Background Information The Transportation Security Administration (TSA) Law Enforcement/Federal Air Marshal Service (LE/FAMS) Voluntary Lateral Reassignment (VLR) Program facilitates the reassignment of Federal Air Marshals (FAMs) from one LE/FAMS field office to another based on a combination of the FAM's preferences and the mission needs of TSA LE/FAMS. VLRs do not involve a change in the FAM's level of responsibility or job scope and do not result in a change to the employee's salary, other than changes associated with locality pay adjustments.

The VLR Program is managed by the LE/FAMS VLR Program Coordinator who is responsible for collecting and tracking applications, certifying if applicants have met eligibility criteria, and the overall management of the VLR Program. The VLR Program Committee provides oversight and technical assistance to the VLR Program Coordinator and is responsible for validation of the final VLR rankings, used to determine which VLRs are granted.
