RE: ICE FOIA Case Number 2018-ICFO-45504

Dear Mr. Kick:

This letter is the final response to your Freedom of Information Act (FOIA) request to U.S. Immigration and Customs Enforcement (ICE), dated June 20, 2018. You have requested copies of the following records:

photos taken inside ICE detention facilities from February 2017 to the present. This includes facilities run by ICE, facilities run by contractors, and facilities run by other government entities

ICE has considered your request under the FOIA, 5 U.S.C. § 552.

A search of the ICE Office of Professional Responsibility (OPR), Office of Public Affairs, and Enforcement and Removal Operations for records responsive to your request produced 30 pages from OPR that are responsive to your request. After review of those documents, I have determined that 14 pages will be released in their entirety. Portions of 16 pages will be withheld pursuant to Exemptions of the FOIA as described below.

ICE has applied FOIA Exemptions 6 and 7(C) to protect from disclosure the names, e-mail addresses, and phone numbers of DHS employees contained within the documents.

**FOIA Exemption 6** exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public’s right to disclosure against the individual’s right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

**FOIA Exemption 7(C)** protects records or information compiled for law enforcement purposes that could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged criminal
activity. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interest in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate. As such, I have determined that the privacy interest in the identities of individuals in the records you have requested clearly outweigh any minimal public interest in disclosure of the information. Please note that any private interest you may have in that information does not factor into this determination.

You have a right to appeal the above withholding determination. Should you wish to do so, you must send your appeal and a copy of this letter, within 90 days of the date of this letter following the procedures outlined in the DHS FOIA regulations at 6 C.F.R. Part 5 § 5.8, to:

U.S. Immigration and Customs Enforcement
Office of the Principal Legal Advisor
U.S. Department of Homeland Security
500 12th Street, S.W., Mail Stop 5900
Washington, D.C. 20536-5900

Your envelope and letter should be marked “FOIA Appeal.” Copies of the FOIA and DHS regulations are available at www.dhs.gov/foia.

Provisions of FOIA allow DHS to charge for processing fees, up to $25, unless you seek a waiver of fees. In this instance, because the cost is below the $25 minimum, there is no charge.

If you need any further assistance or would like to discuss any aspect of your request, please contact the FOIA office and refer to FOIA case number 2018-ICFO-45504. You may send an e-mail to ice-foia@ice.dhs.gov, call toll free (866) 633-1182, or you may contact our FOIA Public Liaison, Fernando Pineiro, in the same manner. Additionally, you have a right to right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Sincerely,

Catrina M. Pavlik-Keenan
FOIA Officer
