

2) It is recommended that Alexandria be made office of origin in the investigation of National Alliance/National Youth Alliance, since organizational headquarters is located in Arlington, Virginia and most activities and principals are centered in the Arlington-Alexandria area.

3) It is recommended that either Alexandria or Richmond be made office of origin in the investigation of since... is on the ADEX and neither resides nor is employed in WDC at this time.

Enclosure(s)
NATIONAL ALLIANCE;
NATIONAL YOUTH ALLIANCE

The National Alliance (NA) and the National Youth Alliance (NYA) are characterized in the Appendix to this communication.
The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.)
Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist
influences on the campuses of American colleges and universities. NYA currently is controlled by individuals
who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the
means for implementing their racial and political ideas in America.

The February, 1974 (Number 25), issue of "Attack!",
the tabloid newspaper published by NYA, announced the
formation of a new organization called the National
Alliance (NA). The new organization was described in
"Attack!" as a "superstructure for an anticipated array
of specialized, coordinate groups", of which NYA will
continue as the youth group for individuals 30 years of
age and under. Persons over 30 years of age wishing to
join the "movement" must become members of the new
organization. According to "Attack!", "* * * the National
Alliance will remain generalized in its appeal and its
membership and will guide and direct all the special
interest groups* * * ."

The National Knights of the Ku Klux Klan, Incorporated, (NKKKK), a consolidation of various klan groups, was granted a charter in DeKalb County, Georgia, in November, 1963. The NKKKK was chartered as a patriotic, secret, social, and benevolent order; however, in December, 1963, the NKKKK issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic, and anti-foreign born. The NKKKK and its affiliate groups purportedly promote white Christian Americanism and combat communism. An annual NKKKK rally and cross burning has been held on Labor Day Weekend in Stone Mountain, Georgia, on the property of NKKKK Imperial Wizard James R. Venable.

Some klan members and leaders have been involved in atrocities including beatings, bombings, and murders, and have engaged in activities seeking to deny others their constitutional rights.

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

The February, 1974 (Number 25), issue of "Attack!" the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack!" as a "superstructure for an anticipated array of specialized, coordinate groups," of which NYA will continue as the youth group for individuals thirty years of age and under. Persons over thirty years of age wishing to join the "movement" must become members of the new organization. According to "Attack!" NATIONAL YOUTH ALLIANCE

The National Alliance (NA)/National Youth Alliance (NYA) are characterized in the appendix to this communication.

The June, 1975, (number 37) issue of the NA/NYA tabloid newspaper (Attack) contains the sixth episode in the serialized story, "The Turner Diary." These episodes summarize life during the early 1980's of the new "organization," which is in armed conflict with the present system.

The sixth episode states that on October 13, 1981, the "organization" successfully bombed the Federal Bureau of Investigation (FBI) Headquarters building, Washington, D.C., causing 700 employees to lose their lives.

The "organization" stole an office/supply company truck, loaded it with forty-four, 100 pound bags of nitrate fertilizer and parked the vehicle in the freight platform located in the basement of the FBI Headquarters building. The driver activated the explosives by means of a delayed detonator.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is issued to your agency; it and its contents are not to be distributed outside your agency.
The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

The February, 1974 (Number 25), issue of "Attack!", the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack!" as a "superstructure for an anticipated array of specialized, coordinate groups," of which NYA will continue as the youth group for individuals 30 years of age and under. Persons over 30 years of age wishing to join the "movement" must become members of the new organization. According to "Attack!", "*** the National Alliance will remain generalized in its appeal and its membership and will guide and direct all the special interest groups ***".
Enclosed for the Bureau are eight copies and for WFO one copy of an LHM dated and captioned as above. Attached to LHM are two copies of an FD-376. One copy of enclosed LHM is being disseminated by Alexandria locally to U.S. Secret Service.

Say U.S. Savings Bonds Regularly on the Payroll Savings Plan
National Alliance was formed in 1974 as a superstructure for an anticipated array of specialized, coordinate groups of which the NYA will continue as the Youth Group.

On June 10, 1975, RALPH G. MURDY, Chief, Protective Security Section, Social Security Administration (SSA), United States Department of Health, Education and Welfare, Baltimore, Maryland, advised that he had received a complaint from an employee of the SSA, who had observed a number of leaflets of an anti-Semitic nature which had been distributed on the premises.

Mr. MURDY advised that an investigation by the Protective Security Section failed to disclose the person or persons responsible for the distribution. Mr. MURDY furnished a copy of the leaflet which is set out below.
The May, 1975 (#36) issue of "Attack", published by the NA/NYA contained the following letter with the heading, "The People Speak:"

"Gentlemen:

"Thanks for sending the ten copies of Attack! They are put to good use. I'm an executive in HEW (GS-15) which is full of bleeding-heart leftist Jews. I surreptitiously drop copies all over my building, twenty thousand people work here.

Silver Spring, Maryland"

On October 16, 1975, RALPH G. MURDY, supra, advised that [redacted] is a GS-14 Personnel Management Specialist, Personnel Division, SSA, Baltimore, Maryland. Mr. MURDY advised that [redacted] had been a GS-15 while he was working in Washington, D.C., with SSA.
NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (GEORGE C.) WALLACE supporters following the 1968 Presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

ALL INFORMATION CONTAINED HERIN IS UNCLASSIFIED.
When General Brown recently made a public statement revealing the extent of Jewish control over the lives of Americans, there was consternation in the news media. General Brown had done a "no-no." He had told the American people the simple truth.

How have the facts of Jewish control of America's foreign policy and her economy been kept secret for so long? Why is such a fuss made when one brave man speaks the truth?

The answer is that the Jews have managed to gain a monopoly control over America's news media, and they use their monopoly to determine what the people shall know and what they shall not know.

Television News

Consider, for example, the TV-news broadcasting industry. This is probably the single most influential mass medium. Virtually all national and international TV news in the U.S. is filmed, edited and broadcast by just three corporations: American Broadcasting Companies, Inc. (ABC), Columbia Broadcasting System, Inc. (CBS), and National Broadcasting Company (NBC). The last is not an independent corporation, but is a subsidiary of Radio Corporation of America (RCA).

ABC

The president and chief executive officer of ABC is Leonard Goldenson. The general manager of ABC News is Martin Rubenstein, and under Mr. Rubenstein, as executive producer of ABC's TV news programs, is Abram Westin.

CBS

The top man at CBS is Chairman of the Board William S. Paley. The CBS News subsidiary is run by President Richard S. Salant.

NBC

Robert Sarnoff is president, chief executive officer, and chairman of the board of RCA.

President and chief officer of NBC itself is Herbert A. Schlosser.

Alman News Monopoly

The major broadcasting corporations employ thousands of persons in executive positions, but the seven men named above are at the key control points. They are the ones who have the ultimate decision-making authority. They dictate what 210 million Americans shall learn of what has happened in the nation and in the world each day. All seven of them — Goldenson, Rubenstein, Westin, Paley, Salant, Sarnoff, and Schlosser — are Jews.

Newspapers Too

After television, daily newspapers are the most influential mass medium in America. Sixty-two million of them are sold (and, presumably, read) each day. Those 62,000,000 copies are divided between some 1,700 different publications. One might guess that the sheer number of different newspapers would in itself provide a guarantee against minority control of this important medium. Unfortunately, such is not the case.

Today, more than half the daily newspaper circulation in America is controlled directly, and the remainder indirectly, by Jews, a minority group which makes up only 2.9 percent of the total population. This extraordinary and dangerous situation has resulted in a great deal of power, which is the instrument of Jewish policy.

The use of the press by the Jewish minority to set the policies which affect the lives of all Americans could hardly be better illustrated than by the examples of the nation's two most influential newspapers: the New York Times and the Washington Post.

New York Times

The New York Times is the unofficial social, fashion, entertainment, political, and cultural guide of the nation. Its influence and ideas reach into every stratum of American life. It is sold in virtually every community in the United States.

The New York Times (originally New York Daily Times) was founded in 1851 by Henry J. Raymond (1820-1869) and George Jones (1811-1891).

Shortly after Jones's death in 1891, the newspaper experienced a drop in advertising revenue that forced it near bankruptcy. As a consequence, Adolph Ochs, a wealthy Jewish publisher, was able to purchase the paper from Jones's estate in 1896 for a modest price. After Ochs's acquisition of the New York Times, advertising revenues rose dramatically.

The present Jewish owners of the newspaper, the Sulzberger family, are related to Ochs through the marriage of Ochs's daughter, Iphigenie, to Arthur Hays Sulzberger in 1917. Their son, Arthur Ochs Sulzberger, is the paper's current president and publisher.

Washington Post

A close second to the New York Times in national influence is the Washington Post, which, by establishing its "leaks" in most governmental agencies in Washington, has an inside track on news involving the Federal government.

The Washington Post was founded in 1877 by Stilson Hutchins and purchased from him in 1905 by John R. Maclean.

In 1933, at the height of the Great Depression, Maclean was forced into bankruptcy, and the Washington Post was sold at auction to Eugene Meyer, a Jewish financier, for a trifling $225,000.

The Washington Post is presently run by Katharine Meyer Graham, Eugene Meyer's daughter, who is the principal stockholder and board chairman of the Washington Post Co., and Larry H. Israel, who is the president and operating officer.

The Washington Post Co. owns Newsweek magazine, a number of radio and television broadcasting stations.

Instinct for Power

And the situation is worse — if that is possible — in the motion-picture industry, other media. Jews, with uncanny instinct for power, have insinuated themselves in every nook and cranny of communications industries for decades before the power of the media on public opinion and the democratic political process was generally recognized.

During the early part of the century they established bridgeheads in the motion-pictures and radio broadcasting. By World War II, they were already in a commanding position. In the years since 1945 they have tightened their grip on the media that they exercise a virtual monopoly control.

Leading America by the Nose

Coordinating their business interests with their political interests, they have profited financially from control of the media by using them to control America's foreign policy. Jews in many political positions, few dare oppose, can make Congressmen, Presidents and — as Watergate has so clearly shown — them at their pleasure.

This Jewish control of the American mass media is a single most important factor in the way we live, not just in America, but across the world today: Inflation, world famine, world fuel crisis, war — all of these are dangerous to the future of the world.

Until this Jewish control of the American public opinion breaks, continued mistakes and confusion, and decadelong drift to the left will continue. It is up to the people to see that American policy is directed by Americans, and that America is not used as a pawn in world affairs.

This leaflet is distributed as a public service by the National Alliance, 3333 New Jersey Avenue, Washington, D.C. 20007. If you want to order 1,000 copies for $1.35; 1,000 copies for $1.00; 500 copies for $0.85; 250 copies for $0.75; or 100 copies for $0.50, shipped prepaid anywhere.
The Zionist minority in America, in collaboration with the Secretary of Defense and other high government officials, is trying to railroad America into another war. If Washington continues to support Israel's war aims against her Arab neighbors, then America will certainly become involved in the next outbreak of Middle East fighting. We are still suffering from the effects of U.S. support of Israel before and during the October 1973 fighting. That caused an enormous increase in the price the Arab oil-producing nations charge America for oil, and it caused the temporary oil boycott which wreaked such havoc in the American economy.

Another oil boycott against America will be the certain consequence of renewed Middle East fighting, and it will disrupt America's economy far more than the last one did.

As Senator Fulbright, chairman of the Senate Foreign Relations Committee, warned recently, a new oil boycott will probably cause another Great Depression in America. Millions will lose their jobs, their homes, and their savings. When that happens there will be overwhelming pressure for America to take direct military action against the Arabs and attempt to seize the Arab oil fields. And that will bring us into direct conflict with the Soviet Union, which also has vital interests in the Middle East. Since the Israelis have already threatened to use nuclear weapons against the Arabs, a direct U.S.-Soviet confrontation in the Middle East may result in Armageddon, as Senator Fulbright has warned.

But the Zionists don't care what happens to America. They are willing to fight to the last American GI and the last American dollar to hold onto their ill-gotten Arab land.

America's arsenals are already being stripped bare by Israel's insatiable demand for military weapons and munitions. Hundreds of our latest tanks and aircraft, thousands of heavy guns and missiles, and millions of tons of bombs, ammunition and napalm have been robbed from active-duty units of our armed forces and sent to Israel, crippling our ability to defend America's vital interests. During the October 1973 fighting more than 600 new M60 tanks were "borrowed" from U.S. armored units, mostly those stationed in Europe, and they haven't been replaced yet. Instead, even more M60 tanks are being sent to Israel as the Zionists prepare to launch a new preemptive war. More recently, half the entire U.S. inventory of our new, wire-guided, anti-tank missile launchers were spirited out of the country and sent to Israel.

America's defenses have been dangerously weakened by the "Israel-first-America last" policy of Secretary of Defense Schlesinger and other Zionist or pro-Zionist officials.

The damage that has already been done to America's economy and armed forces by this subordination of American interests to those of a foreign power is enormous. Infinitely worse damage will occur if this policy is continued. And it will be continued as long as the Zionists have the Congress and the White House in their pockets. Only when the American people rise up, as General George S. Brown, chairman of the Joint Chiefs of Staff, said recently, and break this Jewish lobby will the policy be changed.

The time has come for a rising up!

The time has come for military personnel to seriously consider disobeying orders which put Israel's interests ahead of American interests. The time has come for civilians to engage in acts of civil disobedience — even sabotage — in order to halt the further involvement of America in Israel's military schemes. The time has come to punish traitors. The time has come to put America first. Help the National Alliance do it!

NATIONAL ALLIANCE/NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA is currently controlled by individuals who militantly promote white racism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

The February, 1974 (Number 25), issue of "Attack!" the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack!" as a "superstructure for an anticipated array of specialized, coordinate groups," of which NYA will continue as the youth group for individuals 30 years of age and under. Persons over 30 years of age wishing to join the "movement" must become members of the new organization according to "Attack!", "the National Alliance will remain generalized in its appeal and its membership and will guide and direct all the special interest groups."

***************
This investigation is based on information which indicates that the National Youth Alliance (NYA) is engaged in activities which could involve a violation of Title 18, United States Code, 2383 (Rebellion or Insurrection); 2384 (Seditious Conspiracy); 2385 (Advocating the Overthrow of the Government); 231-233 (Civil Disorders); 2101-2102 (Anti-riot Laws); 241 (Conspiracy Against Rights of Citizens); and 245 (Federally Protected Activities).

The NYA was originally formed from a nucleus of Youth for (GEORGE C.) WALLACE supporters following the 1968 Presidential election for the stated purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. Its efforts to establish in this country a German-type national socialism of the HITLER era emphasize white racist and anti-Semitic policies. The NYA tabloid newspaper, "Attack!" in its Summer, 1971, (Number 6) issue, advocated revolutionary action to destroy the existing system, since "It is no longer possible to cure the System... by Constitutional methods." A series of articles entitled "Revolutionary Notes" published in "Attack!" beginning in the Summer, 1971, (Number 6) issue, and concluding in the October, 1972, (Number 15) issue, provided readers with instructions and diagrams for the construction of simple incendiary and explosive devices and techniques of guerrilla warfare "for use in counter-revolutionary situations." The Fall, 1971, (Number 7) issue of "Attack!" carried an editorial entitled "What We Must Do Now." which discusses "revolutionary action" and states in part: "We must think...in terms of assassinating federal judges, of burning the stores of businessmen who act as if they are more interested in what's good for business than what's good for White America, of dynamiting the TV transmitters and newspaper presses of the alien news manipulators, of harshly punishing Whites--male or female--who fraternize sexually with non-Whites, of putting the fear of terrible retribution into every treacherous politician and System-serving editor, advertiser, bureaucrat, or other public person."
III. NA/NYA OBJECTIVES

The January, 1976 issue of "Attack!" contained the following statement of NA/NYA objectives:

"What We Want"

"Our members are working to build a revolutionary new order of things in American life--a new order based on natural laws.

"We want to develop in America a healthy cultural and racial approach to politics reflecting an understanding of authority, discipline, duty and honor.

"We want to achieve an organic society which will not only protect and perpetuate the great traditional values of Western civilization but will purify the Western world of the degeneracy of communism and liberalism.

"We want to secure for our people control over our own destiny by eliminating from the nerve centers of our society every anti-American and anti-Western influence.

"We want to safeguard our racial identity by putting an end to the present insanity of enforced racial integration, which is threatening all involved with social chaos, cultural dissolution, and racial death."
The February, 1974 (Number 25), issue of "Attack!" the tabloid newspaper published by NYA announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack!" as a "superstructure for an anticipated array of specialized, coordinate groups," of which NYA will continue as the youth group for individuals thirty years of age and under. Persons over thirty years of age wishing to join the "movement" must become members of the new organization. According to "Attack!," "the National Alliance will remain generalized in its appeal and its membership and will guide and direct all the special interest groups."

I. NATIONAL HEADQUARTERS

The January 1976 Northern Virginia Metropolitan Area telephone directory contains listings for the National Alliance and the National Youth Alliance located at 703 South 23rd Street, Arlington, Virginia, telephone 525-3223.

The October 1975 issue of "Attack!" the tabloid newspaper published by the NA/NYA listed the mailing address of the NA/NYA as Box 3535, Washington, D. C., 20007.

157-12589-343 R P 5 - 6
The January, 1976 issue of "Attack!" contained the following article identifying the four items members have in common:

"Who We Are"

"The National Alliance is a growing, dynamic organization of patriotic men and women concerned about America's future and determined to take a hand in shaping that future.

"Our members come from a wide variety of backgrounds, but we all share four things in common:

"First, a deep and vital concern for our Western racial-cultural heritage. We esteem that heritage, created for us by the blood and toil of our ancestors over many thousands of years, as our most precious possession. We accept as the sacred obligation of our generation the defense and the furtherance of that heritage, so that we may pass it on, enhanced, to our descendants.

"Second, a recognition of the natural inequality of men. We recognize that any truly progressive society cannot be based on an artificially imposed 'equality', just as it cannot be based on a system of privilege according to wealth or social class, but must instead be organized so as to offer to each member of society an opportunity, commensurate with his demonstrated character and ability, for the contribution of the fruits of his talent to the whole community.

"Third, an absolute rejection of neo-liberalism in all its sickly and destructive manifestations. We understand that this disease of the spirit, whether it raises its head in the guise of revolutionary Marxism or as the media-peddled philosophy-religion of the present System, is alien to our people and must be utterly rooted out and eliminated, along with its bearers."

THE RHODESIAN CRISIS is shaping up as the worst disaster to befall our people since World War II. The Jews and their neo-liberal camp followers are so confident of a White defeat they can almost taste the Rhodesians' blood. And it is particularly frustrating for us to be in a position where we cannot play a really decisive role in changing the outcome of this situation.

We may be tempted, as individuals, to buy a ticket for Rhodesia, so that we can volunteer to help kill Black terrorists there. But the people who really need to be killed, the people who are really responsible for Rhodesia's present crisis, are right here in America. And it is here that we must do what we can.

The new issue of ATTACK!, which will be mailed in the next few days, will have a long feature article on Rhodesia, with many photographs. The article will be directed at the man in the street and will attempt to make him understand what is at stake in Rhodesia—and who the villains are. All members and supporters are urged to begin planning now to distribute as many copies of this issue as possible.

AN ALLIANCE ACTIVIST in the Danbury, Connecticut, area, William Bingel, Jr., has written the National Office about his organizing efforts. "The recent warm weather here," he reports, "has brought the Blacks out," and this has led to an early upswing in clashes between Blacks and Whites this year. The result has been that a number of young men of Mr. Bingel's acquaintance who showed no inclination to participate in Alliance activities during the winter have begun dropping by again, with suggestions that the Alliance "do something about the niggers."

Mr. Bingel has had little patience with these fair-weather friends and has told them that, unless they are willing to work with the Alliance over the long haul, giving up their beer-and-football time for things a little less exciting than thumping some of the local wildlife, they can go solve their own "nigger problems."

"With that," he reports, "most left, mumbling and grumbling. However, a few other guys, not a part of that crowd, are now kicking in $1.50 per week for the cause—$1 for the Alliance and 50¢ for our own needs, such as extra ATTACK!'s and other things to spread the word and help recruit a revolutionary band of patriots who are on the up and up, and not just loudmouthed punks. Right now I'm trying to collect enough items for a tag sale, the proceeds to go to the Alliance."

Mr. Bingel also writes that, on top of everything else now putting demands on his time, he has just become the father of a baby girl—his second.

FOREIGN CORRESPONDENCE AND PUBLICATIONS have been arriving at the National Office in increasing volume. At least six new racially oriented groups have sprung up in Germany in the last few months. England is also increasingly active. Most of the new organizations are quite small and suffer
from more-or-less severe shortcomings of one sort or another, but it is encouraging to note the increasing restlessness everywhere.

MONTHLY MESSAGE V

Last month we received the first part of the answer we have been seeking. It did not seem to tell us much, but in reality it contained the essence of everything else we will learn. Let us think about it for a moment before we go on.

What we are seeking to discover is man’s purpose, both individually and collectively. Throughout a billion years of evolution the answer to our question has slowly taken shape and has been written by God on our souls, just as a different answer to an analogous question has been formed in the deepest part of the being of every living creature—and the non-living as well. (That is, the answers are different in detail, but they are all the same in a more general sense.)

In the words of one of our sisters in spirit, the sum of all these answers is the total expression of “that mysterious and unfailing wisdom according to which Nature lives and creates: the impersonal wisdom of the primeval forest and of the ocean depth and of the spheres in the dark fields of space.”

To each creature and to each race of creatures the answer assigns a role and determines its relationship to the Whole. We can have only imperfect knowledge of the answers which apply to other creatures, to other races, for, although our science can tell us much, we cannot see into their souls.

What is the role of the Negro? It is evident that for the last few hundred thousand years, at least, the Negro’s message has, unlike ours, told him to stop and rest. Does it also tell him that, like so many other creatures in the past, his role is finished? Perhaps we will know later.

And what of the Jew? Who can see into those dark and murky depths? Judging only from what we can observe, we might easily guess that his role is analogous, on the human level, to that of the bacterium on the subhuman level: to serve as a ferment of decay and decomposition, infecting and bringing about the disintegration of civilizations and races not proof against him. His role is to stand in the path, cleverly persuading some to turn around and go back, slyly tripping others and causing them to stumble into the depths to one side or the other.

But the message for us is that we must neither turn back nor rest, but must continue upward, overcoming every obstacle in our way.

Upward, where?
Upward, why?

When we ask these new questions, the fiery characters before us shift and change, and now we can read:

“Upward, toward the Creator.”

“Upward, because you yourself are not only an instrument of the Creator but a living part of His Being, which is the Whole. While you were unconscious of this truth, you were a very imperfect instrument of His Will. But now the truth has been revealed to you, and as your understanding of that truth grows, so will your degree of utility as an instrument in the service of that truth.

“And so will grow within you a portion of the Whole; so will burn more brightly within you the Divine Spark. And that Spark will serve to guide you further along the path you must follow.”
Then, for a moment, the mists clear, and we are able to catch a breathtaking glimpse of what lies ahead of us. It is as if we are standing on a narrow, rocky ridge. Behind us it falls off steeply into the dark jungle from which we have been slowly and laboriously climbing for so many eons—a jungle whose tendrils still curl across the ridge for some distance ahead of us, forming snares which will trip us if we are insufficiently vigilant.

But the ridge eventually rises above the last of the jungle and into the crystalline air above. And as our eyes continue to follow the ridge before us, ever upward, mounting to dizzying heights, we can only guess at the dangers which lie there. We already know that there were safer stretches of the ridge behind us, where the climbing was easier than it is now.

But, despite the dangers, the ridge ahead of us remains unbroken—and unending. Finally, it passes beyond the limit of our vision in the starry sky above. Who knows what new worlds it reaches—and then leaves behind it?

All we know now is that, unlike others who must remain in the jungle below, we must continue along this never-ending, always upward path toward Godhood. But, even as the mists swirl about us once again, we can faintly see other signs ahead, and we shall soon be able to decipher them. They will tell us more that we need to know in order that we can continue climbing with a sure sense of direction that will keep us from stumbling off the path.

To be continued...

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

The February, 1974 (Number 25), issue of "Attack!", the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack!" as a "superstructure for an anticipated array of specialized, coordinate groups," of which NYA will continue as the youth group for individuals 30 years of age and under. Persons over 30 years of age wishing to join the "movement" must become members of the new organization. According to "Attack!", "...the National Alliance will remain generalized in its appeal and its membership and will guide and direct all the special interest groups..."

TO: DIRECTOR, FBI (157-12589)  
FROM: ALEXANDRIA (157-27) (C)  
DATE: 8/19/76

SUBJECT: NATIONAL ALLIANCE/NATIONAL YOUTH ALLIANCE (NA/NYA)  
EM  
(CO: ALEXANDRIA)

ORIGIN, OBJECTIVES AND LEADERSHIP

The National Youth Alliance (NYA) was organized following the 1968 Presidential Election Campaign from the membership of the Youth for Wallace, an organization, which actively supported the candidacy of Governor GEORGE C. WALLACE for President of the United States during the 1968 Election Campaign.

During early 1969, it became apparent that elements within the NYA were oriented towards fascism or Nazism.

The February, 1974, issue of "Attack", the tabloid newspaper published by the NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described as a "superstructure for an anticipated array of specialized coordinating groups."

The January, 1976, issue of "Attack" contained the following statement of NA/NYA objectives:

"What We Want"

"Our members are working to build a revolutionary new order of things in American life - a new order based on natural laws.

"We want to develop in America a healthy cultural and racial approach to politics reflecting an understanding of authority, discipline, duty and honor.

"We want to achieve an organic society which will not only protect and perpetuate the great traditional values of Western civilization but will purify the Western world of the degeneracy of communism and liberalism.

"We want to secure for our people control over our own destiny by eliminating from the nerve centers of our society every anti-American and anti-Western influence.

"We want to safeguard our racial identity by putting an end to the present insanity of enforced racial integration, which is threatening all involved with social chaos, cultural dissolution, and racial death.

"We want to foster among our people, through the machinery of our information media and our educational system, a new spiritual outlook: the outlook of free men living and working in harmony with Nature.

"We want to make possible for our people a new way of life, a meaningful and satisfying way of life as opposed to the present rat race in which every man and every woman exists simply as an exploitable economic unit.

"We want our country, one day, to have a sane policy toward the other nations of the world, in place of the self-destructive idiocy which presently passes for American foreign policy. We need a policy based on a recognition that our interests are bound up with those of the other peoples sharing our common racial-cultural heritage, whether in Canada, Europe, southern Africa, Australia, or elsewhere, and that other races must develop in accord with their own, distinct racial-cultural imperatives—without help or hindrance from us except where such development poses a distinct threat to our own security."
The NA/NYA publishes a tabloid newspaper entitled, "Attack" and an internal bulletin entitled, "Action." Newspaper articles are mainly anti-Jewish and anti-Black in nature and does not hesitate to criticize national leaders who do not support the NA/NYA view of racial segregation. The "Action" bulletin describes local NA/NYA events and uses it as a forum for his spiritual views of man.

During the past two years, the NA/NYA has held several public meetings in the Northern Virginia area where PIERCE has spoken on a number of major national issues such as the Arab oil embargo and forced school busing. These public meetings only attracted approximately 20 to 30 participants. Due to the lack of activists within the organization, PIERCE has abandoned the use of public demonstrations.

At the present time, the main thrust of the organization is the publishing and distribution of the newspaper "Attack" in the greater Washington Metropolitan Area. There is no known organized NA/NYA activity outside of the Northern Virginia Area.

The NA/NYA has no formal organizational structure since handles all organizational matters. Two part-time staff workers assist by servicing the organization's newspaper racks which are located mainly in Washington, D.C.

WILLIAM LUTHER PIERCE, 1703 William Street, Fredericksburg, Virginia, is Executive Director of the NA/NYA. PIERCE also writes, edits, and publishes the organization's tabloid newspaper "Attack" and the internal organ entitled "Action."

**BASIS FOR INVESTIGATION**

During the early 1970's, the NA/NYA organization was
revolutionary in nature. A letter circulated with the summer, 1971, issue of "Attack" indicated the organization had begun a dramatic new phase of its development which included using the most radical and aggressive methods which could be devised in a program of intensive organization. It also stated the organization intended to adopt a bold revolutionary tone for its publication "Attack", and hoped to attract young marxist militants to the cause.

A series of articles entitled, "Revolutionary Notes" was inaugurated in the summer, 1971, issue of "Attack". These articles provided readers with instructions and diagrams for the construction of simple incendiary and explosive devices. Subsequent articles discussed "medium-sized bombs", "improvised detonators", and "construction of FGAN bombs."

The "Revolutionary Notes" articles were discontinued in October, 1972, and the revolutionary character of the NA/NA was de-emphasized for the apparent purpose of winning support of a sizeable segment of "conservative" Americans who opposed continued American support of Israel in its conflict with Arab nations.

CONSIDERATION OF THE FACTS

The NA/NA was originally formed as a revolutionary organization which advocated armed revolt and emphasized the use of bombs and incendiary devices. Apparently due to the lack of acceptance by the general public, the NA/NA de-emphasized their revolutionary philosophy and began to emphasize racism and the downgrading of the Jewish religion. The NA/NA, has carried on his organization's program by verbally attacking Jewish leaders, blacks in general, and prominent United States leaders who oppose racial segregation. The NA/NA is completely dominated by ___ and there is no organized activity outside of the Northern Virginia and Metropolitan Washington area. The main objective is the publication of his tabloid newspaper and he has shown little enthusiasm for expanding his organization, due in part to the lack of acceptance by the general public.

___ has not engaged in any known illegal acts or overt actions which could deprive persons of their civil rights under the constitution, laws, or treaties of the United States.
UACB, Alexandria Division is conducting no further investigation of the NA/NYA as the organization fails to meet the criteria established by the domestic security guidelines.

Subject: PROPOSED NEWS CONFERENCE TO BE HELD 7-15-86 ON PUBLIC SIDEWALK OUTSIDE JEH BUILDING BY NATIONAL ALLIANCE NEWSPAPER REPRESENTATIVE

On 7-12-86, SSA [Redacted] OCPA, telephonically advised he had been contacted by a representative of the National Alliance Newspaper, a self described "progressive newspaper", seeking the FBI's reaction to a proposed news conference to be held on 7-15-86 (time undisclosed) by the editor of the newspaper. The topic of the proposed news conference is the Arab Anti-Defamation Committee's evaluation of the FBI's investigation into the death of Alex Odeh. Odeh was killed last year in the state of California and the killing has been the source of some news media attention.

SSA [Redacted] advised the proposed site of the news conference was the public sidewalk outside the JEH building. The editor of the National Alliance Newspaper, who would be giving the news conference was not identified further. [Redacted] noted that an unspecified Congressional subcommittee was scheduled to commence hearings on 7-16-86, on the subject of attacks against various Arab-American groups in the recent past.

The representative of the newspaper was advised by SSA [Redacted] that the FBI had no objections to such a news conference, but suggested to the representative that notification should be given to the Metropolitan Police Department, and any permits which may be necessary should be obtained.

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of youth for Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the college campuses of America.

On 9/21/84, U.S. Secret Service (not to be identified to foreign governments) advised the National Youth Alliance (NYA) reorganized in approximately February, 1974 and formed the National Alliance (NA). The NA was described as a "superstructure for an anticipated array of specialized coordinate groups". The NYA continued as the youth group for persons under 30 years of age, and the NA for persons over 30 years of age. The NYA is a coalition of conservative youth groups whose purpose was to control certain campus-oriented groups, which were causing chaotic conditions on U.S. college campuses. The NYA promotes white racism and anti-Zionism, suggesting violent revolution as the ultimate means for implementing their ideas in the U.S. The NYA is opposed to the use of dangerous drugs, anarchism, Marxism, other radical groups, foreign wars, and black organizations. PUBLICACIÓN WAS KNOWN AS "ATTACK". IN 1977, THE NYA MAILING LIST WAS BELIEVED TO CONTAIN ABOUT 2,000 TO 3,000 NAMES WITH LESS THAN 100 PAID MEMBERS. THERE WERE APPROXIMATELY 12 INDIVIDUALS CONSIDERED TO BE ACTIVISTS KNOWN TO OPERATE IN CHICAGO, DETROIT, LOS ANGELES, RICHMOND (VIRGINIA), SPRINGFIELD (MASS.) AND WILMINGTON (NORTH CAROLINA). THEIR ATTEMPTS TO ESTABLISH LOCAL CHAPTERS HAVE NOT BEEN TOO SUCCESSFUL. IN 1972, THE NYA PUBLISHED A SERIES OF ARTICLES ENTITLED "REVOLUTIONARY NOTES", INSTRUCTING READERS IN THE CONSTRUCTION AND DEPLOYMENT OF SIMPLE EXPLOSIVE, INCENDIARY DEVICES AND TECHNIQUES OF URBAN GUERRILLA WARFARE. ARTICLES IN "ATTACK" HAVE ADVOCATED POLITICAL ASSASSINATION, AND DESTRUCTION OF THE SYSTEM BY TOTAL REVOLUTION. "AZTACK" IS ALIGNED WITH THE NATIONAL SOCIALIST WHITE PEOPLE'S PARTY. THE ORGANIZATION HAS IN THE PAST, ADOCATED VIOLENCESIF OTHER MEANS FAILED TO CONTROL RADICAL CAMPUS GROUPS. IN RECENT TIME, THE NA DOES NOT APPEAR TO BE ACTIVE IN ITS SPHERE OF INTERESTS, AND HAS NOT BEEN SUCCESSFUL IN ATTEMPTS TO INCREASE MEMBERSHIP.

As mentioned earlier, [redacted] has been identified as having been affiliated with members of the "Order". On November 24, 1984, a search was conducted on the vehicle and rooms abandoned by ROBERT J. MATHEWS (deceased) and [redacted].

A review of the material recovered indicated several coded lists of members of "the order". Included in this list was the code name "Cookie" and the telephone number (703) 979-1886. This is the telephone number for the National Alliance, 542 23rd Street, South, Arlington, Virginia.

FOR THE INFORMATION OF PITTSBURGH, INVESTIGATION AT ALEXANDRIA
ON SEPTEMBER 9, 1985, DETERMINED THAT THE NATIONAL ALLIANCE (NA) HAS
VACATED THEIR FORMER LOCATION, 542 SOUTH 23RD STREET, ARLINGTON,
VIRGINIA, ON SEPTEMBER 3, 1985. TO DATE, THE NEW ADDRESS FOR THE NA
IS UNKNOWN, ALTHOUGH INFORMATION PROVIDED BY ALEXANDRIA HAS
INDICATED THAT IT HAS MOVED SOMEWHERE "OUT IN THE COUNTRY." IT
SHOULD BE NOTED THAT THE NA MAINTAINS A POST OFFICE BOX (POST OFFICE
BOX 2264) IN ARLINGTON, VIRGINIA.

FOR FURTHER INFORMATION, WILLIAM LUTHER PIERCE, USING THE NAME
ANDREW MACDONALD, AUTHOR "THE TURNER DIARIES," WHICH IS ONE OF THE
HANDBOOKS UTILIZED BY THE PIERCE IS
RECOGNIZED AS THE LEADER OF THE NA IN ARLINGTON, VIRGINIA, AND
RESIDES AT ALEXANDRIA, VIRGINIA. A SPOT CHECK OF THIS RESIDENCE ON SEPTEMBER 11, 1985, BY ALEXANDRIA
HAS INDICATED THAT THE RESIDENCE IS FOR SALE. TO DATE, THE
RESIDENCE HAS NOT BEEN SOLD AND REALTORS ARE UNAWARE OF PIERCE'S NEW
ADDRESS. ALEXANDRIA BELIEVES THAT THE NEW PIERCE RESIDENCE AND THE
NEW LOCATION FOR THE NA ARE AT ONE AND THE SAME BUILDING.

THEREFORE, ALEXANDRIA HAS REQUESTED THAT RICHMOND CONTACT UTILITY
COMPANIES WITHIN ITS DIVISION IN AN EFFORT TO DETERMINE THE NEW
LOCATION FOR THE NA.

INVESTIGATION IN RICHMOND HAS DETERMINED THAT POST OFFICE BOX 2264 IN ARLINGTON IS ACTUALLY LOCATED AT THE ZABE STATION BRANCH, INSTEAD OF THE CRYSTAL CITY BRANCH, AS REPORTED IN REFERENCES. UNITED STATES POSTAL AUTHORITIES IN NORTHERN VIRGINIA ARE ATTEMPTING TO UPDATE INFORMATION ON POST OFFICE BOX 2264 AND HAVE REPORTED THAT THE BOX HAS NOT BEEN CLEARED FOR OVER 10 TO 15 DAYS AND IS OVERFLOWING WITH MAIL. POSTAL INSPECTORS HAVE STATED THAT LETTERS IN THIS MAILBOX ARE FROM A NATIONAL AND WORLD-WIDE DISTRIBUTION AND INCLUDE LETTERS FROM VARIOUS MILITARY INSTALLATIONS.

BACKGROUND INFORMATION PROVIDED BY POSTAL INSPECTORS HAVE INDICATED THAT POST OFFICE BOX 2264 WAS OPENED ON JANUARY 5, 1984, BUT AN APPLICATION HAD BEEN FILLED OUT ON NOVEMBER 17, 1983. THE POST OFFICE BOX WAS ORIGINALLY OPENED IN THE NAME OF NATIONAL VANGUARD, TELEPHONE NUMBER 979-1886, AND WITH A MAILING ADDRESS OF 452 23RD STREET, ARLINGTON, VIRGINIA. BY A LISTED HIMSELF AS OF THE AMERICAN EDUCATIONAL SERVICES. IDENTIFICATION PROVIDED BY PIERCE WAS VIRGINIA DRIVER'S LICENSE NUMBER 2365.
The sender hereby advises that a change of address case had been initiated on September 3, 1913, requesting that all mail be forwarded permanently to the new post office box 2644, Alexandria, Virginia. The post office box 2644 is active to date. In addition, postal authorities have advised that the carrier who delivers mail to 342 23rd Street, Alexandria, Virginia, is assigned to the Falls Station Branch of the United States Postal Service.

NATIONAL ALLIANCE; DOMESTIC SECURITY TERRORISM

The NATIONAL YOUTH ALLIANCE (NYA) is an organization originally formed from the NUCLEUS OF YOUTH FOR GEORGE WALLACE supporters following the 1968 Presidential Election for the purpose of countering radical leftist and anarchist influences on the college campuses of America.

On September 21, 1984, an agency for the U.S. government advised that the NYA reorganized in approximately February, 1974, and formed the NATIONAL ALLIANCE (NA). The NA was described as a "super structure for an anticipated array of specialized coordinate groups." The NYA continued as the youth group for persons under 30 years of age, and the NA for persons over 30 years of age. The NYA is a coalition of conservative youth groups whose purpose is to control certain campus-oriented groups, which were causing chaotic conditions on U.S. college campuses. The NYA promotes white racism and anti-Zionism, suggesting a violent revolution as the ultimate means for implementing their ideas in the U.S. The NYA is opposed to the use of dangerous drugs, anarchism, Marxism, other radical groups, foreign woes, and black organizations. The organization publication was known as Attack.

There were approximately twelve individuals considered to be activists known to operate in Chicago, Detroit, Los Angeles, Richmond (Virginia), Springfield (Massachusetts), and Wilmington (North Carolina). Their attempts to establish local chapters have not been too successful.

This document contains neither

NATIONAL ALLIANCE

In 1972, the NYA published a series of articles entitled "Revolutionary Notes", instructing readers in the construction and deployment of simple explosives, incendiary devices, and techniques of urban guerilla warfare. Articles in Attack have advocated political assassination and destruction of the systems by total revolution. Attack is aligned with the NATIONAL SOCIALIST WHITE PEOPLES PARTY. The organization, in the past, has advocated violence if other means failed to control radical campus groups. In recent times, the NA does not appear to be active in its sphere of interest and has not been successful in attempts to increase membership. The NYA/NA, which was formerly headquartered at 542 23rd St., South Arlington, VA.

On October 17, 1985, and again on December 2, 1985,

Investigation conducted by Alexandria Division, Federal Bureau of Investigation (FBI), has established that the NA has vacated its quarters at 542 23rd St., S. Arlington, VA, and all indications are that the new headquarters for this organization is now located in Pocahontas County, WV.
Enclosed for FBIHQ are the original and four copies of an LRM dated 12/18/85, at Pittsburgh, Pennsylvania (PA), reference captioned subject. Auxiliary offices are provided with two copies of LRM for informational purposes.

Investigation at Pittsburgh Division will continue.

Remember the Liberty?

Many Americans today remember the Japanese attack on Pearl Harbor, although that attack took place nearly four decades ago. Likewise, most Americans remember the Alamo, even though that battle took place in 1836.

But how many Americans remember the attack made on the U.S.S. Liberty? This is an especially interesting question, because unlike the attacks on Pearl Harbor and the Alamo, the attack on the Liberty took place only a few short years ago. And also—unlike Pearl Harbor and the Alamo—this attack was not made by a country at war with the United States, but one that is supposedly our ally!

**Remember the Liberty!**

On June 8, 1967, the U.S.S. Liberty, an unarmed, clearly marked communications vessel stationed in the Mediterranean Sea, was savagely attacked without warning in an unprovoked assault by Israeli jet fighters and torpedo boats. Thirty-four U.S. servicemen died in the attack, and another 171 were wounded.

The Liberty’s mission was to monitor the fighting going on between Israel and its Arab neighbors, which were then at war. Specifically, the Liberty’s task was to report any evidence picked up by its sophisticated electronic gear as to whether or not Israel was planning to use its nuclear arsenal against the Arabs. The Israelis were not about to have the United States interfere with their use of atomic weapons, no matter what the consequences might be—and so they ordered that the Liberty be put out of commission.

Despite the murder of 34 American fighting men, the System which governs this country has continued to give roughly $2 billion a year in military aid to the very ones who butchered our men in an unprovoked act of blatant, premeditated aggression.

We demand that the Israeli murderers be brought to justice, and that those members of the U.S. government who have aided and abetted this outrage by their silence and complicity be punished also.

Above all, we call on all Americans to

Matheus and the "Order" recruited members of like-minded right-wing extremists from such groups as the Ku Klux Klan, hate and the National Alliance. Members of the National Alliance who joined the "Order" were these individuals who Matheus met at meetings of the National Alliance and they all traveled to the State of Washington from to join Matheus in his criminal activities. All of these individuals were indicted on racketeering charges in Seattle, Washington, and have since pled guilty to one count of racketeering.

Another individual who was a member of the National Alliance, declined Matheus' offer to join the "Order," but was arrested for his involvement in a counterfeiting scheme that was devised by "Order" members.

After the arrest of and shoot-out with Robert J. Matheus in Portland, Oregon, on November 24, 1984, coded notes or telephone numbers and names were found in a car belonging to Matheus. The code was deciphered and the telephone number of the National Alliance was identified as well as the code name "Cookie," which is believed to be

ADDENDUM: LEGAL COUNSEL DIVISION (LCD), 10/24/86.

The Criminal Investigative Division (CID) proposes disclosure to the [redacted] of information concerning [redacted]. The Privacy Act of 1974,\(^1\) as applied to this matter, directs that, in the absence of [redacted] consent, data concerning him be disclosed by the Federal Bureau of Investigation (FBI) only if one or more alternate conditions are satisfied.\(^2\) [redacted] has not authorized FBI disclosures concerning himself.

One of the Privacy Act's alternate conditions permits the FBI to make "routine use" disseminations; i.e., releases which are compatible with the purposes for which information was first collected.\(^3\) Pursuant to statutory direction,\(^4\) the FBI publishes notices identifying, among other things, routine uses for information in FBI records systems. The most recent Central Records System notice\(^5\) includes a provision specifically referenced in the memorandum to which this addendum pertains:

routine use will, in Legal Counsel's opinion, permit the contemplated disclosures concerning [redacted]. That routine use provides:

Information in this system may be disclosed...to an organization...in...the public...sector where there is reason to believe the recipient...could become the target of a particular criminal activity or conspiracy, to the extent the information is relevant to the protection of life or property.  

Legal Counsel's determination of the applicability of that routine use to CID's proposal is based on several factors: (a) the National Alliance, to which [redacted] belongs, is a group which anticipates, and which aims at fomenting, racial revolution in the United States; (b) [redacted] as a condition precedent to membership in the

and thwarting the National Alliance in its endeavors.

For the foregoing reasons, Legal Counsel recommends in CID's proposed dissemination regarding [redacted].

Because of the sensitive nature of this source, it is essential that information developed through the source is paraphrased before dissemination.

The receiving field office is requested to provide WFO with results of investigation. These will be used to evaluate the usefulness of the source and to provide justification for continuation. One copy should be designated.

Station knocked off in 'act of terrorism'

HUNTINGTON, W.Va. (UPI) — The FBI is investigating a cable-cutting incident that knocked a television station off the air shortly before it was to begin a series on the activities of the Ku Klux Klan and neo-Nazis.

WOWK went off the air at 10:46 a.m. Monday, minutes before it was to broadcast a five-part series on the Klan, neo-Nazis and other extremist groups called "West Virginia: A Heaven for Hate." Programming did not resume until 1:10 a.m. yesterday.

The station's vice president and general manager, Leo MacCourtney, called the vandalism "an act of terrorism." Two FBI agents spent about 24 hours at the station interviewing MacCourtney and viewing footage and promotional spots of the series, said Bob Willis, WOWK promotions manager.

MacCourtney linked the vandalism with the series primarily because the station had received calls threatening lawsuits if the series was aired, Willis said.

"We got two or three calls [Monday] between 7:30 and 8 p.m. threatening suits if we ran the series, but there were no threats of violence," Willis said. "A couple of people even identified themselves as people who had been interviewed" for the series, he said.

"Somebody climbed a fence behind the station where satellite dishes are and sawed or hacked a large cable leading to the network satellite dish, killing the network," he said.

"At the same time, somebody got on top of the building and cut another cable to our microwave system that goes into the transmitter. That knocked us off the air locally. Somebody knew what they were doing."

The station planned to run series unless the FBI asks that it hold off, Willis said.

He said the series will show there is considerable activity by neo-Nazi groups in West Virginia.

"It's surprising to me that these groups are running around here," he said. "They're here. That's for sure."

One neo-Nazi who has set up shop in West Virginia is William Pierce, who wrote a new philosophy for white supremacists. His novel, "The Turner Diaries," is said to be a training manual for the Klan.

Pierce, 51, has bought two pieces of land totaling about 345 acres in the mountains of eastern West Virginia. Under the name of the Cosmopolitan Community Church, Pierce and a band of followers have obtained tax-exempt status for the land.

LEGAL COUNSEL DIVISION (LCD), 10/24/86, 

The Criminal Investigative Division (CID) proposes to disclose to the

The Privacy Act of 1974, as applied to this matter, directs that, in the absence of consent, data concerning him be disclosed by the Federal Bureau of Investigation (FBI) only if one or more alternate conditions are satisfied.  

One of the Privacy Act's alternate conditions permits the FBI to make "routine use" disseminations: i.e., releases which are compatible with the purposes for which information was first collected. Pursuant to statutory direction, the FBI publishes notices identifying, among other things, routine uses for information in FBI records systems. The most recent Central Records System notice includes a provision specifically referenced in the memorandum to which this addendum pertains:

Disclosure to a state...government agency...not directly engaged in the criminal justice process...is considered on an individual basis only under exceptional circumstances, as determined by the FBI.  

Legal Counsel considers the preceding routine use inapplicable to the matter at hand, by virtue of rules which are observed in applying that language to particular situations. Fortunately, a second Central Records System

4/ Id. at § 552a(e)(4)(D).

The criteria observed in making exceptional circumstances determinations are set forth in a Legal Counsel addendum to a memorandum from Mr. MONROE to Mr. MINTZ, captioned "EXCEPTIONAL CIRCUMSTANCES" CONTROLLING DISSEMINATION OF FBI RECORDS TO STATE/LOCAL GOVERNMENT AGENCIES FOR REGULATORY/LICENSING PURPOSES, dated 5/2/83.
Memorandum from Mr. Clark to Mr. Davis, dated 3/17/86
Re: National Alliance, aka Cosmotheist Society, Domestic Security/Terrorism

LOD Addendum Con't:

routine use will, in Legal Counsel's opinion, permit the contemplated disclosures concerning [BLACKED OUT]. That routine use provides:

Information in this system may be disclosed...to an organization...in...the public...sector where there is reason to believe the recipient...could become the target of a particular criminal activity or conspiracy, to the extent the information is relevant to the protection of life or property.8/

Legal Counsel's determination of the applicability of that routine use to CID's proposal is based on several factors: (a) the National Alliance, to which [BLACKED OUT] belongs, is a group which anticipates, and which aims at fomenting, racial revolution in the United States; (b) [BLACKED OUT] as a condition precedent to membership in the National Alliance in its endeavors.

For the foregoing reasons, Legal Counsel concurs in CID's proposed dissemination regarding [BLACKED OUT].

NATIONAL ALLIANCE, also known as
Cosmotheist Community,
Mill Point (Pocahontas County), West Virginia

On November 8, 1986, a search was conducted by representatives of the FBI and ... at the Pocahontas County, WV, landfill/garbage dump.

This search resulted in the recovery of extensive financial records, personal correspondence, computerized NATIONAL ALLIANCE mailing lists and other significant intelligence information.

A review of these materials has determined an established mailing list of NATIONAL ALLIANCE associates, not only throughout each region of the United States but also in South Africa, West Germany, England, Canada, Mexico, Norway, France, Switzerland, Spain, South America, Sweden, Italy, Australia, Belgium, Portugal and the Middle East.

At present, and as a result of recent news media attention focused on PIERCE and the NATIONAL ALLIANCE/COSMOTHEIST COMMUNITY compound, Pocahontas County, WV, there are current efforts being made to initiate legislation in the West Virginia House of Representatives and State Senate to outlaw para military training and/or groups within the State of West Virginia.

Gentlemen:

I call your attention to a very strange series of suspected "Terrorist" activities here in West Virginia. This is taking place at Smithville, West Virginia, on the property of [redacted] who own it all this property, where this taking place. Smithville is located in Ritchie County, some 12 miles from Grantsville, West Virginia, on Route 16. Actually, this land is farmland, owned by [redacted] and is located now.

In past times, on the above lands, there has been machine gun practice, mortars, hand grenades, and such, by many people, from many other states. In fact, there was a documentary on a Huntington, West Virginia TV, WQAK channel 13, showing just this, in detail. I have been informed, they shot these pictures with a high-powered close up lens, and I personally saw this on this same TV station. This was sometime or 5 months ago, and it's shown as I recall, in the AM one day.

It's like a commune out at Smithville, on

And he hates all Jews, very much!

[Redacted] is not liked around here, by anyone.
He is not welcome anyplace. He does not work, has no income.
Yet he lives very lavishly, and has plenty of money.
He is said to travel a lot, and does a lot of writing.
He has been known to distribute subversive literature, against the country.

He is a strong admirer of [redacted] Hitler, admires [redacted] Kaffir Libia, and thinks Marcos of the Philippines is also a great man.
He says the foregoing people are good for us, and should rule the world. Many say [redacted] is a dangerous man, one to be feared.
I feel this should be investigated further, for fear we have here, a "Terrorist" training camp in our very midst.
I will be glad to work with you in any manner, in any way I can. Thanks.

Respectfully,

These investigations have disclosed that Dr. William Luther Pierce, Executive Director of the National Alliance/Cosmotheist Community has acquired a 360-acre tract of land in a remote area of West Virginia. Pittsburgh believes that Pierce is constructing a compound on this property and that he intends to use it as headquarters for the National Alliance. Owing to the remoteness of the area, physical surveillance is nearly impossible.

NATIONAL ALLIANCE, also known as (aka) Cosmotheist Community, Mill Point (Pocahontas County), WV DOMESTIC SECURITY/ TERRORISM

National Alliance, purchased 346 acres of remote rural property in Pocahontas County, West Virginia (WV), during October, 1984, paying $95,000 in cash. Since initial relocation of National Alliance headquarters from Alexandria, Virginia (VA) to West Virginia, we have expended much expense and effort in establishing a residential/organizational complex at that location.

AUTHORIZING A FULL DS/T INVESTIGATION.

FBIHQ PROVIDES THE FOLLOWING COMMENTS CONCERNING INFORMATION
PRESENTED IN REFERENCED LHM:

1. THE LHM ONLY PROVIDES INFORMATION CONCERNING

APPEAR TO CONTAIN ANY RECENT INVESTIGATION CONDUCTED AFTER THAT

3. PITTSBURGH CONCLUDES THAT

DOES NOT CONTAIN SUFFICIENT INFORMATION CONCERNING THE ADVOCACY
OR COMMISSION OF CRIMINAL ACTS IN FURTHERANCE OF CAPTIONED
GROUP'S SOCIAL OR POLITICAL BELIEFS. THEREFORE, TBI IS NOT
AUTHORIZING A FULL DS/T INVESTIGATION OF CAPTIONED GROUP AT THIS
TIME. HOWEVER, IF PITTSBURGH DESIRES TO CONTINUE THE
INVESTIGATION OF CAPTIONED GROUP, A PRELIMINARY INQUIRY (PI) MAY
BE INITIATED FOR 90 DAYS ON THE AUTHORIZATION OF THE FIELD
SUPERVISOR. IF ADDITIONAL TIME IS NEEDED TO GATHER INFORMATION
TO SUPPORT A FULL DS/T INVESTIGATION, PITTSBURGH MAY REQUEST THAT
FBIG AUTHORIZE A 30-DAY EXTENSION OF THE PI.
NOTE: THE PITTSBURGH DIVISION SUBMITTED AN AIRTEL AND A LHM REQUESTING FBIHQ AUTHORIZATION TO CONDUCT A FULL DS/T INVESTIGATION OF A GROUP KNOWN AS THE NATIONAL ALLIANCE. PITTSBURGH INITIALLY HAD A FULL DS/T INVESTIGATION OF THIS GROUP, BUT DID NOT PROVIDE SUFFICIENT EXPLANATION OF THE TERRORIST ACTIVITIES OF THIS GROUP OR ANY ADVOCACY OR COMMISSION OF CRIMINAL ACTS IN FURTHERANCE OF THEIR SOCIAL OR POLITICAL GOALS WHEN REQUESTING A RENEWAL IN JULY, 1987. THIS TELETYPE APPRISSES THE PITTSBURGH DIVISION THAT THEIR LH M DOES NOT FURNISH SUFFICIENT INFORMATION TO AUTHORIZE A FULL DS/T INVESTIGATION. THIS TELETYPE ALSO DISCUSSES SOME POINTS THAT PITTSBURGH MUST ADDRESS TO JUSTIFY A FULL DS/T INVESTIGATION OF THE NATIONAL ALLIANCE. FINALLY, THIS TELETYPE INFORMS PITTSBURGH THAT IF ADDITIONAL INVESTIGATION OF THE CAPTIONED GROUP IS NECESSARY, A PI CAN BE INITIATED FOR 90 DAYS ON THE AUTHORIZATION OF THE PITTSBURGH SUPERVISOR.

Additional investigation determined that during October, 1984, PIERCE had purchased 346 acres for $95,000 cash in Pocahontas County, West Virginia (WV). Subsequently, PIERCE relocated the headquarters of the National Alliance from Arlington, Virginia (VA), to Pocahontas County, WV.

The National Alliance was formed from the reorganization of the National Youth Alliance (NYA) in approximately February, 1974. The N/A was described as a superstructure for an anticipated array of specialized coordinate groups. The NYA continued as the youth group for persons under thirty years of age, and the N/A for persons over thirty years of age. The NYA is a coalition of conservative youth groups whose purpose was to control certain campus oriented groups which were causing chaotic conditions in the United States college campuses. The NYA promotes white racism and antizionism, suggesting violent revolution as the ultimate means for implementing their ideals in the United States. The NYA is opposed to the use of dangerous drugs, anarchism, marxism, other radical groups, foreign wars and black organizations. The organization publication was known as Attack.

There were approximately twelve cities considered to be activist, which included Alexandria, VA; Springfield, Massachusetts (MA); and Wilmington, North Carolina (NC).

In 1972, the NYA published a series of articles entitled "Revolutionary Notes", instructing readers in the construction and deployment of simple explosives, incendiary devices and the techniques of urban guerilla warfare. Articles in Attack advocated political assassination and destruction of the system by total revolution. The organization advocated violence if other means failed to control radical campus groups.

NATIONAL ALLIANCE, aka

During the weekend of September 6-7, 1986, a dedication was held at the Cosmotheist Community compound wherein the headquarters building was officially completed and opened. PIERCE had established a print shop, computer center and other offices at that compound for engaging in fundraising and establishing a computer network for the right-wing extremist groups.

have made several unsuccessful efforts to purchase a storefront building in Hillsboro, WV, for purposes of establishing a bookstore from which to establish public contact and raise funds for the sale of published materials available through the Vanguard Press, an affiliate of National Alliance.

Extensive financial records, personal correspondence, computerized National Alliance mailing lists and other significant intelligence information were recovered from a landfill in Pocahontas County, WV. A review of these materials has determined an established mailing list of National Alliance associates not only throughout each region of the United States but also in South Africa, West Germany, England, Canada, Mexico, Norway, France, Switzerland, Spain, South America, Sweden, Italy, Australia, Belgium, Portugal and the Middle East.

A review of a National Alliance Bulletin dated November-December, 1986, contained an article concerning recruiting guidelines for the National Alliance. Contained in this section of the bulletin in part was the following quote:

"There is a greater need for recruiting members inside the system; persuading men and women who now occupy positions in the government, the armed forces, educational establishments and a wide range of industries to remain where they are and begin using their positions to serve the alliance. This need is the consequence of both a deceased reservoir of potential cadres and the lengthened revolutionary time scale with which we must contend. When we cannot have as much internal strength as we would like, then we are more dependent on allies inside the enemies camp ..."

The Turner Diaries describes the overthrow of the United States Government by a group of violent right-wing extremists. The Turner Diaries was authored by Dr. William Luther Pierce, using the pen name Andrew Macdonald.

The NATIONAL ALLIANCE promotes white racism and anti-Semitic views and advocates violent revolution as the ultimate means to implement these ideas. Robert Mathews, the leader of the "Order," was a member of the NATIONAL ALLIANCE.

In late 1984, the NATIONAL ALLIANCE relocated the NATIONAL ALLIANCE from Arlington, Virginia, to a 360-acre tract of land he purchased in Pocahontas County, West Virginia.

The property purchased is located in a remote area of West Virginia. Ground surveillance of the compound is exceedingly difficult. Anyone from outside the area can be readily identified as a stranger by the local residents. Furthermore, the mere presence of strangers is information which is disseminated quickly throughout the area.
Memorandum from S. A. Hicks to Mr. Clarke

is one of eight primary subjects in a major investigation of the right-wing being conducted by the Little Rock Division. Little Rock anticipates having indictments in this investigation returned in early 1987. Little Rock believes that of the eight right-wing leaders being investigated in this matter, their case on [redacted] is the weakest. The Pittsburgh Division believes that whether [redacted] is indicted in the Little Rock investigation or not, they will have a continuing investigative interest in the activities at the NATIONAL ALLIANCE compound. If [redacted] is indicted and subsequently convicted, Pittsburgh anticipates that a successor will continue activities at the compound. If [redacted] is not indicted, he will return to the compound and proceed with his right-wing revolution activities.

The necessary exemptions for a covert purchase would be obtained from the Attorney General.

NATIONAL ALLIANCE, also known as Cosmotheist Community,

During the weekend of September 6-7, 1986, a dedication was held at the COSMOTEIST COMMUNITY compound wherein the headquarters building was officially completed and opened. The members have established a print shop, computer center and other offices at the compound and are engaged in fundraising in the establishment of a computer network with other right wing extremist groups.

Investigation by Pittsburgh Division has further established that on several instances during the month of October 1986, and since, the members have made several unsuccessful efforts to purchase a storefront building in Hillsboro, WV, for purposes of establishing a bookstore from which to establish public contact and raise funds through the sale of published materials available through the "Vanguard Press," an affiliate of the NATIONAL ALLIANCE.

In these instances, purchase prices of up to $19,000 cash were offered prospective sellers. The sales were not concluded due to recent media publicity.
NATIONAL ALLIANCE, also known as
Cosmotheist Community,
Mill Point (Pocahontas County), West Virginia

On November 8, 1986, a search was conducted by
representatives of the FBI and... at the Pocahontas County, WV, landfill/garbage dump.

This search resulted in the recovery of extensive
financial records, personal correspondence, computerized
NATIONAL ALLIANCE mailing lists and other significant intelli-
gence information.

A review of these materials has determined an
established mailing list of NATIONAL ALLIANCE associates,
not only throughout each region of the United States but
also in South Africa, West Germany, England, Canada, Mexico,
Norway, France, Switzerland, Spain, South America, Sweden,
Italy, Australia, Belgium, Portugal and the Middle East.

At present, and as a result of recent news media
attention focused on PIERCE and the NATIONAL ALLIANCE/COSMOTHEIST
COMMUNITY compound, Pocahontas County, WV, there are current
efforts being made to initiate legislation in the West Virginia
House of Representatives and State Senate to outlaw para
military training and/or groups within the State of West
Virginia.

Buffalo plans to contact source regularly to explore more fully the information given above, and to illicit further information regarding the National Alliance, and the Cosmotheist Church. Buffalo would welcome suggestions from the Pittsburgh Case Agent regarding specific topics and questions.

Investigation at Buffalo continuing.
A spot check of the residence in question on two different occasions failed to disclose any licensed vehicles present.

It should be noted that one of the basic contentions of the American Freeman Association is that persons are "free and natural individuals," and do not have to be licensed either to drive or to have a vehicle. This possibility is offered only as a suggestion for the lack of vehicles and licenses because there is no information on record in any of the agencies contacted to indicate that the Fulmers do subscribe to the Freeman philosophy.

Sources familiar with the right wing movement in the Portland metropolitan area are unfamiliar with the Fulmers and are not known to pose any threat at this time, this matter is being forwarded RUC, however, should the Pittsburgh Office develop information of significance to indicate involvement in the domestic security field, Portland will initiate appropriate investigation.
Investigation continues at Birmingham.
